

THE LIFE-BOAT.

JOURNAL

OF THE

Royal National Life-Boat Institution.

(ISSUED QUARTERLY.)

VOL. XVIII.—No. 204.]

1ST MAY, 1902.

[PRICE 1s.

AT the ANNUAL GENERAL MEETING of the ROYAL NATIONAL LIFE-BOAT INSTITUTION, held at the Royal United Service Institution, Whitehall, on Wednesday, the 12th day of March, 1902, The Right Hon. The EARL OF SELBORNE, P.C., First Lord of the Admiralty, in the Chair, the following Report of the Committee of Management was submitted and adopted:—

ANNUAL REPORT.

1902.

OWING to the death of Queen Victoria, who had so graciously held the position of Patron since her accession to the Throne in 1837, the ROYAL NATIONAL LIFE-BOAT INSTITUTION has suffered an irreparable loss. His Majesty King Edward VII., who as Prince of Wales had been a Vice-Patron of the Institution since 1863, and President from the beginning of 1899, at once, at the request of the Committee of Management, graciously consented to succeed Her late Majesty as Patron; the post of President, which His Majesty now vacated, being accepted by H.R.H. The Prince of Wales, K.G., who had been for eleven years a Vice-Patron of the Institution, and since 1894 a member of the Committee of Management.

The continuance of the South African War during the past year and the constant appeals to the charitable in con-

nection with the numerous funds organized for assisting those directly affected by the war in this country, has no doubt had an unfortunate effect on the finances not only of the Life-boat Institution, but on those of nearly all the old-established philanthropic societies. The difficulty therefore which has been met with by the Committee of Management in obtaining the necessary funds for carrying on the great life-saving work committed to them has been unusually great, and their way has not been made easier by the fact that, while it has required more than usual effort to raise the funds necessary to maintain the Life-boat Service in efficiency, the cost of materials and labour has considerably increased during the last few years.

Life-boats.—During the year, sailing and pulling Life-boats, fully equipped and possessing such improvements as

experience has suggested for the various types, were built and placed at 26 stations, the coxswains and crew in each instance having been permitted to choose the special type and class of boat provided for them. Of these twenty-six new boats, four were sent to entirely new stations, namely to Barry (Glamorganshire), Coverack (Cornwall), Killough (co. Down), and Minehead (Somerset), the rest being despatched to stations to replace Life-boats by those of more modern construction.

In addition a new Steam Life-boat, furnished with a protected screw, and almost precisely similar to the Grimsby Steam Life-boat, was stationed in May last at Harwich, the turbine boat until then in use there having become inefficient for the special purposes for which she was constructed.

The following is a complete list of the Stations to which new boats were sent in 1901:—

Banff	Banffshire.
Barry Dock	Glamorganshire.
Clacton-on-Sea	Essex.
Courtnacsherry	Co. Cork.
Coverack	Cornwall.
Dover	Kent.
Dunbar	Haddingtonshire.
Flamborough (No. 2)	Yorkshire.
Girvan	Ayrshire.
Groomsport	Co. Down.
Harwich	Essex.
Hastings	Sussex.
Huna	Caithness-shire.
Killough	Co. Down.
Minehead	Somerset.
Montrose (2 boats)	Forfarshire.
Newburgh	Aberdeenshire.
Padstow (2 boats)	Cornwall.
Palling (No. 1)	Norfolk.
Piel (Barrow)	Lancashire.
Queenstown	Co. Cork.
Stornoway	Island of Lewis.
Whithorn	Wigtownshire.
Worthing	Sussex.

The Steam-Tug which the Committee of Management decided, as stated in last year's Annual Report, to construct for use only in conjunction with Life-boats of the Institution was completed

and sent to her headquarters at Padstow (Cornwall) last September. She is 96 ft. in length with a beam 19 ft. 6 in., her depth being 11 ft. 6 in. and her mean draft 8 ft. 6 in., and the Committee have every confidence in her proving to be of great use for the Life-boat Service on the north coast of Cornwall.

Within the year three stations have been closed, changes in local requirements rendering it unnecessary that they should any longer be retained. The Stations from which the Life-boats have been withdrawn are Kildonan (Isle of Arran), Llanaelhairn (Carnarvonshire), and Rye (Sussex).

The Institution's fleet at the close of 1901 included and comprised 284 Sailing and Pulling Life-boats, 4 Steam Life-boats and 1 Steam-Tug.

Transporting Carriages.—New transporting carriages have been supplied to 16 Stations.

Inspection of Life-boats, etc.—The Life-boat Stations of the Institution, including the boats and their gear, have, as usual, been thoroughly and very carefully inspected during the year, every effort being made to maintain them in the most perfect state of efficiency.

