

THE LIFE-BOAT,

OR

JOURNAL OF THE NATIONAL LIFE-BOAT INSTITUTION.

(ISSUED QUARTERLY.)

VOL. X.—No. 112.]

MAY 1, 1879.

[PRICE 1s.

AT the ANNUAL GENERAL MEETING of the ROYAL NATIONAL LIFE-BOAT INSTITUTION, held at Willis's Rooms, King Street, St. James's Square, on Tuesday, the 18th day of March 1879, his Grace the DUKE OF NORTHUMBERLAND, Lord Privy Seal, *President of the Institution*, in the Chair, the following Report of the Committee was read by the Secretary:—

ANNUAL REPORT.

THE Committee of Management of the ROYAL NATIONAL LIFE-BOAT INSTITUTION, in fulfilment of their duty to its supporters and to the British Public, for whose sympathy and co-operation they plead, have once more the satisfaction to render an account of their stewardship.

In so doing they entertain the hope that their transactions during the past twelve months may be found to merit the same confidence and approval which for a long series of years has been to them a source of pride and encouragement.

Those transactions may be summarised, under the usual heads, as follows:—

Life-boats.—Since the last Annual Report ten new Life-boats have been placed on the coast, three of them to new Stations and seven to replace old or inefficient boats.

The following are the Stations to which they have been sent:—

ENGLAND.

DURHAM . . . Hartlepool.
LINCOLNSHIRE . . . Donna Nook.
KENT Dover.
DEVONSHIRE . . . Dartmouth.

SCOTLAND

KINCARDINESHIRE Gorrdon.
KIRKCUDBRIGHT Kirkcudbright.

IRELAND.

DUBLIN Kingstown.
WEXFORD Cahore.
" Wexford (No. 2).
KERRY Tralee Bay.

Although it will be thus seen that the Institution is not now called on to establish many new Life-boat Stations on the coast, yet it must be remembered that it has to maintain its large fleet of Boats, now numbering no less than 268, in a state of perfect efficiency, and that from time to time the earlier of those Boats, and others which may have received serious injury, require to be replaced by new ones; and that the Society has, therefore, the same need as heretofore of the kind and generous support afforded to it.

During the year 1878 the Life-boats of the Institution rescued 471 persons from wrecked or endangered vessels, nearly the whole of them under perilous circumstances, when ordinary boats could not with safety have been employed.

The Committee are happily able to report that these invaluable services have been performed without the loss of a single life, or an accident to any of the Boats employed. For such immunity they cannot feel too thankful, when the magnitude of the risk incurred, especially during the numerous stormy night services, is taken into consideration.

Shipwrecks.—Notwithstanding the fact that the shipping interests of this country increase every year, the number of shipwrecks was less last year than it had been previously for a long period. The NATIONAL LIFE-BOAT INSTITUTION has always contended that in proportion as our sailors improve in education, care, and thrift, the number of shipping disasters at home and abroad would diminish.

It is, nevertheless, a sad reflection that the actual loss of life last year on the coasts and in the seas of the British Isles has been unusually heavy. It is only necessary to refer to the 366 persons who perished from H.M.S. *Eurydice*, 284 from the German ironclad *Grosser Kurfürst*, and to the 600 from the steamer *Princess Alice*, in the river Thames. It is consolatory, however, to know that so far as the operations of the NATIONAL LIFE-BOAT INSTITUTION were concerned, they have been attended with more than usual success. Thus, as we have already mentioned, not a single life has been lost from its 268 Life-boats during the past twelve months; notwithstanding the fact that on service and quarterly exercise its Life-saving Fleet was manned by about 12,000 persons.

The services of its Life-boats during each month of the year were as follows:—

1878.	Number of Life-boat Launches.	Vessels Saved.	Lives Saved.
January	34	1	59
February	7	—	18
March	33	4	73
April	11	1	68
May	15	1	18
June, July, and August	13	2	22
September	20	2	64
October	23	—	20
November	40	6	103
December	11	—	26
Total	207	17	471

It must always occur that the launches of Life-boats unattended with positive results must, during storms, be very numerous; and last year formed no exception. At such times, however, Life-boatmen have no time for hesitation; for the signal of distress always means urgency, and very often, in the absence of the Life-boats, death to those on board the distressed ship.

In addition to these Life-boat services, 145 lives were saved from shipwreck by shore-boats and other means, whose crews were rewarded by the Institution.

It is also gratifying to mention that hundreds of lives are saved every year by means of the Rocket Apparatus, belonging to the BOARD OF TRADE, and worked so efficiently by the Coastguard and the Rocket Volunteer Brigades.

The number of lives saved during the fifty-five years from the establishment of the Institution, to the end of the year 1878, either by its Life-boats or by special exertions for which it has granted rewards, is 26,051, as shown in the annexed table.

In the Year	No. of Lives Saved.	In the Year	No. of Lives Saved.	In the Year	No. of Lives Saved.	In the Year	No. of Lives Saved.	In the Year	No. of Lives Saved.
1824	124	1836	225	1848	123	1860	455	1872	739
1825	213	1837	272	1849	209	1861	424	1873	668
1826	175	1838	456	1850	470	1862	574	1874	713
1827	163	1839	279	1851	230	1863	714	1875	921
1828	301	1840	353	1852	773	1864	698	1876	600
1829	463	1841	128	1853	678	1865	714	1877	1,048
1830	372	1842	276	1854	355	1866	921	1878	616
1831	287	1843	236	1855	406	1867	1,086		
1832	310	1844	193	1856	473	1868	862	Total	26,051
1833	449	1845	235	1857	374	1869	1,231		
1834	214	1846	134	1858	427	1870	784		
1835	364	1847	157	1859	499	1871	882		

The amount of happiness thus brought home to so many thousands of persons can, of course, only be adequately appreciated by the saved themselves; but their families and the public at large are also fully sensible of the great importance of the national services of the Life-boat Institution; and it must ever be a source of satisfaction to all its coadjutors on the coast and its numerous supporters to feel that they have helped to bring about a result which, as far as Life-boat services are concerned, is without a parallel in the history of the saving of life from shipwreck.

Rewards.—In the Appendix a summary is given of the cases where honorary and other rewards have been voted. During the past year 2 Silver Medals, 9 Votes of Thanks inscribed on vellum, and 2750*l.* have been granted for saving the lives of 616 persons by Life-boats, shore and fishing boats, and by other means, on the coasts and outlying sandbanks of the United Kingdom.

The Committee continue to devote much time and consideration to the investigation and granting of these rewards. Thus each case is minutely inquired into, in the first instance, through the valuable co-operation of the Officers of Coast-guard and Customs, the local Committees of the several Branches, or other responsible persons; and afterwards they are in succession thoroughly considered by the preparatory Committee, previous to their being sanctioned by the General Committee at their monthly meetings.

The thanks of the Institution are due to the Admiral Superintendent of Naval Reserves, and the Officers and men of the Coastguard Service, for their continued valuable co-operation.

Since the establishment of the Institution, it has expended on Life-boat Stations, and other means for saving life from shipwreck, on the coasts of the United Kingdom, upwards of 480,000*l.*,

and has voted 92 Gold Medals, 892 Silver Medals, and 57,710*l.* in pecuniary rewards for saving life from shipwreck.

Barometers.—The Committee have the satisfaction to state that the one hundred and four barometers which they have placed at Life-boat Stations and elsewhere continue to be thoroughly appreciated by the boatmen and fishermen. The daily indications of each instrument are carefully chronicled; and thus fishermen and others are, as far as possible, warned of the approach of a coming storm, which, in the absence of the barometer, they might have had to encounter far at sea.

Local Committees.—The Committee again tender their best acknowledgments for the valuable and earnest co-operation afforded them by the Local Branch Committees, and their Honorary Secretaries, which constitute so important a part of the work and supervision of the Institution's numerous Life-boat Establishments, and the collection of funds for their support.

Finances.—The donations, subscriptions, and dividends during the year 1878 have been 34,493*l.* 3*s.* 5*d.*, of which sum 4580*l.* were special gifts to defray the cost of the following eight Life-boats:—

	£.	s.	d.
Cadgwith—Joseph Armstrong Life-boat Memorial Fund	550	0	0
Cahore—The Misses Brooke, per John Richardson, Esq., Q.C.	600	0	0
Cemaes—Loyal Order of Ancient Shepherds, A.U.	200	0	0

RESOLUTIONS PASSED AT THE ANNUAL MEETING FOR 1879.

HIS GRACE THE DUKE OF NORTHUMBERLAND, LORD PRIVY SEAL, PRESIDENT OF THE INSTITUTION,
IN THE CHAIR.

1.—Moved by the CHAIRMAN:—

1.—That the following Noblemen and Gentlemen be the Officers of the Institution for the current year:—(*Vide* next page for this list.)

2.—Moved by the Right Hon. STEPHEN CAVE, M.P., *V.P.*

Seconded by the Most Noble the MARQUIS of HEADFORT.

2.—That the Report now read be adopted, printed, and circulated.

3.—Moved by the Right Hon. the EARL of COURTOWN.

Seconded by Rev. E. HEWLETT, M.A.,
Hon. Sec. of the Manchester Branch of the Institution.

3.—That this Meeting—viewing the continued success which characterises the organisation and administration of the NATIONAL LIFE-BOAT INSTITUTION, and particularly regarding the gratifying fact that not a single life was lost from its Life-boats during the past year—pledges itself to make renewed efforts to perpetuate and increase the operations of an Institution which, from its first establishment, has, under Providence, contributed to the saving of 26,051 lives from shipwreck.

4.—Moved by Captain the Hon. FRANCIS MAUDE, R.N.

Seconded by Captain MARTIN, R.N.

4.—That this Meeting offers its best thanks to THOMAS CHAPMAN, Esq., F.R.S., *V.P.*, Chairman; to the Committee of Management, and to the Officers of the Institution, for their able and untiring exertions in administering its extensive affairs.

Also to the Honorary Local Committees and Secretaries of the several Branches of the Institution, for their continued earnest and active co-operation.

5.—Moved by Admiral of the Fleet Sir GEORGE R. SARTORIUS, K.C.B.

Seconded by the Right Hon. EARL PERCY, M.P.

5.—That this Meeting regards with much satisfaction the brave exertions of the Coxswains and Crews of the Life-boats, who are ever willing to man them in the stormiest weather and the darkest nights.

6.—Moved by THOMAS CHAPMAN, Esq., F.R.S., *V.P.*, *Chairman.*

Seconded by Admiral J. B. B. McHARDY.

6.—That the best thanks of this Meeting be given to his Grace the DUKE of NORTHUMBERLAND, Lord Privy Seal, for so ably presiding over the fifty-fifth Annual Meeting of the ROYAL NATIONAL LIFE-BOAT INSTITUTION, and for the continued kind interest he takes in its welfare.

ROYAL NATIONAL LIFE-BOAT INSTITUTION,

For the Preservation of Life from Shipwreck.

(Incorporated by Royal Charter.)

HON. ARCHITECT—C. H. COOKE, Esq., F.S.A.

HON. SOLICITORS—Messrs. CLAYTON and SONS.

SECRETARY—RICHARD LEWIS, of the Inner Temple, Esq., Barrister-at-Law.

Chief Life-boat Inspector—Rear-Admiral J. R. WARD.

Life-boat Inspectors { Rear-Admiral D. ROBERTSON-MACDONALD.
Lieut. H. A. MONTEITH, R.N.

The object of this Institution, as declared in its title, is to afford assistance to every shipwrecked person around the Coasts of the United Kingdom.

The chief means by which the Society hopes to carry this object into effect are:—

To build, station, and maintain in repair, Life-boats of the most perfect description; to furnish them with all necessary Appurtenances, including Houses to preserve them in, and Carriages for their conveyance to the spots where their Service are called for; and further, to provide, through the instrumentality of Local Committees, for their proper Management, and the occasional Exercise of their Crews.

To confer Honorary Rewards in the form of Medals and Votes of Thanks, and also to make liberal grants of money to all persons who, at the risk of their own lives, save, or attempt to save, those of others on board vessels wrecked, or in distress, upon any part of the Coasts of the United Kingdom.

As an index of the necessity for the provision of such a machinery as the above, it may be stated that the average loss of lives from shipwreck annually on the shores of the United Kingdom is 700.

Dr.

INCOME AND EXPENDITURE.—1st Jan. to 31st Dec. 1878.