Shipwrecks.—Probably no year in the last half century was more remarkably free from storms and gales than the year 1901. Week after week and even month after month passed without any weather being experienced on our coasts which could be considered other than fine, with the result that happily the crews of the Life-boats were not called upon nearly so frequently as usual to render those gallant and self-denying services which they are at all times ready and willing to give. The heaviest gale of the year occurred on the 12th to 14th November, during

which 37 of the Institution's Life-boats were launched and saved 73 lives and 3 vessels, in addition to which the crews were assembled in readiness at 25 other stations, but their services were not required. Between the 1st January and the 31st December, 1901, inclusive, the Institution's Life-boats were launched on service 286 times, and 1079 times for exercise, besides which crews were assembled in readiness for service 71 times, but their aid was fortunately not ultimately required. The Committee deeply regret to announce that during the gale of the 14th November, 9 of the crew of the Life-boat *Beauchamp*, of Caister, perished while on their errand of mercy, leaving 6 widows and 37 other dependent relatives unprovided for. The Institution, with as little delay as possible, contributed 2000*l.* to the fund raised for them locally, and also paid all the funeral expenses. This sad disaster excited very great sympathy throughout the United Kingdom.

The Committee have to report with great regret that whilst the Steam Life-boat, *Duke of Northumberland*, was in the river Mersey on the 26th June last, and about to return to her station at Holyhead after overhaul and repair, an explosion occurred in the engine-room, resulting in the sad death of the two firemen, and the serious injury of the second engineer. The Committee at once contributed 1,000*l.* for the maintenance of the bereaved widows and orphans, and compensated the engineer for his injuries.

The total number of lives for the saving of which the Institution granted rewards in 1901 was 490; of these, 397 were saved by the Life-boats, and 93 by shore-boats and other means, besides which the Life-boat crews were instrumental in saving 15 vessels.

The following table gives the details of the services during each month of the year.

1901.	Number of Life-boat Launches.	Lives Saved by Life-boats.	Vessels Saved by Life-boats.	Lives Saved by Shore-boats.
January . .	42	17	1	24
February . .	15	22	1	5
March . . .	37	29	1	10
April . . .	10	3	—	11
May	13	17	1	4
June	8	27	—	2
July	6	—	—	1
August . . .	17	4	1	—
September .	12	10	—	4
October . . .	13	9	2	9
November . .	53	79	4	13
December . .	60	180	4	10
Total . . .	286	397	15	93

The total number of lives for the saving of which the Institution has granted rewards since 1824, by Life-boats, shore-boats, or by other means, has been 43,197, the number for each year being given in the following table:—

Year.	No. of Lives.	Year.	No. of Lives.
1824	124	1864	698
1825	218	1865	714
1826	175	1866	951
1827	163	1867	1,086
1828	301	1868	862
1829	463	1869	1,231
1830	372	1870	784
1831	287	1871	882
1832	310	1872	739
1833	449	1873	668
1834	214	1874	713
1835	864	1875	921
1836	225	1876	660
1837	272	1877	1,048
1838	456	1878	616
1839	279	1879	855
1840	353	1880	697
1841	128	1881	1,121
1842	276	1882	884
1843	236	1883	955
1844	198	1884	792
1845	235	1885	555
1846	134	1886	761
1847	157	1887	572
1848	123	1888	800
1849	209	1889	627
1850	470	1890	765
1851	230	1891	736
1852	773	1892	1,056
1853	678	1893	593
1854	355	1894	790
1855	406	1895	709
1856	473	1896	461
1857	374	1897	662
1858	427	1898	756
1859	499	1899	609
1860	455	1900	865
1861	424	1901	490
1862	574		
1863	714	Total	43,197

Rewards.—The rewards bestowed by the Institution in 1901 for the saving of life from shipwreck on our coasts or for prompt and praiseworthy efforts to do so, and in due recognition of other good services rendered in the interests of the cause included 1 Gold Medal, 4 Silver Medals, 48 Decorations, 16 Binocular Glasses, 6 Aneroid Barometers, 18 Votes of Thanks inscribed on vellum and framed, 11 Certificates of Service framed and 11,911*l.* 1*s.* 3*d.*, including grants to the families of men lost on Service, compensation for personal injuries sustained in the Service, and retiring allowances.

At the end of the year the Institution had granted altogether in rewards since 1824, 99 Gold Medals and Clasps, 1,196 Silver Medals and Clasps, 51 Decorations, 321 Binocular Glasses, 15 Telescopes, 34 Aneroid Barometers, 1,690 Votes of Thanks inscribed on vellum and framed, 138 Certificates of Service framed and 224,121*l.* 10*s.* 2*d.* in money.

Aneroids.—The demand for the valuable Aneroid Barometers, supplied by the Institution since 1882 to the Masters and Owners of fishing-boats and also since 1883 to small coasters at about one-third the retail price, still continues. The total number issued last year was 127. Of these, 106 were sold to Fishermen and 21 to Coasters. The total number provided has been 4,417.