The average annual expense of maintaining a Life-boat Station is £70, and the benefactions and contributions of Donors of Life-boats are earnestly solicited in aid of that fund.

GOD HELP OUR MEN AT SEA.

List of the Rewards

FOR SAVING LIFE FROM WRECKS

VOTED BY THE ROYAL NATIONAL LIFE-BOAT INSTITUTION

TO THE CREWS OF ITS LIFE-BOATS, TO SHORE AND FISHING-BOATS' CREWS, AND TO OTHER PERSONS,

FROM THE 1ST JANUARY TO THE 31ST DECEMBER, 1878.

Jan. 4.—At about 6 A.M. the s.s. *Balmoral*, of London, ran ashore on the North Sands, off Hartlepool, at half-ebb tide. At low water she was high and dry; but when the tide rose the wind and sea began to make. At 11 A.M. five steam-tugs arrived, and they remained by the vessel until about 4 P.M., but all their united efforts to get her off the sand failed. At noon the Hartlepool No. 3 Life-boat was launched, and was towed by a steam-tug to the vessel, arriving about 1.30. The Boat remained by her for about half an hour, when 9 of the steamer's crew determined to leave, and were brought ashore by the Boat. The No. 1 Life-boat also proceeded to the steamer, and after remaining by her for some time, 8 more of those on board decided to leave her, as the fires had been put out, and the sea was washing right over her decks. The captain and mate declined to leave their vessel, as they thought she would stand until the next tide. The Life-boat, therefore, proceeded ashore with the 8 men, leaving the master and mate on board. However, at about 5 P.M., a light was shown from the steamer, and the No. 3 Life-boat thereupon again went off to her in tow of a steam-tug, and took off the master and mate, and the Life-boat being towed back to her station, landed them at about 6.15 P.M.—Expense of service, 32l. 2s.

Jan. 5.—The Life-boat *Robert Whitworth*, stationed at Whitby, was launched at 10.40 P.M., and

rescued the crew, consisting of 22 persons, from the s.s. *Oscar*, of Leith, which vessel had struck on the Whitby Rocks during thick weather and in a heavy sea, and had sunk. On the following morning the Boat again went off to the steamer, taking the captain, who brought ashore various articles, the vessel being on the point of becoming a total wreck. She was on a voyage from Shields to Cadiz, with a cargo of coal, fire-clay, and bricks.—Expense of service, 17l. 10s.

Jan. 3.—Voted 207l. 13s. 6d. to pay the expenses of the Redcar, Torquay, Harwich, Drogheda, Holyhead, Newcastle (Co. Down), Exmouth, Fleetwood, Kingsdowne, Montrose, Dover, Rye, Walmer, Whitehaven, and Deal Life-boats in assembling their crews or putting off to the assistance of vessels which did not eventually require the aid of the boats.

The Ramsgate Life-boat had also been out with the view of assisting distressed vessels.

Jan. 20.—The Youghal Life-boat *William Beckett* of Leeds put off and rendered assistance to the distressed barque *Countess of Durham*, of Youghal.

Jan. 25.—At 9.30 A.M. a vessel was observed on the outside of the Kish Bank, about two miles distant from the Kish Lightship. The coxswain of the Kingstown Life-boat at once called for volunteers to man the Boat; whereupon a number of fishermen offered their services, and at 10

o'clock the Boat was launched, and proceeded to the vessel, which proved to be the Austrian brig *Olinka*. Her hull was under water with the exception of the starboard quarter, where her crew, consisting of 10 men and 2 boys, were congregated. With some difficulty these persons were taken on board the Life-boat, which then proceeded back to the shore. A strong wind was blowing, accompanied by a heavy sea and thick snow showers, during the performance of this service. The cold at times was most intense.—Expense of service, 13*l.* 2*s.* 6*d.* H.I.H. the CROWN PRINCE OF AUSTRIA, who was in Dublin at the time the service was rendered, presented 30*l.* to the crew of the Life-boat, in recognition of their services in rescuing the Austrian crew. An extra reward was also granted to them by the Institution.

Jan. 25.—The Gorleston Life-boat *Leicester* went off to the barque *William Naizby*, of London, which vessel had parted both her chains in a heavy squall, and had afterwards come into collision with the steamer *Romeo*, of Goole, in Yarmouth Roads. The tide being flood, and the wind northerly and very strong, it was deemed impossible to get the barque into Yarmouth Harbour, and she was, therefore, taken by two steam-tugs to Harwich, which port was safely reached in the evening—the Life-boat accompanying them in case of accident. The vessel had lost her bowsprit, and part of her fore-foot, having touched the Scroby Sand, and her crew had left her.

Jan. 25.—During a strong gale from the N., while the disabled steamer *Pioneer*, of Dublin, was being towed into the Menai Straits, the hawsers of the tugs broke, and the vessel drove on Puffin Island. The Penmon Life-boat *Christopher Brown* was towed out through a heavy sea, by the steam-tug *Royal Saxon*, but could not get alongside the vessel on account of the heavy surf. She was, therefore, towed round to the lee-side of the island, and, on arriving there, it was found that 10 of the vessel's crew had been landed by some Penmon pilots, 3 others having been unfortunately drowned. These 10 men were taken into the Life-boat, put on board the steam-tug, and safely landed at Beaumaris.—Expense of service, 8*l.* 2*s.* 6*d.*

The thanks of the Institution, inscribed on vellum, were voted to Mr. W. M. PRESTON, the Honorary Secretary of the Penmon Branch, in acknowledgment of his services on this occasion. He ran a distance of four miles to the station to get the Life-boat ready, and afterwards went out in the boat, acting as coxswain.

Jan. 26.—At 7.45 A.M., during a moderate wind from the N., a barque was observed ashore on the North Sand Head, Goodwin Sands. The Ramsgate harbour steam-tug *Vulcan* and Life-boat *Braafjord* were immediately manned, and left the harbour at 8 A.M. On reaching the sands a London steam-tug was seen riding near, and she was joined by another. On the tide flowing, these two tugs endeavoured to tow the vessel off; but their efforts to do so proved unsuccessful, and as the tide was driving the barque against the higher part of the sand, the master requested the Ramsgate men, who had remained by the vessel in case further help should be required, to take a letter ashore to the Italian Consul. The tug and Life-boat went ashore with this letter, and were requested by the Consul to return to the barque and assist to get her afloat. They thereupon again proceeded to the vessel, and by means of laying out an anchor and towing, in conjunction with the other tugs, the barque was eventually got off the sand, and taken by the London tugs to Gravesend, three of the Ramsgate Life-boatmen

remaining on board the vessel to assist. The Ramsgate steamer and Life-boat arrived back at their station at 8.30 A.M. on the 27th inst.

The barque was the *Prospero*, belonging to Genoa, bound from Newcastle to Constantinople, with a cargo of coal. The Broadstairs Life-boat also put off and remained near the vessel, ready to help if required.

Jan. 28.—Signals of distress were observed to be shown from a vessel opposite No. 31 Tower, Winchelsea. The wind was blowing from the S.S.W., accompanied by thick rain, and a heavy sea was breaking at the time. The Winchelsea Life-boat *Storm Sprite* put off, and succeeded in saving the crew, consisting of 6 men, from the vessel, which proved to be the schooner *Fearless*, of Guernsey, bound thence to London with a cargo of stone. All her sails had been blown away, and she had stranded, and was likely to become a wreck.—Expense of service, 11*l.* 9*s.*

Feb. 7.—Voted 206*l.* 10*s.* 6*d.* to pay the expenses of the Life-boats at Margate, Newburgh, Douglas, New Brighton, Walmer, Bull Bay, Kingsdowne, Burnham, Greencastle (Londonderry), Porthdinllaen, Great Yarmouth, Padstow, Broadstairs, Deal, and Rye, in assembling their crews or putting off to the aid of vessels not ultimately requiring their assistance.

The Ramsgate Life-boat had been taken out on two occasions, in reply to signals of distress, but her services had not eventually been required.

Feb. 19.—At 5 P.M. a schooner was observed at anchor, in a very dangerous position, off Ennish-owen Head. The wind was blowing strongly from the S.S.W., and the sea was very heavy. The Greencastle Life-boat went off to her assistance, and brought the crew, consisting of 5 men, ashore. The vessel proved to be the schooner *Mary Elizabeth*, of Beaumaris, bound from Worlington to Londonderry, with a cargo of bar iron; she had two anchors out, but was labouring very badly, and had lost her fore-topmast and head gear. When the Boat reached the spot, she had much difficulty in going alongside, as the main boom of the vessel was flying about in all directions, her crew being quite unable to haul it amidships and secure it.—Expense of service, 14*l.* 16*s.*

Feb. 27.—The Cruden Life-boat *Peep o' Day* was launched at about 3.30 A.M., and rescued the crew, consisting of 3 men, from the schooner *Blossom*, of Aberdeen. This vessel had missed stays in the bay, and had gone ashore on Cruden Sands. It was extremely dark at the time, and there was a surf on the sands. The Life-boat crew are reported to have mustered promptly and performed this service in the most satisfactory manner.—Expense of service, 14*l.* 12*s.*

Feb. 27.—This evening flare-up lights were seen to the westward of Selsey Bill. The wind at the time was blowing a strong gale from the S.W. The Selsey Life-boat *Four Sisters* was launched, and proceeded to the vessel, which was found to be the barque *Sueine Meinde*, of Pillau, North Germany, bound from that port to Falmouth, with a cargo of wheat. She had stranded on the "Streets," had lost her rudder, and was half full of water. The Life-boat remained alongside for some hours, but as there was no chance of the vessel being got off, the crew of 10 men were taken on board the Life-boat, and brought safely ashore.—Expense of service, 12*l.* 16*s.*

March 1.—At about 3 A.M. a light was seen for a short time, apparently shown by a vessel off Rhosneigr. The crew of the Rhosneigr Life-boat *Thomas Linyham* assembled, and the Boat was got out; but the light disappeared, and it was thought that the vessel had proceeded seaward again. In about three quarters of an hour the

light was again observed, and the Life-boat then proceeded out in the direction in which it had been seen; but, unfortunately, before she had reached the vessel, the latter had been totally wrecked, and, owing to the darkness of the night and the heavy sea, only 1 of the crew was saved. He was found upon a small piece of rock, in a helpless condition. After having taken him on board, the Boat remained out until daylight, in hopes of being able to find some of the other men. It was afterwards stated by the rescued sailor that the cause of the light being missed was that the lamp was washed away by the sea, and it was some time before another could be obtained. The vessel was the Dutch brigantine *Elizabeth Klousterboer*, on a voyage from Falmouth to Liverpool, with a cargo of horse-beans.—Expense of service, 16*l.* 8*s.*

March 7.—In the evening the wind blew a heavy gale from the N.N.W. to N.W., and the harbour-master and Custom House officer at Scrabster were apprehensive that if the sea got heavier as the night advanced, the crews of some of the vessels which were lying too far out in the bay might be endangered. The Life-boat *Charley Lloyd*, stationed at Scrabster, therefore, proceeded out, took off the crews, numbering 13 men in all, from the *Phoenix*, of London, *Mary*, of Inverness, and *Admiral*, of Thurso, and landed them at Scrabster Quay. She then went out again, and asked all the crews of the other vessels in the bay whether they wished to be taken ashore. The crews, consisting of 7 men of the schooner *James*, of Thurso, and smack *Mary Anne*, of St. Andrew's, accepted the offer of the Life-boat, and were also safely landed. Fortunately, the whole of the vessels rode out the gale in safety.—Expense of services, 14*l.* 7*s.* 6*d.*

March 7.—Voted 71*l.* 1*s.* 4*d.* to pay the expenses of the Whitburn, Guernsey, Courtown, Lydd, Harwich, and East Wittering Life-boats, in putting off with the view of rendering aid to vessels which did not eventually need assistance.