Electrical Communication on the Coast.—The General Post Office has not been able to do much during the past year towards completing the very important system of electrical communication established on the coast for life-saving purposes owing to the small amount voted last year by the Government for this valuable work. The Committee cannot but express their hope that wireless telegraphy, the value of which remarkable invention cannot

be overrated, will before long be provided for the light-vessels and light-houses round our coast.

Local Committees.—The very grateful thanks of the Committee of Management are due to all the honorary officials of the Institution, whose work during the past two years has been rendered unusually arduous and difficult as the result of the special circumstances in which the country has been placed. The help, therefore, which has been received during the year from the Branch Committees, Secretaries and Treasurers, has been of more than usual value and importance and has earned the most hearty and cordial acknowledgments of all taking an interest in Life-boat work.

The best thanks of the Institution are also tendered to the Public Press, whose powerful voice has been and is so often raised in accents of appeal on behalf of the cause; as well as to H. M. Coastguard for their continued hearty and important co-operation.

Life-boat Saturday.—The enthusiasm and zeal of the Life-boat Saturday workers throughout the country has been productive of excellent results for the Institution during the past year, notwithstanding the continuance of the more than usual difficulties encountered during the preceding year in raising money for charitable objects. The number of cities and towns in which the Life-boat Saturday movement was worked in 1901 was 145, as compared with 93 in 1900, and the amounts realized showed a very remarkable improvement on those obtained the previous year, the net proceeds having almost doubled. The best and most appreciative thanks of the Committee of Management are tendered to the Central Committee of the Life-boat Saturday Fund, as well as to all the local Life-boat Saturday Committees and their Officers, and to the Ladies'

Auxiliaries which can always be relied on for untiring activity and self-denying effort. The most remarkable event of the year—or, indeed, of any year—in connection with the Life-boat Saturday Fund, was the Garden Fete held at Stafford House on the 26th June last under the patronage of their Majesties the King and Queen, every member of the Royal Family, and the leaders of English society. Probably no function connected with a charity ever before received so much attention at the hands of the Press or was so generally discussed by the Public.

Inventions, &c.—Numerous patents, inventions and suggestions have been carefully considered by the Committee since the issue of their last Report, and they wish it to be generally understood by the Public that they are always ready to receive and examine any proposal which, if adopted, might possibly be the means of increasing the efficiency of the Service.

Finances.—The total amount received by the Committee of Management in 1901, in subscriptions, donations, dividends, etc., and including the record contribution (21,433*l.* 4*s.* 11*d.*) received from the Life-boat Saturday Fund, was 77,071*l.* 12*s.* 5*d.*, a very gratifying increase of 7,378*l.* 5*s.* 9*d.* as compared with the corresponding total of 1900. A further sum of 30,221*l.* 14*s.* 6*d.* was received in legacies, of which 13,195*l.* 15*s.* 7*d.* was for special trusts or specified purposes.

The total expenditure in 1901 was 111,296*l.* 17*s.* 1*d.*, an increase of 15,673*l.* 13*s.* 6*d.* as compared with the previous year, such increase being

mainly due to the fact that the Institution completed in 1901 a steam-tug, a steam Life-boat and 23 other new Life-boats, the cost of materials and of the hire of labour having vastly increased within the last few years. The expenditure included 56,732*l.* 2*s.* 9*d.* for building, equipping, improving and repairing Life-boats, a Steam-tug, Life-boat carriages, Life-boat houses and Slipways; 18,128*l.* 9*s.* 4*d.* for subsidies to non-self-supporting stations, branch payments, aneroids for fishermen and coasters, life-belts, and other stores and the storeyard; 30,516*l.* 15*s.* 8*d.* for payments to coxswains, bowmen, signalmen; to crews, etc., for services and for exercising the Life-boats; for special rewards and recognitions for services; grants to the relatives of men lost on service; for injuries, pensions and retiring allowances to coxswains and signalmen; medals and vellums; also for payments to Inspectors. The balance was expended in printing, advertising, postage, telegrams and stationery; on salaries, rates, taxes, house-keeper, other office expenses, and legal charges connected with leases and bequests. Every item of receipt and expenditure has, as usual, been examined, verified, and passed by Mr. Samuel Lovelock, Chartered Accountant.

In conclusion, the Committee of Management again earnestly appeal to all classes of the community for increased financial support without which it will be impossible to properly maintain as a voluntary work, the British Life-boat Service, a service which for more than three-quarters of a century has been not only the pride of our own country, but also the admiration of all the civilised nations of the world.

ROYAL NATIONAL LIFE-BOAT INSTITUTION.

(Supported solely by Voluntary Contributions.)

ITS OBJECT AND WORK.