March 8.—During a strong N.W. gale and heavy sea, the schooner *Henry*, of Whitby, appeared to be in distress. The Skegness Life-boat *Herbert Ingram* at once went off to her, and placed 2 men on board, who assisted to get the vessel safely to Boston. But for this help, the schooner would probably have been lost on the Inner Knock Sand, as no ordinary boat could have gone out to her in the heavy sea running at the time.—Expense of service, 15*l.* 5*s.*

March 21.—At about 11 p.m., signals of distress were seen just beyond the bar. There was a heavy rolling sea, and the night was very dark. The Life-boat *Grace Darling*, stationed at Holy Island, was launched, and went out to the vessel, but great caution was necessary in approaching her, as she was rolling very heavily, and every roll of the sea swept her decks. The crew of three men were holding on to the bulwarks, and they were most thankful to see the Life-boat approach, as they were in great danger of being washed away. They were eventually taken on board the Life-boat, and brought safely ashore, the vessel being left at anchor. On the following morning the Life-boat again went off, with the view of saving her, but on account of the heavy sea she was obliged to return to the shore. A second attempt was afterwards made, when the Boat succeeded in boarding her, and having received some aid from a passing tug, she was brought safely into port. She was the schooner *Dispatch*, of Sunderland, bound from that port to Kirkcaldy.—Expense of service, 14*l.* 10*s.*

March 23.—A vessel was seen ashore on the Goodwin Sands. The *Vulcan* steam-tug, of Rams-

gate, and the Ramsgate Life-boat immediately proceeded out, and steered direct for the spot. On arriving near the sand, the Life-boat was slipped, and made sail for the vessel, the anchor was let go, and the Boat veered alongside. The Broadstairs Life-boat had arrived a few minutes previously. The vessel was found to be the brigantine *Florida*, of Christiania, bound from Frederickstadt to Granville, with a cargo of deals; she carried a crew of 7 men. The master at once engaged the services of the Life-boats and steamer to endeavour to save her. The sails were then furled, an anchor was laid out, and as the tide rose, the tug backed in, and, having attached her large towing hawser to the vessel, commenced towing. After towing for about an hour, the brigantine striking heavily on the ground the whole of the time and unshipping her rudder, she was got afloat, and taken to Ramsgate harbour. The two Life-boats were taken astern, and assisted to steer the disabled vessel.

March 24.—At about 1.15 p.m. a schooner was observed running for Bideford harbour. The wind was then blowing a gale from the N., with heavy snow squalls. When between the Fairway and Bar buoys, the vessel was caught in a violent and dense snow squall, completely enveloping her for a time, and on its clearing away she was discovered to be on the South Tail Bank, surrounded by broken water. The Appledore No. 1 Life-boat was immediately launched, and succeeded in rescuing the crew, consisting of 3 men, and in landing them safely at 3.30 p.m. The vessel was the schooner *Heroine*, of Dartmouth, bound from Lydney to Fremington, with a cargo of coal. She became a total wreck. Had there been no Life-boat on this station, the shipwrecked crew would doubtless have perished in the rigging, so severe were the wind, hail, snow, and frost. It was on the same Sunday afternoon that the terrible catastrophe happened to H.M.S. *Eurydice* off the Isle of Wight.—Expense of service, 12*l.*

March 24.—The s.s. *Eagle*, of Neath, bound thence to Hayle, with a cargo of coal, in making for the harbour at the latter port, grounded on the bar, at about 9.30 a.m.; she struck heavily, knocked away her rudder, and became unmanageable. The wind was blowing strong from the N.E., and the sea on the bar was so heavy that it was impossible for any boat but a Life-boat to render assistance in case of need. The Hayle Life-boats *Isis* therefore went off to her aid, and remained by her until the tide fell, and all danger appeared to be over.—Expense of the service, 7*l.* 8*s.*

March 24.—During a heavy gale from the N., accompanied by snow showers, the schooner *Velocity*, of Nefyn, bound from Silloth to Nefyn, with coal, while at anchor in Porthdinllaen Bay, was observed to show a signal of distress. The crew of the Porthdinllaen Life-boat *George Moore* were immediately assembled, and the Boat was launched; she then succeeded in bringing the vessel's crew of 3 men safely to land. The Life-boat crew afterwards remained up all the night on the look-out, in case their services might again be needed, as it was blowing a very heavy gale.—Expense of service, 8*l.* 5*s.*

March 28.—A vessel was seen by her lights to be approaching the Barber Sand, and to lay fast on it about 7.45 p.m., when flares were immediately burned on board her. The Caister No. 1 Life-boat was launched, and on arriving at the sand, it was found that the barque *Theresa*, of North Shields, had gone ashore there. Her crew, consisting of 8 men, together with 3 of the master's children, were in the vessel's boat on the

inside of the sand, holding the boat end on with her bow to the sea. The Life-boat proceeded to the weather side of the boat to protect her from the breakers, and was thus enabled to rescue the 11 persons. The vessel became a total wreck. While this service was being performed, flares were seen in the direction of the North Scroby Sand. The Life-boat, therefore, proceeded towards the beach, and by means of signals called off the No. 2 Life-boat, when the rescued crew were transferred to that boat and taken ashore. The No. 1 Boat then proceeded in the direction in which the other signals had been seen, and found the brig *Wladiener*, of Libau, riding at anchor just off the Scroby Sand, having previously stranded on it, and driven off full of water. With difficulty the Life-boat succeeded in boarding the vessel, which was then lying over on her starboard broadside, and rescued her crew, consisting of 8 men. The boat remained by her for about twenty minutes, when the vessel sunk at her anchors.—Expense of services, 50l.

March 29.—At about 3 p.m., during a heavy gale from the N.E., the schooner *Margaret Ann*, of Carnarvon, was to be riding heavily at her anchors, and at low water she struck the ground heavily and unshipped her rudder. The *George Moore* Life-boat, stationed at Porthdinllaen, was launched through a heavy sea, and her assistance having been offered and accepted, 3 of the Life-boatmen went on board the vessel and assisted at the pumps, the boat remaining by her until high water. The vessel carried a crew of 4 men.

March 29.—During a strong gale from the E.N.E., accompanied by a heavy sea, the barge *Star of Peace*, of London, was observed in a dangerous position riding at anchor in Pegwell Bay, all her sails having been blown away. The Ramsgate harbour steam-tug *Vulcan* and Life-boat *Bradford* proceeded to her assistance. After the Life-boat had made two unsuccessful attempts to succour the distressed sailors, she sailed close alongside the barge, let go her anchor to windward, and rescued the crew of 3 men. The vessel was nearly full of water, and was striking heavily on the ground. The Life-boat then sailed towards the tug, and was towed back to her station.

March 29.—During a storm and tremendous sea, accompanied by blinding showers of hail and snow, the ketch *Greyhound*, of Porthcawl, was observed running for St. Ives harbour. The Life-boat *Covent Garden* was launched and proceeded towards the vessel, and after most strenuous efforts on the part of the Life-boatmen they succeeded in getting alongside her. They then ran warps from the pier to the ketch, and were thus enabled, after great exertions, to assist in getting her into a place of safety. She had a crew of 3 men.—Expense of service, 10l. 8s.

March 29.—The smack *Lady of the Lake*, of Portsmouth, was seen to show signals of distress off High Peak. A strong E. to E.N.E. gale was blowing at the time, accompanied by snow. The Life-boat *Rimington*, stationed at Sidmouth, put off to her aid, and found that 3 of her crew had taken to their small boat, and were drifting on the lee shore into the heavy breakers. The Life-boat took these men from the boat, which was shortly afterwards upset in the surf. The master having remained on board the vessel, the Life-boat went to his aid, but he still refused to leave; and after remaining for some time the Boat proceeded ashore and landed the 3 men at Exmouth, it being impossible for her to reach her own station in the teeth of the gale.

In the evening a signal of distress was shown from the smack, whereupon the Exmouth Life-boat *Victoria* was taken by land to Budleigh Sal-

terton and launched. She proceeded to the vessel and found that the master now wished to leave the vessel. He was therefore taken into the Life-boat, and brought safely ashore.—Expense of services, 31l. 6s.

March 29.—The *Van Kook* Life-boat at Deal put off during a gale from S.E. by E., and rendered assistance to the distressed barque *Royal Arch*, of Sunderland.

March 29.—The sloop *Olive Branch*, of Cardiff, exhibited a signal of distress while off Watchet on the coast of Somerset. The Life-boat *Joseph Somes* immediately proceeded to her assistance, and by skillful management succeeded in getting alongside to leeward of the vessel, when the crew, consisting of 3 men, jumped into the boat, and were brought safely ashore. The severity of the gale had caused the vessel to drag her anchors, and she had stranded at Warren Shore, about one mile from Watchet. She was bound from Shirehampton to Newport, in ballast. The Life-boat had previously been out to the stranded trow *Rose*, of Gloucester, but the crew of that vessel were saved by the coastguard and fishermen by means of life-lines, &c., the water being too shallow for the Life-boat to approach the wreck.—Expense of service, 11l. 16s.

March 30.—During a N. wind, and a heavy ground sea, rockets were fired from a ship in distress near the New Romney Life-boat Station. The *Dr. Hutton* Life-boat was launched, and boarded the vessel, which proved to be the barque *Elizabeth and Catherine*, of Sunderland, bound thence to Alexandria, with a cargo of coal. She was leaking, and was close to the shore, but in no immediate danger of breaking up, as the tide would eventually leave her. At the master's request the Life-boat remained by her for nearly three hours, and then returned ashore, the vessel being upright and in no danger of capsizing. The barque was subsequently, after several attempts, towed off by three steam-tugs.—Expense of service, 15l. 15s.

April 4.—Voted 100l. 11s. 9d. to pay the expenses of the Life-boats at Berwick-on-Tweed, Sutton, Braunton, Bembridge, Donna Nook, Cleethorpes, Deal, Yealm, and Yarmouth, in either assembling their crews or launching to the aid of vessels not eventually requiring assistance.

The Ramsgate and Caister Life-boats had also been taken out with the view of assisting vessels in distress.

April 6.—At about 7 a.m. the s.s. *Spartan*, of Rotterdam, bound from Hamburg to London, with a cargo of sugar, grounded on the Hasborough Sands during a dense fog. On the following morning, the fog having cleared, the vessel was discovered, and the Palling No 2 Life-boat, the *British Workman*, and a yawl, put off to her assistance, and remained by her all day. In the evening the yawl took off 3 of the crew and landed them at Palling, the Life-boat still lying by the vessel, the remainder of the crew (10 men) having been taken on board the Boat. The steamer ultimately floated; sail was then made, and with the aid of the Life-boat she was beached at Winterton at 2.30 a.m. on the 8th April; she, however, became afterwards a total wreck.—Expense of service, 12l. 10s.

April 13.—The brigantine *Cygnat*, bound from Silloth to Dundalk, with a cargo of coal, was driven ashore in Dundry Bay during a strong S.E. gale. The *Memorial* Life-boat, stationed at Tyrella, co. Down, put off to her assistance, and with some difficulty and danger, owing to the strength of the gale and the heavy seas breaking over the vessel, succeeded in rescuing the crew, consisting of 4 men.—Expense of service, 15l. 4s. 6d.

April 20.—The brig *Eliza*, of Shoreham, bound from Stockholm to Sunderland with deals and iron, drove on shore a little to the northward of Whitburn Steel. Signals of distress were shown, and the Coastguard at once attended with the rocket apparatus, while the crew of the *Thomas Wilson* Life-boat, stationed at Whitburn, was also mustered. The rockets failing to effect a communication, horses were obtained, and the Life-boat was taken a long distance to the southward before she could be launched, it being nearly low water. Eventually she succeeded in reaching the vessel, and brought the crew, consisting of 9 men, safely ashore.—Expense of service, 17*l.* 10*s.*

April 22.—During a strong E. wind a vessel was observed on shore on the Hasborough Sands. The Palling No. 2 Life-boat *British Workman* was launched, and found she was the brig *Jeanne d'Arc*, of Trouville, bound to that port from Christiansand, with deals and battens. With the aid of a steam-tug and the Life-boat the brig, which had sustained much damage, was got afloat and taken to Yarmouth harbour. She carried a crew of 12 men.