The work of the Institution mainly consists of—

1. Building, equipping and maintaining Life-boats, transporting carriages, boathouses and slipways, wherever required on the Coasts of the United Kingdom.
2. Payments and the granting of rewards to Life-boat coxswains, crews and helpers, for services rendered, including exercises; medals and vellums being awarded for conspicuous bravery.
3. Awarding medals, vellums or grants of money to those who, at the risk of their own lives, save, or endeavour to save, by means of shore boats or otherwise, life from shipwreck on the Coasts of the United Kingdom.
4. Granting pecuniary compensation to men injured on service.
5. Granting pecuniary compensation to the Widows and other dependent relatives of Life-boatmen who lose their lives on service; not less than £100 being allowed for each Widow and £25 for each dependent child.
6. Granting pensions or retiring allowances to Life-boat coxswains, bowmen and signalmen of long service and good character.

The moneys received from the Life-boat Saturday Fund are, as far as possible, applied by the Committee of Management towards meeting the expenses of items Nos. 2, 4, 5 and 6 only.

RESOLUTIONS PASSED AT THE ANNUAL GENERAL MEETING,
1902.

The Right Hon. The EARL OF SELBORNE, P.C., First Lord of the Admiralty,
IN THE CHAIR.

Moved by The Right Hon. The
EARL OF SELBORNE, P.C.

Seconded by Sir EDWARD BIRK-
BECK, Bart., V.P.

1. That the Annual Report be
adopted, printed, and circulated.

Moved by The Right Hon. LORD
SUFFIELD, G.C.V.O., K.C.B.

Seconded by Sir FRANCIS J. S.
HOPWOOD, K.C.B., C.M.G., Sec-
retary to the Board of Trade.

2. That H.R.H. The PRINCE OF
WALES be elected President, and
that the Noblemen and Gentlemen
whose names have been read by the
Secretary be the other Officers of the
Institution for the current year.

Moved by The Right Hon. The
EARL OF HARDWICKE, Under
Secretary of State for India.

Seconded by Sir JOHN C. B.
COLOMB, K.C.M.G., M.P.

3. That this Meeting, fully re-
cognising the great and national

importance of the work carried on
by the ROYAL NATIONAL LIFE-BEAT
INSTITUTION, desires to express its
high appreciation of the gallantry
which the Coxswains and Crews of
the Institution's Life-boats so fre-
quently exhibit, and also to
acknowledge with gratitude the very
valuable help received from the
Local Honorary Secretaries, Treas-
urers, Branch Committees, and the
Public Press, as well as from the
Ladies' Auxiliaries and the Life-boat
Saturday Committees.

Moved by Captain The Hon.
JOHN M. YORKE, R.N.

Seconded by Sir ROBERT U. PEN-
ROSE FITZGERALD, Bart., M.P.

4. That the cordial thanks of this
Meeting be given to The Right Hon.
The EARL OF SELBORNE, P.C., for
his kindness in presiding over this
the Seventy-eighth Annual Meeting
of the ROYAL NATIONAL LIFE-BEAT
INSTITUTION.

The Royal National Life-Boat Institution

Is prepared to establish and maintain a Life-boat Station on any part of the coast of the United Kingdom where it can be shown, from previous disasters, that a Life-boat is required. It is requisite that there should be a sufficient number of men (fishermen, or others accustomed to the management of boats at sea) to man the Life-boat, and a Committee formed from the residents in the neighbourhood to superintend the Station and obtain such small Annual Subscriptions as may contribute towards a portion of the expense of the Life-boat Station.

Communications should be addressed to the Secretary of the Institution, 14 John Street, Adelphi, London, W.C.

No.	NAME OF BOAT AND DONOR.	NAME AND ADDRESS OF HONORARY SECRETARY.

* This Life-boat is endowed.

The Royal National Life-Boat Institution,

FOR THE PRESERVATION OF LIFE FROM SHIPWRECK.

TO BOATMEN AND OTHERS.

R E W A R D S

OF MONEY OR MEDALS

Are granted by the Royal National Life-boat Institution to all persons who,

AT THE RISK OF THEIR OWN LIVES,

SAVE OR ENDEAVOUR TO SAVE, BY MEANS OF SHORE-BOATS OR OTHERWISE,

the lives of those on board Vessels or Boats Wrecked or in Distress on any part of the coasts of the United Kingdom.

In all cases the Rewards are given without further delay than is necessary to obtain proof of the merits of each case and to ensure payment being made to the right parties.

ROYAL NATIONAL LIFE-BOAT INSTITUTION,
14 JOHN STREET, ADELPHI, LONDON, W.C.

By Order, CHARLES DIBDIN,
Secretary.

GOD HELP OUR MEN AT SEA.

List of the Rewards

FOR SAVING LIFE FROM WRECKS

VOTED BY THE ROYAL NATIONAL LIFE-BOAT INSTITUTION

TO THE CREWS OF ITS LIFE-BOATS, TO SHORE AND FISHING-BOATS' CREWS, AND TO OTHER PERSONS

FROM THE 1ST JANUARY TO THE 31ST DECEMBER, 1901, INCLUSIVE.