April 24.—At 5 p.m. it was reported by Arklow Coastguards that a vessel was on the Arklow Bank. The Life-boat was launched, and taken through a very heavy sea over the bar, the wind being E.N.E., and the tide being ebb. She then proceeded to Mizen Head, where she was anchored about midnight. At about 1.30 a.m. got sail on the Boat, and proceeded to the Arklow Bank, where, at daybreak, the vessel was seen about two miles to leeward. The Life-boat went outside the bank to the barque, and anchored under her port quarter, when a sea filled the boat. The vessel's crew then veered out a cork fender, but the line broke; a second fender was then veered out, to which a hawser was attached, but the Life-boat filled a second time, when she attempted to get close to the vessel, and shipped a sea fore and aft, washing the coxswain overboard. He was not missed for a time, but happily, though with some difficulty, he was eventually rescued. The Boat was afterwards again overwhelmed by the heavy seas, and the crew, believing it to be impossible for them to reach the vessel then, from the state of the sea and the long exposure they had undergone, it was considered best to return ashore and get a fresh crew. The boat reached Arklow at about 9.30 a.m., when a fresh crew immediately manned her, and proceeded under a double-reefed foresail to Arklow Bank on the first of the flood tide, the wind still blowing very hard from the E.N.E. The Boat was again filled twice in attempting to cross the bank. Her head was then turned to the shore, five tacks were made, and eventually she was got through the Mizen Swash, when she ran before the wind to the barque, and let go her anchor under the vessel's quarter. The Boat was filled twice, her crew being drenched, but they succeeded in getting a grapnel astern and a line from the ship, and in this manner were enabled to take on board the vessel's crew, consisting of 15 men, and safely landed them at Arklow at 6.15 p.m.—Expense of service, 62*l.* 2*s.*

April 25.—At 11.30 a.m. the s.s. *Montagu*, of Liverpool, was observed ashore on the south side of the East Bar Channel, at Wexford. The *Civil Service* Life-boat was at once launched, and was taken in tow by the steam-tug *Ruby*, which had been to the assistance of the stranded vessel, but had been unable to communicate with her. Having been placed to the windward, the Life-boat proceeded under oars, the sea running high, and got safely under the lee side of the vessel. It was desired that the Boat should take off the passengers; and this was done. The master and crew, hoping

that the weather would moderate, and that they might get the ship afloat at next high water, resolved to remain on board until then. The Life-boat was got clear of the vessel, and after a strong pull to windward was taken back to her station by the tug, on board which the passengers, consisting of 4 men, 8 women, and 6 children, were placed and taken safely to Wexford.—Expense of service, 9*l.* 1*s.* 6*d.*

The Silver Medal of the Institution was voted to Mr. MARCUS BOYLE, Coxswain of the Life-boat, in recognition of his gallant services on this and previous occasions. He has performed the duties of coxswain for many years, and during that period he has rendered many important services.

May 2.—Voted 4*l.* 16*s.* 6*d.* to pay the expenses of the Life-boats at Arklow, Blakeney, Wicklow, and Winterton, in proceeding out to vessels not ultimately needing assistance.

The Scarborough Life-boat had also been taken out to the aid of a fishing coble, but her services were not ultimately needed.

May 8.—The Cullercoats Life-boat *Palmerston* was launched to the aid of several fishing vessels which had been overtaken by a heavy sea, rendering it dangerous for them to cross the bar in returning to port. The Boat remained some time afloat assisting the boats into harbour.

May 8.—The fishing coble *Sarah*, of Scarborough, which had gone out at about 3 a.m., was caught in a gale from the E.S.E. which subsequently sprang up, and at about 8.30 she was seen making for the harbour. The sea had risen very much, with a great deal of broken water towards the shore, and as the coble was in great peril, the Scarborough Life-boat *Lady Leigh* was launched. The crew of the coble, consisting of 3 men, were taken into the Life-boat, and their boat was then towed safely into harbour.

May 8.—Two fishing vessels, the *Eliza* and the *James and Sarah*, belonging to Scarborough, were seen to be making for Whitby harbour, during a strong S.E. breeze. The sea being very heavy, it was impossible for them to enter the harbour safely, while they could not remain at sea without great risk to the lives of the crews. The Life-boat *Robert Whitworth* was therefore launched, and proceeded to the boats and took off the crews, consisting of 2 men from each coble. One of the boats afterwards sank; the other, with the aid of the Life-boat and crew, was eventually landed on the beach.—Expense of service, 9*l.*

May 11.—At about 11.30 a.m. a small vessel was reported to be in distress outside Drogheda Bar. The crew of the Drogheda No. 2 Life-boat *John Rutter Chorley* were assembled, and the Boat was launched as quickly as possible and proceeded out to the vessel. On nearing the wreck, it was found that she was sinking, and it was seen that her crew, 2 in number, had been compelled to take to their own boat. The Life-boat went after them and took them safely ashore. The vessel proved to be the smack *Thom*, of Chester, bound from Bangor to Dublin with slates.—Expense of service, 8*l.* 2*s.*

May 23.—The brig *Garland*, laden with 500 tons of coal, bound from South Shields to London, went ashore on the Gunfleet Sands, about S.S.W. of Clacton-on-Sea pier, this morning. The wind was blowing hard, and although no signals of distress were hoisted by the brig (owing, it was afterwards discovered, to her having none on board), the representatives of the Local Committee considered it necessary for the Life-boat to put off to her, feeling almost sure that she would not come off the sands again, and that the crew must leave her. The *Albert Edward* was launched about 10 a.m., reached the brig about 1 p.m., and found

her fast filling with water and breaking up. The crew of 6 men and 3 boys were at once taken into the Life-boat and safely landed at Clacton-on-Sea. A large number of persons were on the pier to welcome the return of the Life-boat.—Expense of service, 9l. 4s.

June 5.—At 4 A.M., during squally weather, a vessel was observed ashore on Horsey Beach, Norfolk. The Palling No. 1 Life-boat, the *Parsee*, proceeded to her through a heavy sea, and found she was the brig *Golden Plover*, of Sunderland, on a voyage from that port to Bari, Gulf of Venice, with a cargo of coal and bricks. She carried a crew of 10 men, who were taken into the Life-boat and brought safely to land.—Expense of service, 13l. 11s. 6d.

June 6.—Voted 126l. 15s. 6d. to pay the expenses of the Balbriggan, Lowestoft, Montrose, Carmarthen Bay, Pembrey, Broadstairs, Dover, New Romney, Lydd (Dungeness), and Hythe Life-boats, in either assembling their crews or proceeding to the aid of vessels which did not ultimately require their assistance.

The Newbiggin Life-boat had also proceeded out to the aid of a distressed fishing coble.

July 4.—Voted 10l. to pay the expenses of taking out the Winterton Life-boat on the occasion of the wreck of the brig *Golden Plover*, of Sunderland.

The Ramsgate Life-boat had also proceeded out on two recent occasions in reply to signals of distress, but her services were not eventually required.

July 30.—Signal guns were fired from the Gull Lightship. The Ramsgate harbour steam-tug *Vulcan* and Bradford No. 2 Life-boat were manned as quickly as possible, and proceeded direct for a vessel which was observed ashore on the N.N.W. part of the Goodwin Sands. On arriving alongside, the services of the Life-boat and steamer were at once engaged. A boat from Deal, with two men, had previously arrived, and another Deal boat subsequently came up. The crew of two men of the last-named boat went on board the vessel, but finding that their services were not required, they were about to get into their boat again, when it was found that she had been stove and filled with water. They then waded through the surf to the other boat, and on the tide flowing, the four men attempted to get that boat off the sand, but, owing to the heavy sea, she was also stove and filled. The men then waded up to their waists in water towards the vessel, and, on their perilous situation being observed, the ship's boat was lowered by the Life-boatmen, and they were brought safely on board. As the tide flowed, the wind and sea increased, and the steamer, which had been riding near the vessel, then attached her towing hawser and commenced towing, but after some time the rope broke. A larger towing hawser was then made use of, and eventually the vessel came afloat, and was taken into Ramsgate harbour. She was the brigantine *Donna Maria*, of Swansea, 123 tons, from Burntisland to Cherbourg, with coal. Her crew consisted of 6 men.

July 30.—At 4.30 A.M., during a strong N. wind and heavy sea, the Broadstairs Life-boat *Samuel Morrison Collins* was launched in reply to signal-guns fired from the Gull Lightship. On arriving at the Goodwin Sands, the schooner *Star of the West*, of Bridgwater, was found ashore there. The Life-boat, with great difficulty, succeeded in getting her off the sand, and took her, with her crew of 5 men, safely into Ramsgate harbour. The boat sustained much damage in the performance of this service.

Aug. 1.—Voted 33l. 7s. to pay the expenses of

the Life-boats at Brancaster, Isle of Arran, Broadstairs, and Deal, in either assembling their crews or putting off to the assistance of endangered vessels, which did not ultimately need the services of the Boats.

Aug. 23.—The brigantine *Frances Mary*, of Drogheda, stranded on Drogheda Bar during a heavy E. gale, accompanied by a rough sea. The Drogheda Life-boat *John Rutter Chorley* proceeded to her assistance, but only 1 of the crew then came ashore in her, the others desiring to remain by their vessel in hopes that she might not become a wreck. At low water, however, they were compelled to leave her, and landed in their own boat at great risk. The vessel subsequently became a total wreck. She was bound from Ayr to Drogheda, with coal, and carried a crew of 4 men.—Expense of service, 8l. 4s.

Sept. 5.—Voted 47l. 18s. to pay the expenses of the Life-boats at Caister, Deal, Porthdinllaen, Sutton, and West Hartlepool, in either assembling their crews or putting off in reply to signals of distress exhibited by vessels not ultimately requiring assistance.

Reported that the Ramsgate Life-boat had again proceeded on different occasions to the aid of vessels in distress, but that her services had not been eventually needed.

Sept. 12.—About fifty fishing-boats, which were lying at anchor in Whitby roads, were in great danger of being driven ashore, on a gale from the N. suddenly springing up. Part of their crews had landed with their fish, and as they were unable to get back to their vessels, the Life-boats *Robert Whitworth* and *Harriet Forteach* were launched, and put some of the crews on board their boats. By that time the wind and sea had increased in violence, and four of the craft drove ashore, but their crews were fortunately rescued; the majority of the boats slipped their anchors and ran south. The Life-boats remained out about two hours, and ultimately the *Robert Whitworth* succeeded in saving 2 men from the boat *Welcome*, of Hartlepool. About ten minutes after the men were taken out of her, the boat foundered.—Expense of services, 17l. 15s.

Sept. 12.—The Life-boat *Hannah Somerset*, stationed at Staithes, Yorkshire, went out to the assistance of several fishing cobbles which had been overtaken by a sudden gale from the N., accompanied by a heavy sea, and were in great danger. She conveyed ropes, anchors, &c., by which means several of the cobbles were saved. Three of the boats, however, were driven on shore, and were totally wrecked.

Sept. 12.—During a very strong gale from the N., accompanied by a heavy sea, at 5 P.M., the fishing sloop *Sally*, of Wells, Norfolk, was making for that harbour when her mainsheet and boom gave way, and she was driven on the East Sands. The "Penny Readings" Life-boat *Eliza Adams*, stationed at Wells, was launched, and was towed by a steam-tug as far as the sands; she then proceeded to the sloop, and succeeded in saving the crew of 4 men.—Expense of service, 9l. 10s.

Sept. 15.—Several of the large herring boats belonging to Newbiggin, Northumberland, were lying at anchor in the bay when a very violent gale suddenly sprang up, the sea rose very rapidly, and they were in great danger of sinking at their moorings or of being driven on the rocks. Their crews, who were ashore, were totally unable to go out to them in the small boats or cobbles generally used by them. The Life-boat was accordingly brought into requisition, and the fishermen taken out to their boats, which were then safely got out of the bay or into shelter, with the exception of one, which was stove on the rocks.

Sept. 16.—At 1 p.m., a vessel was observed about eight miles off Douglas Head, Isle of Man, showing signals of Distress. The wind was blowing a whole gale from the W. at the time. The Douglas No. 2 Life-boat *John Turner-Turner* immediately put off to her assistance, and found it was the brigantine *Delhi*, of Belfast, 128 tons register, bound from Poole to Runcorn with a cargo of china clay. Her decks were completely swept by the sea; she was leaking badly, and was apparently foundering. Her crew of 6 men were in a most exhausted condition, having been hard at work at the pumps for some time, and were with difficulty clinging to the rigging. The Life-boat with great difficulty succeeded in getting close to the vessel, took the men off, and landed them at Douglas at 8.30 p.m. The vessel subsequently foundered.—Expense of service, 14l. 7s.

Sept. 16.—A very severe W. gale was experienced this day at Thurso, N.B. About nineteen sailing vessels and two steamers were lying in Crabster roadstead at the time. Some of them had anchored far out beyond the proper anchorage-ground, and in the afternoon were riding very heavily, and apparently dragging their anchors. The *Charley Lloyd* Life-boat put off to their assistance, and brought ashore the crews, consisting of 10 men, from the brigantine *St. Helen*, of Carnarvon, smack *Maggie*, of Sunderland, and smack *Ann*, of Berwick. The Life-boat was then kept afloat in Crabster harbour, and her crew remained in attendance in case their services should be again required. Later in the afternoon some of the other vessels showed signals of distress, and the Life-boat proceeded to their assistance, and brought ashore 31 persons from the schooners *Eva*, of Runcorn; *Unionist*, of Berwick; *Jane Shearer*, of Thurso; *Ann*, of Runcorn; *Lark*, of Aberdeen; *Phœnician*, of Corrin; and *Caroline Marton*, of Dumfries. The Life-boat finally landed at about 8.30 p.m., having been out five times during the day.—Expense of services, 31l. 6s. 6d.

Sept. 18.—The barque *Charles Challoner*, of Fleetwood, bound for that port from Quebec, with timber, was endeavouring to make the harbour in tow of a steam-tug; but the steamer was not sufficiently powerful, as the wind was blowing a gale from W.N.W. at the time, and about midnight the barque was driven on to Bernard Wharf, a sandbank about a mile eastward of the Wyre Light. Her crew of 19 men leaped on board the tug, but a boy still remained on the vessel, he being unable to escape in that way. As the steamer dared not approach any nearer to the stranded ship, signals of distress were shown, in response to which the Life-boat *Edward Wasey* put off, went alongside the vessel, and succeeded in rescuing the boy.—Expense of service, 13l. 5s.

Sept. 22.—During a heavy gale from S.S.W. the smack *Wasp*, of Belfast, had her sails blown away, and drove ashore at Ringmore, in Dundrum Bay. The *Memorial* Life-boat, stationed at Tyrella, put off to her assistance and rescued the crew, consisting of 3 men. The vessel was bound from Troon to Newry with a cargo of coal.—Expense of service, 10l. 2s. 6d.

Sept. 22.—During a S. gale with thick rain squalls a vessel was observed ashore on Salthouse Bank off the Lancashire coast, and showing signals of distress. The Lytham Life-boat was launched, and on arriving alongside found that she was the *Emerald Isle*, bound from Drogheda to Preston, with a cargo of oatmeal. At the request of the master, the Boat remained by her during the day, and at the night's tide a hawser was got out and the smack was hauled into deep water. The Life-boat returned ashore at 10 p.m., after being absent from her station about twelve hours.

Sept. 30.—A boat containing three pilots put off from Montrose to a Norwegian barque, and one of the men was placed on board the vessel. The boat then returned towards the shore, but the wind having freshened, it was found impossible to cross the bar. As she was in great danger, the Montrose Life-boat *Mincing Lane* was launched to her assistance, remained by her until the tide rose, and eventually brought her and the 2 men (1 of whom was the Coxswain of the Life-boat) safely ashore.—Expense of service, 4l. 15s.

Oct. 2.—The smack *Swallow* was observed off Borough Head, Wigtonshire, dimasted, and in danger of being driven on the rocks. The Whit-horn Life-boat *Charlie Peek* put off to her assistance, but before she could get near the *Swallow*, another vessel arrived and took her in tow towards Drumore. The Life-boat was hailed to follow, and she assisted in passing a fresh tow-rope, as the one in use had nearly parted.—Expense of service, 7l. 13s.

Oct. 3.—Voted 70l. to pay the expenses of the Runswick, Tenby, Troon, Palling, and Campbelltown Life-boats, in either assembling their crews or putting off in reply to signals of distress shown by vessels which did not ultimately need the services of the Boats.

Oct. 7.—A very heavy S.S.W. gale was experienced at Fishguard. Several vessels were lying at anchor in the roadstead, one of which, the schooner *Charlotte*, of Portmadoc, was anchored very far out, and fears were entertained for her safety. In the afternoon she was seen to drag her anchors and drift on to the Cow and Calf Rocks. At about 6.30 p.m. she hoisted a signal of distress, and the Life-boat *Sir Edward Perrott*, stationed at Fishguard, put off to her assistance, and soon arrived alongside the vessel. In the meantime, however, the crew, consisting of 4 men, had got on the Cow Rock, and great difficulty was experienced in getting them into the Life-boat. As soon as they were taken on board, an attempt was made to return to the shore, but as the Boat had to pass through a narrow opening between the mainland and the rock, through which there was a very heavy run of tide, the wind being dead against her, it was found impossible to make headway; and she therefore had to run into Pwll Hir for shelter. She remained there for some hours until slack water, when another effort to pass through the sound was made; but when nearly through, the Boat was met by such terrific gusts of wind that she was driven back, and had again to seek shelter at Pwll Hir. After waiting there a long while, the gale slightly abated, and another attempt was made to pass through the channel, fortunately this time with success. The Life-boat men were very much exhausted on reaching the shore, having been out in the Boat nine hours, and were thoroughly wet, the rain having been pouring in torrents during the time they were at Pwll Hir.—Expense of service, 22l. 10s.

Oct. 9.—The barque *Carn Tual*, of Liverpool, sailed from Maryport on the 6th October, and on the 9th, at 9 p.m., she was observed to be showing signals of distress, at which time she was riding in the Solway between Robin Rigg and Dunrugh Banks, with loss of one anchor. A strong S. to W.S.W. gale was blowing, and the sea was very rough. The Maryport Life-boat *Henry Nixon* proceeded out, but as the barque had no lights up, she was unable to find her, and after searching for her in vain for 5½ hours she returned ashore. At 9 a.m. on the following day the Life-boat went out again in tow of a steam-tug. She then found the vessel and brought ashore 9 men, one of whom had meanwhile become insane through

fear; the master and mate, however, refused to leave their ship.—Expense of service, 22l. 10s.

Information of the vessel being in distress was also received at Whitehaven, and at about 11.30 A.M. the Life-boat *Elizabeth*, stationed at that port, proceeded to her assistance, in tow of a steamer. The barque was reached, and 12 of the steamer's crew were put on board her, when she was taken in tow and brought safely into Whitehaven.

The Silver Medal of the Institution was awarded to Mr. JOHN WEBSTER, Coxswain of the Maryport Life-boat, in recognition of his gallant services in the Boat on this and several former occasions.

Oct. 10.—A telegram was received at Abersoch, Carnarvonshire, from Barmouth, stating that a vessel was in distress, riding at anchor dangerously near to St Patrick's Causeway, and that it was impossible for the Barmouth Life-boat to go to her aid, as the gale was blowing right in there. The Abersoch Life-boat *Mabel Louisa* was launched as quickly as possible, and proceeded to the vessel, which proved to be the barque *Dusty Miller*, of Liverpool, bound from St. John's to Holyhead with a cargo of timber. On arriving by her, the master requested that the Life-boat would stay alongside until the weather moderated. She accordingly remained by her during the night, and at about 6.30 on the following morning a steam-tug from Portmadoc came up, took the barque in tow, and brought her into St. Tudwall's Roads. The wind was blowing a gale from W.S.W. during the performance of this service, accompanied by a heavy sea.

The Second Service Clasp of the Institution was presented to the Rev. OWEN LLOYD WILLIAMS, Honorary Secretary of the Branch, in recognition of his gallant services in the Life-boat on this and on other occasions.

Oct. 18.—Signals of distress having been observed, the Selsey Life-boat *Four Sisters* was launched, and proceeded to the Royal Mail steamer *Elbe*, which had gone ashore on the Puller Bank during a strong E. wind and hazy weather. The Life-boat remained by her until the following morning, when she got off and proceeded on her voyage.

Oct. 28.—At 4 A.M., during a fresh westerly wind, signals of distress from the North Hasborough Sands Light were heard. The Palling Life-boat *British Workman* proceeded out, and, when about three miles from the land, picked up a ship's boat containing 6 men. They proved to be the crew of the schooner *Smithfield*, of Aberdeen, bound from that port to London with stone, which vessel had stranded on the Hasborough Sands during the night. The master had been left on board the schooner, and the Life-boat therefore proceeded towards her, and with much difficulty succeeded in rescuing him from the rigging, the vessel having sunk. The Life-boat then made for her station, and arrived at about 2 P.M., having been engaged ten hours in rendering this service.—Expense of service, 27l. 14s.

Nov. 6.—Flare lights having been seen in the direction of the Cross Sand, the Caister No. 1 Life-boat *Covent Garden* proceeded out, and found the fishing-smack *Mystery*, of Great Yarmouth, just off the sand. She was partly dismantled, and had been abandoned by her crew. The Life-boatmen boarded her, set sail, and took her into Yarmouth Roads, where she was anchored until the following morning. At daylight a steam-tug was engaged, and towed her into Yarmouth harbour. It was subsequently ascertained that her crew had got on board another fishing-smack. The wind was blowing strongly from the N. at the time, accompanied by squalls, and the sea was very heavy on the sand.

Nov. 7.—Voted 173l. 9s. to pay the expenses of the Life-boats at Porthdinllaen, Holyhead, Portmadoc, Fleetwood, Kingsdowne, Deal, Southport, Chapel, Great Yarmouth, Donna Nook, Broadstairs, and Ramsey, in assembling their crews or putting off to the assistance of vessels showing signals of distress, but which did not eventually require the aid of the Life-boats.

The *Ramsgate*, *Cullercoats*, and *Eastbourne* Life-boats had also been taken out in reply to distress signals, but their services were not ultimately needed.

Nov. 8.—A very heavy gale from the N.E. sprang up at about 10 A.M., and several fishing cobs which had gone out from Newbiggin at 4 o'clock, when it was quite calm, were in very great danger. At 1 P.M. the storm increased to such an extent that it was deemed advisable to launch the Life-boat, four of the cobs not having returned to port. The Life-boat *W. Hopkinson of Brighouse* accordingly proceeded out, and accompanied the boats round Newbiggin Point and into the bay, the presence of the Boat being a great encouragement to the men in rounding the point.

Nov. 8.—At about 3 P.M. the Rhyl Life-boat *Jane Dalton* proceeded to the aid of the sloop *Raven*, of Liverpool, which had lost her mainsail, and, becoming unmanageable, had been driven ashore at Plasirion Point. The vessel's crew of 3 men were taken into the Life-boat, and safely landed at Rhyl about 3.45. She was bound from Llanddulas to Liverpool with limestone.—Expense of service, 13l. 0s. 10d.

Nov. 8.—The Gorseston Life-boat *Leicester* went to the assistance of the brigantine *Old Goody*, of Faversham, which had been in collision in the roads. Some of the Life-boatmen went on board, and with the help of a steam-tug the vessel was brought safely into the harbour. She carried a crew of 8 men.

On the same day, the Boat again proceeded out during a heavy N.N.W. gale, and, with the aid of a steam-tug, brought the schooner *Zephyr*, of Montrose, safely into harbour. She had lost her anchor and chain, her sails had been blown away, and she was leaking, having been on one of the sands. She had a crew of 5 men, and was loaded with cement.

Nov. 9.—The *Admiral Fitzroy* Life-boat, stationed at Anstruther, rescued the crew, consisting of 4 men, from the s.s. *Dryad*, of Glasgow. The vessel was on a voyage from Montrose to Campbelltown, with barley, and when near the entrance of the Forth, during hazy weather, her machinery was disabled. She then made for the land under sail, but went ashore amongst the rocks, the water being low at the time. When left by her crew, she was fast filling with water, and was likely to become a total wreck.—Expense of service, 14l. 10s.

Nov. 9.—The Caister No. 2 Life-boat *Godsend* went out in reply to signals of distress, and assisted to save the schooner *Milky Way*, of Fraserburgh, which was in a dangerous position close to the Barber Sands, during a very strong northerly gale and heavy sea. The vessel was on a voyage from Ystero to London, with barley, and carried a crew of 4 men.

Nov. 10.—At about 4 A.M. signals of distress were seen from a vessel on the Holm Sand, near Lowestoft. The Lowestoft No. 1 Life-boat *Samuel Plimsoll* was launched, and on reaching the sand found the s.s. *Gorm*, of Copenhagen, ashore there. The Boat went alongside her, took off her crew of 21 men, and safely landed them at Lowestoft at about 7.15. The vessel was bound from Rigga to London with oats.—Expense of service, 25l. 10s.