Jan. 1.—NORTH SUNDERLAND.—NORTHUMBERLAND.—*Thomas Bewick* Life-boat.—At 2 P.M. the Life-boat was launched and brought ashore the crew of four men of the ketch *Pallas*, of Jersey, which had stranded on the Longstone rock, where she became a total wreck. Her crew safely landed on the rock, with the assistance of the keepers of the Longstone light-house, and were accom-

modated by them until the Life-boat arrived.—Expense of service, 21l. 12s. 7d.

Jan. 1.—FILEY, YORKSHIRE.—*Hollon the Second* Life-boat.—While the fishing cobbles were returning home in a heavy ground sea one of them was capsized. Her crew of three men were thrown into the water, but were fortunately able to reach the boat and hold on to her until two other cobbles came up and took them

on board. The Life-boat was launched at 3 P.M. and remained afloat until the whole of the boats had safely landed, when she returned to her station, arriving at 7.15.—Expense of service, 28*l.* 3*s.*

Jan. 8.—DUNGENESS, KENT.—*R.A.O.B.* Life-boat.—The Coxswain of the Life-boat being informed by the Coastguard that a steamer was stranded, the crew were summoned, and at 5.30 A.M. the Life-boat was launched. The wind was then blowing from the S.E., the sea was moderately rough, the weather was thick and snow was falling. At the request of the master the Life-boat remained some time by the steamer, which proved to be the *Dragon*, of Falmouth, homeward bound from Rotterdam.—Expense of service, 48*l.* 3*s.*

Jan. 9.—SALTBURN, YORKSHIRE.—*Mary Batger* Life-boat.—The Coastguard having reported a vessel stranded near Marske, the Life-boat was launched at 4.40 A.M. in a heavy sea and pulled in the direction indicated. In approaching the stranded vessel, the steam trawler *Honoris*, of and for Hull, returning from the Faroe Islands with fish, the Life-boat became entangled in the rocket lines and the bowman was dragged out of the boat; fortunately he was rescued, but the boat was driven ashore. She was again launched, and in the meantime a cable which had come from Redcar to endeavour to rescue the shipwrecked men also fouled the rocket lines, was overturned and three of her crew of seven men unfortunately lost their lives. One of the men drifted past the Life-boat, and in trying to rescue him the Life-boat was again driven on shore. Once more the Life-boat put off, and this time succeeded in getting alongside the vessel, rescuing her crew of nine men. In order to ensure the safety of the Life-boat and her crew the hawser of the rocket apparatus had to be cut.—Expense of service, 40*l.* 15*s.*

COMMITTEE MEETING, 10th Jan., 1901.

Voted 71*8l.* 9*s.* 5*d.* to pay for watching, assemblies of crews or launches, etc., of Life-boats at the following stations:—Aberystwyth, Aldeburgh,

Angle, Ayr, Ballywalter, Bridlington, Bude, Gorleston No. 1, Greencastle, Grimsby, Groomsport, Hayle, Holyhead, Ilfracombe, Looe, Lytham, Moelfre, Newquay (Cardiganshire), North Sunderland, Palling No. 2, Penarth, Porthleven, Ryde, Southsea, St. Anne's, Weston-super-Mare, Weymouth, Whitehaven, Winterton No. 2 and Workington.

The Committee decided to express their thanks to Mr. C. J. A. FRENCH for gratuitously acting on several occasions as Signalman when the Life-boat at St. Ives had been called out for service.

Also granted 5*l.* 2*s.* to a man injured at an exercise of the Life-boat at Brighton.

Also granted a pension to Mr. WALTER NOBLE, ex-Signalman at Fraserburgh.

Awarded certificates of service and pensions to Mr. ALEXANDER WATT on his retirement from the office of Coxswain of the Banff Life-boat, and to Mr. COOPER YOUNG, ex-Coxswain of the Sunderland South Pier Life-boat.

Also pensions to Mr. JOHN HERBERT and Mr. WILLIAM LAW, ex-Assistant Coxswains at the South Pier Sunderland and Ayr Life-boat stations; and to Mr. HUGH MUIR, ex-Coxswain at Port Patrick.

Jan. 15.—ARBROATH, FORFARSHIRE.—*James Stevens No. 13* Life-boat.—The fishing-boat *Jessie and Mary*, of Arbroath, was observed, about two miles distant from the shore, making for the harbour, and as the sea was heavy it was evident that she would encounter considerable danger in crossing the bar. The Life-boat was launched at about 11.30 A.M., proceeded over the bar, met the fishing-boat, passed three cork jackets to her, one for each of her crew, and remained by her until she safely entered the harbour.—Expense of service, 12*l.*