Nov. 10.—The schooner *Margaret*, of Goole, while riding off Thorpness, Suffolk, during a S.S.W. gale, was observed to drag her anchor. She slipped her cable, but her rudder chains broke, she became unmanageable, and drove on to the rocks. The Thorpe Life-boat *Ipswich* went to her assistance, and succeeded in rescuing her crew of 5 men, and landed them at Sizewell. The vessel became a total wreck.—Expense of service, 16*l.* 10*s.*

Nov. 13.—At 3 A.M., during a fresh breeze from the E.N.E., signals were fired from the *Gull* light-ship, in response to which the *Bradford* Life-boat, of Ramsgate, and steam-tug *Aid* proceeded to the sands, and found a barque ashore there. The Life-boat was slipped from the tug and sailed towards the vessel. Some of the Life-boatmen boarded her, and the master at once requested them to assist to get her off. Part of her ballast was thrown overboard to lighten her, and on the tide flowing, the headsail was set, the steamer backed in, and her towing hawser was attached. After towing for some time, the vessel was got afloat, and was taken into Ramsgate harbour. She proved to be the barque *Ridesdale*, of Southampton, bound from Hull to Southampton in ballast.

Nov. 14.—This morning the Caister No. 1 Life-boat was launched in reply to signals of distress, shown in the direction of the Middle Cross Sand. She sailed towards the sand, and met a boat containing 5 men, the crew of the schooner *F. Edwards*, of Grimsby. Their vessel had gone ashore on the sand, and become a total wreck, and the crew had taken to their boat, which, when met by the Life-boat, was nearly full of water, and had two oars broken. The men were at once taken into the Life-boat and safely landed at Caister.—Expense of service, 25*l.*

Nov. 8-17.—A very severe gale occurred on the Lincolnshire coast in November, its violence being experienced more or less for nearly nine days.

On the 8th, at 8.30 P.M., signals of distress were shown near Grainthorpe Haven, by the brig *Matilda*, of Laurvig, during a whole gale from the N. and a very rough sea. The Donna Nook Life-boat *North Briton* was taken along the coast a distance of about five miles, and was then launched, and succeeded in rescuing the crew, consisting of 10 men. The brig, which was bound from Laurvig to Hull with a cargo of ice, became a total wreck.

On the afternoon of the 15th, the gale then blowing very heavily, accompanied by squalls of rain, a vessel was seen drifting towards the shore at Donna Nook, which soon afterwards struck on the Hale Sand. The alarm was given at the Life-boat Station of the Institution, and the Boat was quickly got out, but before she could be launched, the vessel fortunately drifted off the sand, and by skilful manœuvring she rounded the west end of the bank and got away to sea in safety, having narrowly escaped shipwreck. A few hours afterwards, the gale having by no means moderated, signal lights of distress were shown from a vessel in the direction of Tetney Haven, and the Life-boat was again got ready; but as it was ascertained that, on account of the vast body of water in Grainthorpe Haven, she could not be got across there, rocket signals were made to the next Life-boat Station at Cleethorpes, requiring the services of their Boat. That Life-boat is named the *Manchester Unity*, she having been presented to the Institution by the Independent Order of Odd Fellows (Manchester Unity). She promptly proceeded out when the signals of distress were observed, and had to encounter a heavy gale from

the N. and a very bad sea; however, the crew persevered, and found the brigantine *Sea Flower*, of Seaham, stranded off Grainthorpe. The greatest danger was incurred in rescuing the shipwrecked men, and the Life-boat received some injury by the ship's boat being washed on to her from the deck of the vessel by the heavy seas. The anchor and cable had to be slipped, and several oars and rowing crutches were broken. However, the men did not themselves receive any injury, and they had the satisfaction of landing the whole of the shipwrecked crew in safety.

On the night of the 17th, lights, repeated in quick succession, were seen in the direction of the New Sand Light, and the Donna Nook Life-boat proceeded to sea, but the unfortunate vessel, which was found to be the *Annie*, of Montrose, had capsized, and the crew perished, long before the Boat could get to their assistance. In launching, on this occasion, great difficulty was experienced; the flood tide coming in so quickly on the flat beach that it floated the Boat off the carriage, which latter had to be abandoned until the tide turned, and some of the launchers and two of the horses had a most narrow escape from drowning, as the water was over the backs of the horses, and they were only liberated just in time. The service was one of the most trying the men had ever experienced, the horses also suffering fearfully. It was a bitter cold night, and they did not get home until four o'clock in the morning. The men had just placed the horses in the stable, and were taking off their wet clothes, when the signal gun was again fired in quick succession. Fresh horses were procured, and the Life-boat was soon off to a ship ashore near Saltfleet Haven. She was the barque *Johann Benjamin*, of Memel, bound thence to Hull with a cargo of timber; two of her masts had been cut away, and she had also lost her mizen-top-mast and jibboom, and was altogether in a most dangerous position. The Theddlethorpe Life-boat had also gone to her aid, and she took off 6 of the crew; 3 went in the Donna Nook Life-boat, but the master and mate declined to leave their ship. Soon after the Donna Nook Life-boat landed, she was once more called out, and proceeded through a very heavy sea to the schooner *Briton*, of Sandeford, bound from Charlestown to Frederikshavn with a cargo of coals, which had stranded near Grainthorpe. On reaching that vessel, it was found that the crew had been got ashore, but that they had left the signals of distress flying. There were two landsmen on board. Another vessel—the Russian schooner *Krona*—also stranded at Donna Nook while the Life-boat was at Saltfleet; her crew of 11 men were saved by some of the boatmen, with the help of three horses. The Life-boat returned to Donna Nook about 3 P.M. on the 18th, the crew having been on service then for nearly twenty-one hours; they were nearly exhausted, but showed a most brave and determined spirit, and were quite ready to go out again in the Life-boat if required, notwithstanding their condition. Too much praise cannot be given to the men who performed such noble services.—Expense of these three Life-boats, 241*l.*

Nov. 27.—At 9 P.M. signals were shown by a schooner in Lowestoft North Roads. The Lowestoft No. 1 Life-boat proceeded out in tow of a steam-tug, and brought ashore the crew of 5 men from the vessel, which was the *Zestoria*, of Colchester. She was labouring very heavily, her cargo having shifted. On the following morning she was brought into harbour.—Expense of service, 25*l.* 17*s.*

Nov. 28.—The dandy *Henry*, of Bridgwater, was seen at anchor off the Gore Sands, near Burnham,

Somerset, with a flag of distress flying. The Life-boat *Cheltenham* was launched, and on reaching her, it was found that her sails had been blown away, and that she was leaking; and as the sea was making a clean breach over her, the Life-boat, at the master's request, remained by her until a steamer came to tow her out of her dangerous position.

Nov. 23.—At about 1.50 A.M. the ketch *Escape*, of Goole, was observed making for Hartlepool, and showing signals of distress. The sea being very high, the Hartlepool No. 3 Life-boat *John Clay Barlow* put off and went towards her; but before she could be reached, she had drifted on to Middleton beach. It was found that she had 5 feet of water in her hold, and her crew, consisting of 4 men, and 3 other persons who were on board her, were therefore taken into the Life-boat and brought safely ashore. The ketch became a total wreck.—Expense of service, 12*l*.

Dec. 5.—Voted 367*l*. 10*s*. to pay the expenses of the Life-boats at Howth, Padstow, Cleethorpes, Pakefield, St. Ives, Winterton, Mundesley, Sutton, Gorleston, Clacton-on-Sea, Harwich, Margate, New Romney, Broadstairs, Porthdinllaen, Hartlepool, and Tynemouth, in either assembling their crews or putting off to the aid of vessels not ultimately needing the assistance of the Life-boats.

Dec. 19.—The Life-boat *Iris*, stationed at Carnsore, Ireland, was launched to the assistance of the dandy *Fairy*, of Wexford, which vessel is employed as tender to the Tuskar lightship. Her mast had been carried away while wearing, during a fresh N.W. wind and rough sea, and she was lying at anchor close to the Tuskar Rock, with a large

quantity of water in her. Her crew, consisting of 6 men, had taken refuge on the rock, and it was only with great difficulty that the Life-boat was enabled to take them off and bring them safely to land.—Expense of service, 14*l*. 10*s*.

Dec. 19.—The Caister No. 2 Life-boat put off and rescued the crew of 6 men from the brig *Melita*, of Blyth, which had stranded during a fresh N.W. breeze and heavy sea. The Life-boat also brought ashore 10 beachmen who had gone on board the vessel to try to save her from being wrecked.—Expense of service, 10*l*. 10*s*.

Dec. 29.—The Life-boat *Florence Nightingale*, stationed at Sunderland, rescued the crew, consisting of 4 men, from the schooner *Marianne*, of London, which was totally wrecked on Sunderland South Rocks, during a strong S. wind and heavy sea.—Expense of service, 15*l*.

Dec. 30.—At 6.30 P.M., signals of distress having been observed, the Caister No. 1 Life-boat went to the Cross Sand, and found the barque *Palmyra*, of South Shields, ashore there. Part of her crew had abandoned her in two boats, and the others were preparing to leave her. The Life-boat men boarded the vessel, and, finding only 18 inches of water in her, they decided to attempt to save her; and, with the aid of steam-tugs, she was eventually got off and taken into Yarmouth Roads.

Dec. 31.—Voted 160*l*. 11*s*. to pay the expenses of the Life-boats at Lossiemouth, Blyth, Rye, Cullercoats, Rhyl, Filey, Kirkcudbright, Great Yarmouth, Hythe, Bridlington, and Scilly, in assembling their crews or putting off in reply to signals of distress exhibited by vessels not eventually needing assistance.

SHORE-BOAT SERVICES REWARDED IN 1878.

Jan. 3.—Voted 12*l*. 10*s*. to 3 men of Lerwick, N.E., who rescued 3 persons from the smack *Teazer*, of Sandsair, Shetland, which had been caught by a squall, and had sunk off Bressay, Shetland, on the 31st October.

Also 4*l*. to 4 men of South Ronaldshay, Orkney, for saving, by means of ropes, 6 of the crew of the brigantine *Agnes*, of Fraserburgh, which was wrecked on Castle Rock, Sandwick Bay, during a storm from the W. on the 16th November.

Also 3*l*. to 5 pilots for putting off in their boat from Porthcawl, Glamorganshire, and, at great risk, transferring to the s.s. *Velindra* 9 of the crew of the barque *Johann*, of Sundsvall, which had stranded on Scarweather Sands, during a strong W.S.W. wind, on the 6th December.

Also 5*l*. to the crew of the lugger *Champion*, of Ramsgate, for saving 5 of the crew of the barque *Hannah Rathkens*, of Rostock, which vessel had gone ashore on the Goodwin Sands on the 13th December.

Feb. 7.—Voted the thanks of the Institution, inscribed on vellum, to Mr. FLETCHER, Master of the steam-tug *Hotspur*, together with 5*l*. to the steamer's crew, in acknowledgment of their services on the occasion of the wreck of the Norwegian brig *Hilding*, at Magilligan Strand, Co. Londonderry, on the 25th January. The thanks, inscribed on vellum, were also voted to Mr. JAMES McCANDLESS, and 6*l*. to 6 men who put off with him in a shore-boat and saved 4 of the shipwrecked men. The thanks on vellum were also voted to Mr. SAMUEL McCANDLESS, for his praiseworthy services on the occasion of the wreck, and especially for wading into the surf and saving 2 of the shipwrecked crew. The thanks of the

Institution and 2*l*. were also voted to Mrs. SHERBARD, who had rendered great assistance to the rescued men.

The thanks of the Institution, inscribed on vellum, and 2*l*. each were also voted to Messrs. OWEN ROBERTS, ROBERT ROBERTS, and JOHN WILLIAMS, in acknowledgment of their highly meritorious conduct in descending some precipitous cliffs and saving, by means of ropes, 9 of the crew of the steamer *Pioneer*, of Dublin, which vessel had been totally wrecked on Puffin Island during a heavy gale from the N. on the 25th January; 1*l*. 10*s*. was also granted to 2 other men who rendered assistance on the occasion.

Also 10*l*. to 7 men for putting off in a coble from Blyth, Northumberland, and saving 13 men, comprising the crew of the s.s. *Jylland*, of Horsens, Denmark, which was wrecked on Seaton Sea Rocks, during stormy weather, on the 30th December.

Feb. 15.—Two men belonging to Rossmuck, Co. Galway, rescued one man from a hooker which had been capsized by a squall in Kilkieran Bay, Ireland.—Reward, 2*l*.

March 24.—Four men at Sutton, on the coast of Lincolnshire, put off in a shore-boat and rescued the crew of 3 men from the sloop *Mercy*, of Yarmouth, which was wrecked off Sutton during a strong N.N.E. gale.—Reward, 4*l*.

April 1.—Eighteen men put off in a boat from Blakeney, Norfolk, and saved the crew of 4 men from the smack *Eulalie*, of Colchester, which had stranded while beating into Blakeney harbour, during a strong N.W. wind.—Reward, 5*l*.

April 19.—Six men put off in a coble, and saved the crew, consisting of 8 men, of the brig *Cham-*

pion, of Shoreham, which was wrecked near Robin Hood's Bay during a thick fog.—Reward, 3*l*.

May 2.—Two men rescued a man who had fallen overboard from his boat while it was in tow of the brigantine *Alcido*, off the Scilly Islands, during a fresh wind.—Reward, 1*l*.

May 7.—A Coastguard boatman at Salcombe, Devon, assisted to rescue 3 men from a Coastguard galley which had been capsized on Salcombe Bar, in a heavy sea.—Reward, 1*l*.

May 9.—The Coxswain of the Gorleston Life-boat and several other men put off in a small yawl and rescued, at some risk of life, the crew of 3 men from the brig *Sisters*, of South Shields, which was wrecked on Corton Sand during an easterly wind.—Reward, 16*l*.

May 13.—Two men put off from the fishing-smack *Eagle*, in a small boat, and saved 1 of the crew of the schooner *Reveresco*, of Wisbech, which grounded on the bar at the entrance to Yealm River in a heavy sea.—Reward, 2*l*.

June 6.—Voted 2*l*. to 3 men for rescuing the crew of 2 persons from the fishing-boat *Swan*, of Porthleven, which had been caught in a sudden gale from the W. and driven on Loos Bar on the 24th November last.

June 6.—Seven men put off in two boats, and rescued 5 persons from a boat which had been capsized off Bellville, Co. Kerry, during squally weather.—Reward, 3*l*. 10*s*.

June 20.—A boatman of Ilfracombe jumped into the sea from Ilfracombe Old Pier, and saved a boy who had fallen into the water.—Reward, 1*l*.

July 3.—Three men rescued, at some risk, 6 persons from a small boat of Newtownard, which had been capsized off Portavogie, Co. Down, while returning from Bangor Regatta.—Reward, 3*l*.

July 3.—Six men rescued 3 persons from a boat which had been capsized off Clerk's Point, near Teignmouth, Devon, during a moderate N.W. breeze.—Reward, 3*l*.

July 13.—Eight men put off in a boat, and rescued 3 persons from a pleasure boat which had been capsized off Rhyl, North Wales, in a strong N.N.W. wind and heavy sea.—Reward, 4*l*.

Aug. 11.—Seven men put off in a boat, and saved 1 of 2 men whose boat had been capsized by a heavy squall in Mulroy Bay, Co. Donegal.—Reward, 5*l*.

Sept. 14.—Two men saved 3 persons from the boat *Victoria Nyanza*, of Teignmouth, which had been capsized off that place on the 14th September.—Reward, 3*l*.

Sept. 15.—Five men put off in a boat from Tenby, during a whole gale from the S.W., with the view of saving the crews of two vessels, the *Ellu Vale*, of Cork, and *Minerva*, of Belfast, which

had been in collision in Caldy Roads, and were in a sinking condition.—Reward, 5*l*.

Sept. 17.—Six Coastguard men at Mulroy, Co. Donegal, put off in their Life-boat, and saved the crew of 3 men from the schooner *Star of the Sea*, of Preston, wrecked at Downings, Co. Donegal, during a strong W.N.W. gale and heavy sea.—Reward, 6*l*.

Sept. 20.—Eight men put off in a boat from Palling, Norfolk, and saved the crew of 8 men, and the master's wife and child, from the barque *Blue Ware*, of Blyth, which had stranded off Palling during a N.W. gale.—Reward, 4*l*.

Sept. 22.—The crew of a Gorleston private Life-boat saved the crew of 4 men from the schooner *William*, of Hastings, which had stranded on the North Sands, off Gorleston, during a strong S.W. wind and a heavy sea.—Reward, 20*l*.

Oct. 3.—Voted also an additional sum of 5*l*. to a man who had rendered gallant service in saving life on the occasion of the wreck of the fishing-boat *Swan*, at Porthleven, Cornwall, on the 24th November last, and who had suffered from illness caused by exposure incurred in performing the service.

Oct. 7.—Three men put off in a boat, and saved 2 young women whose boat had been capsized between the islands of Trondra and Papa, Shetland, during a strong S.E. wind and squally weather.—Reward 2*l*.

Oct. 24.—Thirteen Gorleston men put off in the salvage Life-boat *Refuge*, and saved the crew of 6 men from the brig *Fuchsia*, of Sunderland, which had stranded on Seroby Sand during a gale from S.W.—Reward, 10*l*.

Nov. 11.—Mr. JAMES BAKER, Chief Officer of H.M. Coastguard at Youghal, Ireland, and his crew of 5 men, put off in the Coastguard Life-boat, and saved the crew of 5 men from the cutter *Kingfisher*, of Youghal, which was dismasted off that port during a fresh gale and a heavy sea.—Reward, 3*l*. 10*s*.

Nov. 12.—Seven men put off in a fishing-boat from Thurso, N.B., and saved the crews, numbering in all 11 men, from the schooners *Antelope*, of Carnarvon; *Gowrie*, of Perth; and *Mary Alice*, of Liverpool; which were in imminent danger in the roadstead during a N.E. gale.—Reward, 7*l*.

Dec. 5.—Voted 10*l*. towards a local subscription for the relief of the widows and families of EDWARD BASSETT and two of his sons, who were drowned on the occasion of the wreck of their fishing-boat, *Jabez*, on the rocks near St. Ives, Cornwall, during a hurricane, on the 12th November. E. BASSETT was one of the St. Ives Life-boat crew, and had been out in that Boat on service on many occasions.

The following is a copy of a Handbill circulated on the Coasts of the United Kingdom by the Institution, for the purpose of informing Boatmen and others that it encourages laudable exertions to save Life from Shipwrecks:—

TO BOATMEN AND OTHERS.

To encourage prompt and energetic exertions in time of Danger on the part of Boatmen and Others, by quickly putting off to save Life in CASES of WRECKS on the Coasts of the British Isles, either by

SHORE-BOATS OR OTHER MEANS,

The Royal National Life-boat Institution

GRANTS

Rewards of Money or Medals. In all cases the Rewards are given without further delay than is necessary to obtain proof of the merits of each case, and to insure their being paid to the right parties.

Application to be made to the Secretary.

By Order of the Committee.

THE
MEDAL OF THE ROYAL NATIONAL LIFE-BOAT INSTITUTION,
 FOR THE PRESERVATION OF LIFE FROM SHIPWRECK.

Obverse.—Bust of Her Majesty Queen Victoria; beneath, in minute letters, "L. C. WYON." Double legend, "Royal National Life-boat Institution. Founded in 1824. Incorporated 1860. Victoria, Patroness."
Reverse.—Three sailors in a Life-boat,—one of whom is in the act of rescuing an exhausted mariner from the waves on a fragment of the wreck. "W. Wyon, Mint." Inscription, "Let not the deep swallow me up."

THE beautiful obverse of this medal, executed by L. C. WYON, Esq., represents the bust of QUEEN VICTORIA, Her Majesty's locks gracefully waving and gathered in a knot behind, from which issues a wreath of oak clustering over the forehead. This life-like portrait of the QUEEN, in high relief, conveys a truly pleasing and faithful likeness of HER MAJESTY at that period (1862), combining the dignity of aspect and benevolence which have always characterised the Queen throughout her long and prosperous reign.

The reverse, representing the Life-boat, in which there are three Sailors, rescuing a fourth from the sea, is a work of great merit. Two of the Sailors are steadying the boat, while the other, stooping, draws in the Shipwrecked Sailor, whose figure is given so as to show the form in the most natural manner; and the expression thrown into his countenance looking up to his preserver is supplicating in the extreme, while the easy flowing lines of this sailor are finely contrasted by those of his companions: the whole displaying a perfect knowledge of the human frame, and a command of the graver to embody what he had shadowed out to himself.

But there is another pleasing motive for admiration of this beautiful Medal, as the figure who is so humanely extending his relief to the drowning Mariner is a portrait of the Artist, the late WILLIAM WYON, Esq., R.A., himself.

The following is a LIST of the GOLD and SILVER MEDALS that have been voted by the Committee of the Institution, since its establishment in 1824, to persons whose humane and intrepid exertions in saving Life from Shipwreck on our Coasts have been deemed sufficiently conspicuous to merit that honourable distinction. The Cases will be found recorded in detail in the several Annual Reports of the Institution.

The total number of Medals granted by the Institution up to the present time is 984, 92 of which were in Gold, and 892 in Silver.

Note.—The asterisk (*) after the name denotes the reception of a Gold Medal. The figure after the name signifies the number of honorary distinctions received from the Institution. Abbreviations.—C. G^d.—Coast Guard. R. C.—Revenue Cruiser. M. M.—Master Mariner.

THE LIFE-BOAT STATION.

THE following brief description and diagrams illustrative of a complete Life-boat Establishment, including the House for the protection of the boat, will serve to convey an idea of the general character of one of the 268 Life-boat Stations of the NATIONAL LIFE-BOAT INSTITUTION.

It will be seen that it is a work of a costly nature, and that not only in the first instance, but that a large permanent expense is entailed in keeping the whole machinery in an efficient state, in the re-supply of any part of it which may be destroyed or worn out, in the exercise of the boats' crews, in launching and working the boats, and in remunerating them for their services in saving their fellow-creatures. Yet, looking to the vast importance of the result effected, and the responsibility of calling on men to risk their lives in effecting the same, it is felt that few if any persons will be found who will consider that expense to be incurred in vain.

THE LIFE-BOAT.

(See Diagrams on next page.)

The following figures show the general form, the nature of the fittings and air-chambers of one of these boats, 33 feet in length and 8 feet in breadth. In figs. 1 and 2, the elevation and deck plans, the general exterior form of the boat is shown with the sheer of gunwale, length of keel, and rake of stem and stern-posts. The dotted lines of fig. 1 show the position and dimensions of the air-chambers within board, the relieving-tubes, and ballast. In fig 2, A represents the deck, B the relieving-tubes (6 inches in diameter), C the side air-cases, D the end air-chambers, E ballast, F scuttles to admit of a free current of air under the water-tight deck, G scuttle for air, and to receive pump. In fig. 3, the exterior form of transverse sections, at different distances from stem to stern, is shown. Fig. 4 represents a

midship transverse section, A being sections of the side air-cases, B the relieving-tubes, of the same depth as the space between the deck and the boat's floor. c, c, c, c, are spaces beneath the deck, placed longitudinally, at the midship part of the boat, with cases packed with cork, forming a portion of the ballast; d scuttle for ventilation, having a pump fixed in it, by which any leakage beneath the deck can be pumped out by one of the crew whilst afloat. The festooned lines in fig. 1 represent exterior life-lines attached round the entire length of the boat, to which persons in the water may cling till they can be got into the boat; the two central lines are festooned lower than the others, to be used as stirrups, so that a person in the water, by stepping on them, may climb into the boat without assistance.

Body Plan.

Fig. 4.

Midship Section.

This Life-boat possesses in the highest degree all the qualities which it is desirable that a Life-boat should possess:—

1. Great lateral stability, or resistance to upsetting.
2. Speed against a heavy sea.
3. Facility for launching and taking the shore.
4. Immediate self-discharge of any water breaking into her.
5. The important advantage of self-righting if upset.
6. Strength.
7. Stowage room for a large number of passengers.

THE LIFE-BOAT TRANSPORTING-CARRIAGE.

The Life-boat transporting-carriage is a very important auxiliary to the boat. Every Life-boat, except a few of the larger size, is provided with a carriage, on which she is kept in the boat-house ready for immediate transportation to the most favourable position for launching to a wreck. A Life-boat is thus made available for a greater extent of coast than she otherwise would be; and even when launched from abreast of the boat-house, can be much quicker conveyed to the water's edge than she could be if not on a carriage. In addition to this ordinary use, a carriage is of immense service in launching a boat from a beach, to that extent, indeed, that one can be readily launched from a carriage through a high surf, when without one she could not be got off the beach.