Jan. 17.—SALCOMBE, SOUTH DEVON.—*Lesty* Life-boat.—Signals of distress having been reported by the Coastguard, the Life-boat was launched at 12.10 A.M. and proceeded towards Prawle Point; when about two miles distant she showed three bright lights, which were answered by three rockets

about ten miles S. of the point. Proceeding in the direction in which these had been seen, it was found they had been fired by the s.s. *Pinedene*, of Aberystwyth, which had lost her propeller, having been in collision with an unknown schooner. The master requested the Life-boatmen to return to the shore and to telegraph to Plymouth for a steam-tug. Having done this, the boat again went off to the steamer to render any further assistance required, but found that none was needed. A fresh wind blew from S.W. while the Life-boat was engaged, the weather was thick, with rain squalls, and there was a heavy ground sea.—Property salvage case; balance of expenses paid by Institution, 6*l.* 9*s.* 6*d.*

Jan. 19.—WINCHELSEA, SUSSEX.—*John William Dudley* Life-boat.—During the prevalence of a whole gale and heavy sea, the cutter *Jeune Arthur*, of Cherbourg, bound from Dunkirk for Granville, was observed making for the land under forestaysail and jib, her mainsail having been blown away. She was closely watched for some time, and eventually French colours were shown in the rigging. The crew of the Life-boat were summoned, horses procured and the boat was taken on her transporting carriage along the shore towards the vessel, which ultimately stranded about a quarter of a mile E. of Rye Harbour. The boat was launched at 1 P.M., succeeded in taking off the crew of four men and then made for Rye Harbour, but was unable to weather the beach banks on the E. side and grounded. The rescued men were landed in such an exhausted condition that some of them had to be carried on the backs of Life-boatmen. When the tide ebbed the boat was again launched and was taken into the harbour, remaining there until the following morning, when she returned to her station.—Expense of service, 45*l.* 14*s.* 4*d.*

Jan. 21.—CAISTER, NORFOLK.—*Covent Garden* Life-boat.—Flares in the direction of the "Scroby Elbow" Sand were seen by men on the look out in foggy weather, and they at once summoned the crew of the Life-boat. At 7 A.M. the boat was launched, and on nearing the sands the schooner

Bertha, of Yarmouth, was observed just floating off with the rising tide. Her crew had deserted the vessel in their boat and were seen taking refuge on board the St. Nicholas Light-Vessel. With the assistance of steam-tugs the schooner, which had lost her rudder and had about three feet of water in her hold, was taken into Yarmouth Harbour.—Property salvage case.

Jan. 27.—ARDROSSAN, AYRSHIRE.—*James Stevens No. 8* Life-boat.—On Saturday, 26th January, four men put off in a boat and proceeded to Horse Island, which is about a mile and a half distant from Ardrossan harbour, for the purpose of shooting wild fowl. While they were on the island the wind freshened, and they attempted to get back into the boat. One of them succeeded in doing so, and tried to reach a sheltered spot in order to take off the others; the boat, however, was driven away from the island, but fortunately drifted into the harbour at Ardrossan. Endeavours were then made to reach the island by means of a shore boat, but they were unsuccessful, and at 3 o'clock on the following morning the Coastguard reported the circumstances to the Coxswain of the Life-boat. The wind was then blowing a strong gale from N.W., and the sea was very rough, especially at the harbour mouth and off Horse Island, rendering it most difficult for the Life-boat to get out, and very dangerous for her to approach the island in the darkness, and as the men, although exposed to a bitter night on a practically unsheltered island, were in no actual danger, it was decided to wait until daylight. At 6.45 the Life-boat was launched, was towed by a steam-tug to the W. end of the island, when sail was hoisted, and she dropped down to the only available place from which the men could be taken off. They were got safely on board and sails having been again set the boat ran straight into the harbour, being frequently almost buried by the heavy seas she encountered.—Expense of service, 25*l.* 13*s.*

Jan. 27.—MARGATE, KENT.—*Civil Service No. 1* Life-boat.—While the wind was blowing from W. by N. with almost hurricane force, accompanied by a very heavy sea and terrific hail squalls, the

Coastguard reported flares in the Gore Channel. The crew of the Life-boat were called, the boat was launched at about 7.40 P.M., and reached the distressed vessel at about 2 A.M. She was the ketch *Eustace*, of Rochester, laden with pitch, from London for the Rhine. The Master stated that the vessel had dragged her anchor, and had touched the ground several times. At his request, the boat stood by until after high water, when the weather improved, and he required no further assistance.—Expense of service, 24l. 7s.

Jan. 27.—HOLYHEAD, ANGLESEY.—*Duke of Northumberland* steam Life-boat.—About 7.45 in the evening, while a whole gale was blowing from N.W., accompanied by a very heavy sea and thick weather, a vessel was seen in the outer roads burning signals of distress. The steam Life-boat proceeded to her assistance and found she was the barque *Royal*, of Arendal, bound from Stavanger for Liverpool, with turpentine and resin. She had dragged her anchor, and had fouled a steamer lying at anchor. Six of her crew boarded the Life-boat, but a steam-tug arriving to assist the barque, the other members of the crew remained on board their vessel.—Expense of service, 10l. 17s. 6d.

Jan. 27.—BROADSTAIRS, KENT.—*Francis Forbes Barton* Life-boat.—Flares were shown from vessels off the North Foreland while a whole gale was blowing from N.N.W., accompanied by a heavy sea and heavy squalls of hail, and, in response, the Life-boat was launched at 8.5 P.M. It was found that the schooner *Astræa*, of Dartmouth, bound from Poole for London with a cargo of clay, had parted her cables and had fouled the ketch *Alfred*, of Padstow, the crew of the *Alfred*, four in number, taking refuge on board the *Astræa*. They were taken into the Life-boat, and some of the Life-boatmen boarding the schooner, at the request of the Master, found her bows were damaged, besides which she had lost her anchors, chains and some of her sails, and was leaking. The Life-boatmen assisted to set the remaining sails and, working at the pumps during the night, managed to take her into Ramsgate Harbour. Meanwhile, the Life-boat landed the crew of the *Alfred*, who

were suffering severely from the cold. Having warmed and refreshed themselves, they again boarded the Life-boat, which, at the Master's request, proceeded in search of the ketch. She was found riding at anchor; her bows and rigging were badly damaged, and she had a large quantity of water in her hold. Four of the Life-boatmen boarded her to render assistance, and having refitted her rigging, sail was made, the cable slipped, and she proceeded for Ramsgate, with the Life-boat in tow, arriving there at 3 P.M. The boat was slipped at the mouth of the harbour, and returned to her station.—Property salvage cases.

Jan. 27.—RYDE, ISLE OF WIGHT.—*Captain Hans Busk* Life-boat.—The ketch *Silver Spray*, of Lowestoft, laden with machinery and stone, and bound from Guernsey for the North of England, showed signals of distress when about a quarter of a mile E. of Ryde pier, while a strong gale was blowing from N.W., accompanied by a rough sea. The Life-boat was launched at about 10.30 P.M., and on reaching the vessel, found that she had parted her cable and was aground on the sand. At the request of the Master, the Life-boat stood by the ketch during the night. About 3.30 A.M. she floated, and two hours later the Life-boat returned to her station, the gale having moderated.—Expense of service, 14l. 1s. 6d.

Jan. 29.—HOLYHEAD, ANGLESEY.—*Duke of Northumberland* steam Life-boat.—The steam Life-boat left her moorings at 11.25 A.M., the Coxswain having observed a schooner in the outer roads, with a signal of distress flying. A strong gale was blowing from N.N.W., and a heavy sea was running. The vessel which made the signal was the *Lizzie Edith*, of Truro, bound from Penzance for Runcorn, with china clay. She had dragged her anchors, and a steam-tug had succeeded in getting a hawser on board, but was unable to get into a position for towing, on account of the heavy seas. The Master and crew of the schooner, four men in all, therefore decided to leave her and got into the Life-boat, being safely landed at 1 P.M.—Expense of service, 5l. 10s.

Jan. 31.—WEXFORD, IRELAND.—*James Stevens No. 15* Life-boat.—A whole

gale from W.N.W. suddenly sprung up in the evening, and the yawl *Love Lane*, which was seeking the shelter of the harbour, grounded on the N. side of the bar. She signalled for assistance, and at 6.30 the Life-boat put off, and remained by her until she beat over the bar and was out of danger. The Life-boat then proceeded in search of three other fishing-boats which had not returned, but found they were safely riding at anchor in the North bay, and were therefore not in need of any assistance.—Expense of service, 21l. 7s.

Feb. 5.—ST. IVES, CORNWALL.—*James Stevens* No. 10 Life-boat.—The Life-boat was launched at 5.15 A.M., while a strong gale was blowing from N.N.E., and proceeded to the brigantine *Julien Marie*, of Auray, coal-laden from Swansea, bound for Bordeaux, which had shown signals for assistance. She was carrying very little canvas, having only her mainsail and lower topsail set, and tried to make the harbour, but failed to do so owing to the heavy breakers she encountered and being encumbered by the wreckage of her jibboom and foretopmast, her yards and sails hanging over her side. As she was fast drifting to leeward, her anchor was let go, but it did not hold, and seeing there was no probability of being able to save the vessel, her crew of six men, taking with them a little dog, got into the Life-boat, and were safely landed. The brigantine soon afterwards stranded on Porthminster beach, and became a total wreck, her mainmast going by the board when she struck the ground.—Expense of service, 30l. 13s.

Feb. 14.—PETERHEAD, ABERDEENSHIRE.—*George Pickard* Life-boat.—The steam trawler *Roslin*, of Aberdeen, returning home with several boxes of fish, stranded at Scotston Head in a moderate W.N.W. breeze, a heavy sea and thick weather, about midnight on the 13th February. In response to her signals of distress the Life-boat proceeded to her assistance and found her full of water. Communication with the vessel had been obtained with the rocket apparatus, and her small boat was lying alongside, but the sea was so heavy that the

crew were afraid to avail themselves of either of these means of leaving the steamer, and on seeing the Life-boat approaching called to the Coxswain to come alongside and take them off. The men, nine in number, got into the Life-boat and were safely landed at 4.40 A.M.—Expense of service, 23l. 6s. 6d.