The carriage consists of a fore and main body. The latter is formed of a keelway, and of side or bilgeways attached to the keelway, and resting on the main axle, the

boat's weight being entirely on the rollers of the keelway. Its leading characteristic is that, on the withdrawal of a forelock pin, the fore and main bodies can be detached from each other. The advantages of this arrangement are that, whilst the weight of the boat when she is launched from the rear end forms an inclined plane by elevating the keelway and fore-carriage, to replace her on the carriage she can be hauled bow foremost up the fore end or longer incline, by disconnecting the fore-carriage, and letting the end of the keelway rest on the ground, thus forming an inclined plane up which the boat is easily drawn. The bilgeways are needed at the rear end, that the boat may be launched in an upright position, with her crew on board, but they are not required at the fore end of the carriage.

A very full equipment of stores is supplied to the Life-boats of the Institution—such as cork life-belts, anchors and cables, grapnels and lines, life-buoys, lanterns, rockets, and many other articles, together with portable or launching-skids.

THE LIFE-BOAT HOUSE.

The boats of the NATIONAL LIFE-BOAT INSTITUTION, and all belonging to them, are kept in roomy and substantial boat-houses, under lock and key, in charge of paid coxswains, under the general superintendence of local honorary committees of residents in the several localities. Each boat has its appointed coxswain at a salary of 8*l.*, and an assistant at 2*l.* a year. The crew consists, in addition, of a bowman, and as many boatmen as the boat pulls oars. The members of the volunteer crews are registered, and wherever practicable, at least double the number of men required are entered on the register. Such men are mostly resident boatmen, fishermen, or Coastguardmen. On every occasion of going afloat to save life, the coxswain and each of the crew receive alike from the funds of the Institution (whether successful or not) 10*s.*, if by day, and 1*l.*, if by night; and 4*s.* each for every time of going afloat for exercise.

A reward of 7*s.* is given to the man who first brings intelligence of a wreck at such a distance along the coast as not to be in sight of the Coastguard Station or other look-out.

A flag hoisted by day, and the firing of a gun twice, quick, by night, are the well-known signals for calling the crew together.

On boarding wrecks, the preservation of life is the sole consideration. Should any goods or merchandize be brought into the life-boat, contrary to the coxswain's remonstrance, he is authorised to throw them overboard.

The expense of a Life-boat Station averages 900*l.*, and is made up as follows:—

Life-boat and her equipment, including Life-belts for the Crew,	
Skids, and Transporting-carriage	£600
Boat-house (average cost)	300
Total	£900

The average Annual Expense of maintaining a Life-boat Station is 70*l.*

Such is a brief summary of the chief of the Regulations under which the Life-boats are worked. How faithfully and with what result they are carried out let the journals of each Life-boat Station and the annals of the Institution tell.

The NATIONAL LIFE-BOAT INSTITUTION has now 263 Life-boats under its charge. Every one of these has been specially presented to it, and they save every year from 600 to 700 shipwrecked sailors. Altogether, the Institution has contributed to the saving of 26,051 lives.

Despite, however, this fleet of 268 Life-boats, and of 30 others locally provided and supported, and despite the numerous rocket and mortar stations on our coast, there remains the melancholy fact that an average of 700 lives are lost annually on and around our own shores alone, proclaiming solemnly, though silently, that, for humanity's sake, and for the national credit, no exertions should be spared in providing every possible means for the conveyance of succour to the shipwrecked.

The Institution needs a permanent income of about 40,000*l.* to maintain its great Life-saving Fleet; and the Committee feel assured that it will never lack it so long as it maintains its boats in the state of thorough efficiency that they are in at the present time, and manned as they are on every emergency by as fearless and noble a class of men as ever our Nelsons and Collingwoods led to battle to uphold our country's honour and glory.

LIST OF LEGACIES

PAID TO THE

ROYAL NATIONAL LIFE-BOAT INSTITUTION.

[Legacies of £50 and under are omitted after having been published two years.]

	Amount received. (Sterling.) £. s. d.
1871—ABBOTT, JOHN, Esq., Halifax (Free of Duty)	2,078 13 4
1868—ALDRED, Dr. G. E., Richmond (Ditto)	100 0 0
1877—ANDERSON, MISS MARGARET, Leamington	450 0 0
1874—ANNANDALE, ALEXANDER, Esq., Bolton, Lasswade, N.B. (Free of Duty)	199 7 6

FORM OF BEQUEST OF MONEY, STOCK, OR OTHER PERSONAL ESTATE.

I give and bequeath to the ROYAL NATIONAL LIFE-BOAT INSTITUTION for the Preservation of Life from Shipwreck, founded in 1824, London, the sum of £ _____ *for the use of the said Institution; and I do hereby direct that the same be paid exclusively out of such part of my Personal Estate as may lawfully be appropriated to such purpose, and that the receipt of the Treasurer for the time being of the said Institution shall be a sufficient discharge to my Executors for the same.*

ROYAL NATIONAL LIFE-BOAT INSTITUTION,
14 John Street, Adelphi, London,
1st May 1879.

The Royal National Life-boat Institution

Is prepared to establish and maintain a Life-boat Station on any part of the coast of the United Kingdom where it can be shown, from previous disasters, that a Life-boat is required. It is requisite that there should be a sufficient number of men (fishermen, or others accustomed to the management of boats at sea) to man the Life-boat, and a Committee formed from the residents in the neighbourhood to superintend the Station and obtain such small Annual Subscriptions as may contribute towards a portion of the expense of the Life-boat Station.

Communications may be addressed to

THE SECRETARY OF THE INSTITUTION,

14 JOHN STREET, ADELPHI, LONDON, W.C.

LIST OF GENERAL COLLECTIONS, ETC., 1878-9.

Treatment of the Apparently Drowned.

ROYAL NATIONAL LIFE-BOAT INSTITUTION.

Supported solely by Voluntary Contributions.

DIRECTIONS FOR RESTORING THE APPARENTLY DROWNED.

THE leading principles of the following Directions for the Restoration of the apparently Dead from Drowning are founded on those of the late Dr. MARSHALL HALL, combined with those of Dr. H. R. SILVESTER, and are the result of extensive inquiries which were made by the Institution in 1863-4 amongst Medical Men, Medical Bodies, and Coroners throughout the United Kingdom. These Directions have been extensively circulated by the INSTRUCTOR throughout the United Kingdom and in the Colonies. They are also in use in Her Majesty's Fleet, in the Coastguard Service, and at all the stations of the British Army at home and abroad.

I.

SEND immediately for medical assistance, blankets, and dry clothing, but proceed to treat the Patient *instantly* on the spot, in the open air, with the face downward, whether on shore or afloat; exposing the face, neck, and chest to the wind, except in severe weather, and removing all tight clothing from the neck and chest, especially the braces.

The points to be aimed at are—first, and *immediately*, the RESTORATION OF BREATHING; and, secondly, after breathing is restored, the PROMOTION OF WARMTH AND CIRCULATION.

The efforts to *restore Breathing* must be commenced immediately and energetically, and persevered in for one or two hours, or until a medical man has pronounced that life is extinct. Efforts to promote *Warmth and Circulation*, beyond removing the wet clothes and drying the skin, must not be made until the first appearance of natural breathing; for if circulation of the blood be induced before breathing has recommenced, the restoration to life will be endangered.

II.—To Restore Breathing.

TO CLEAR THE THROAT.—Place the patient on the floor or ground with the face downwards, and one of the arms under the forehead, in which position all fluids will more readily escape by the mouth, and the tongue itself will fall forward, leaving the entrance into the windpipe free. Assist this operation by wiping and cleansing the mouth.

If satisfactory breathing commences, use the treatment described below to promote Warmth. If there be only slight breathing—or no breathing—or if the breathing fail, then—

TO EXCITE BREATHING.—Turn the Patient well and instantly on the side, supporting the head, and excite the nostrils with snuff, hartshorn, and smelling salts or tickle the throat with a feather, &c., if they are at hand. Rub the chest and face warm, and dash cold water, or hot and cold water alternately, on them. If there be no success, lose not a moment, but instantly—

TO IMITATE BREATHING.—Replace the patient on the face, raising and supporting the chest well on a folded coat or other article of dress.

Turn the body very gently on the side and a little beyond, and then briskly on the face, back again, repeating these measures cautiously, efficiently, and perseveringly, about fifteen times in the minute, or once every four or five seconds, occasionally varying the side. [*By placing the patient on the chest, the weight of the body forces the air out; when turned on the side, this pressure is removed, and air enters the chest.*]

On each occasion that the body is replaced on the face, make uniform but efficient pressure with brisk movement, on the back between and below the shoulder-blades or bones on each side, removing the pressure immediately before turning the body on the side.

During the whole of the operations let one person attend solely to the movements of the head and of the arm placed under it. [*The first measure increases the expiration—the second commences inspiration.*]

* The result is *Respiration or Natural Breathing*; and if not too late—*Life*.
* Whilst the above operations are being proceeded with, dry the hands and feet, and as soon as dry clothing or blankets can be procured, strip the body, and cover or gradually reclote it, but taking care not to interfere with the efforts to restore breathing.

III.

Should these efforts not prove successful in the course of from two to five minutes, proceed to imitate breathing by Dr. SILVESTER'S method, as follows:—

Place the patient on the back on a flat surface, inclined a little upwards from the feet; raise and support the head and shoulders on a small firm cushion or folded article of dress placed under the shoulder-blades.

Draw forward the patient's tongue, and keep it projecting beyond the lips; an elastic band over the tongue and under the chin will answer this purpose, or a piece of string or tape may be tied round them, or by raising the lower jaw, the teeth may be made to retain the tongue in that position. Remove all tight clothing from about the neck and chest, especially the braces.

TO IMITATE THE MOVEMENTS OF BREATHING.—Standing at the patient's head, grasp the arms just above the elbows and draw the arms gently and steadily upwards above the head, and keep them stretched upwards for two seconds. [*By this means air is drawn into the lungs.*] Then turn down the patient's arms, and press them gently and firmly for two seconds against the sides of the chest. [*By this means air is pressed out of the lungs.*]

Repeat these measures alternately, deliberately, and perseveringly, about fifteen times in a minute, until a spontaneous effort to respire is perceived, immediately upon which cease to imitate the movements of breathing, and proceed to INDUCE CIRCULATION AND WARMTH.

IV.—Treatment after Natural Breathing has been Restored.

TO PROMOTE WARMTH AND CIRCULATION.—Commence rubbing the limbs upwards, with firm grasping pressure and energy, using handkerchiefs, flannels, &c. [*By this measure the blood is propelled along the veins towards the heart.*]

The friction must be continued under the blanket or over the dry clothing.

Promote the warmth of the body by the application of hot flannels, bottles, or bladders of hot water, heated bricks, &c., to the pit of the stomach, the arm-pits, between the thighs, and to the soles of the feet.

If the patient has been carried to a house after respiration has been restored, be careful to let the air play freely about the room.

On the restoration of life, a teaspoonful of warm water should be given; and then, if the power of swallowing have returned, small quantities of wine, warm brandy and water, or coffee should be administered. The patient should be kept in bed, and a disposition to sleep encouraged.

General Observations.

The above treatment should be persevered in for some hours, as it is an erroneous opinion that persons are irrecoverable because life does not soon make its appearance, persons having been restored after persevering for many hours.

APPEARANCES WHICH GENERALLY ACCOMPANY DEATH.

Breathing and the heart's action cease entirely; the eyelids are generally half closed; the pupils dilated; the tongue approaches to the under edges of the lips, and these, as well as the nostrils, are covered with a frothy mucus. Coldness and pallor of surface increase.

CAUTIONS.

Prevent unnecessary crowding of persons round the body, especially if in an apartment.
Avoid rough usage, and do not allow the body to remain on the back unless the tongue is secured.
Under no circumstances hold the body up by the feet.
On no account place the body in a warm bath unless under medical direction, and even then it should only be employed as a momentary excitant.

ROYAL NATIONAL LIFE-BOAT INSTITUTION,
London, May 1879.

By order of the Committee,
RICHARD LEWIS.