Feb. 14.—WHITBURN, DURHAM.—*William and Charles* Life-boat.—The steam-tug *Hook van Holland* left Emden on the 11th February at midday, having in tow the damaged s.s. *Treneglos*, of St. Ives, intending to take her to South Shields, but early on the morning of the 14th February both vessels stranded on the S. end of Whitburn White Stile in hazy weather. The tug floated without any assistance, having apparently sustained little if any damage, but the *Treneglos* was found to be leaking badly. With the assistance of five tugs and the crew of the Life-boat she was taken into dock at Sunderland where she almost immediately settled down.—Property salvage case.

COMMITTEE MEETING, 14th Feb., 1901.

Voted 689l. 5s. 3d. for assemblies of crews, launches, &c., by the undermentioned Life-boats, with the view of assisting those on board vessels apparently in need of help:—Aldeburgh, Ballywalter, Boulmer, Broadstairs, Burry Port, Cardigan, Cloughy, Courtmacsherry, Dover, Dungarvan, Dungeness No. 1, Fishguard No. 2, Fraserburgh, Harwich (Steam Life-boat), Hasborough, Hilbre Island, Hope Cove, Kildonan, Margate No. 2, Newburgh, North Deal, Padstow, Palling Nos. 1 and 2, Peel, Penzance, Plymouth, Port Erroll, Port Eynon, Redcar, St. Helier's, Seaton Carew, Walton-on-the-Naze and Wexford.

The Ramsgate Life-boat was also taken out, but her services were not ultimately needed.

Awarded a certificate of service and a pension to Mr. OWEN HUGHES on his resigning the office of Coxswain of the Criccieth Life-boat.

Also a pension to Mr. RICHARD JAMES COLLETT, ex-Coxswain of the St. Mary's (Scilly Islands) Life-boat, and to Mr. WILLIAM WITHER, late assistant Coxswain of the Port Patrick Life-boat.

Voted 5l. to a man who was injured while on service with the Aldeburgh Life-boat.

Feb. 17.—CROMER, NORFOLK.—*Benjamin Bond Cabbell* Life-boat.—A message by telephone having been received from Mundesley stating that the services of the Life-boat were required, the Life-boat was launched at 9 P.M. and found the s.s. *Celerity*, of Yarmouth, laden with cement, from Rochester for Leith, and carrying a crew of seven men, in a disabled condition. A gale was blowing from the E.N.E. and she had shipped a quantity of water which had extinguished her fires, so that becoming unmanageable she anchored off Mundesley. Her anchor dragged, and when only about half a mile from the shore she burnt a flare to denote that she was in need of help. The Life-boat stood by her during the night, but the Life-boatmen were unable to board her owing to the bad weather and the heavy rolling of the vessel. The vessel's crew baled some of the water out by means of buckets, the pumps being choked, and ultimately fires were lighted and steam was got up. The Life-boatmen then assisted in weighing the anchor, and the boat proceeded with her to Yarmouth, which was reached at 2.15 P.M., the Life-boat's crew having endured nearly eighteen hours' exposure to terrible weather. They returned to their station at 5 P.M. the following day.—Property salvage case.

Feb. 27.—WINTERTON, NORFOLK.—*Margaret* Life-boat.—The look-out man having observed lights, the crew of the Life-boat were summoned. The nature of the lights could not be discerned and therefore it was decided to launch the Life-boat in case they should prove to be signals for assistance. At 1.30 A.M. the boat put off, and when about two and a half miles from the shore the Cockle Light-Vessel fired signals which she answered by rockets signifying that she was on the way. At 2.30 she reached the Newarp Light-Vessel and found that four men of the crew of the s.s. *Chamois*, of London, bound from Shields for Barcelona with a cargo of coal, had taken refuge there, their vessel having been in collision with another vessel. They stated that a boat belonging to the steamer had capsized, throwing her

crew into the water. The Life-boat at once proceeded in search of the boat and eventually spoke the Cross Sand Light-Vessel, but ascertained that nothing had been seen of her. The search was continued without success until dawn, when the Life-boat returned to the Newarp Light-ship, took off the four men and safely landed them at 10 A.M.—Expense of service, 53l. 5s. 6d.

March 1.—ANSTRUTHER, FIFESHIRE.—*Royal Stuart* Life-boat.—The Life-boat was launched at 9.30 A.M. and remained afloat until several fishing-boats, which had been overtaken by a whole gale from S.E. and a very heavy sea, had safely entered the harbour.—Expense of service, 8l. 5s.

March 2.—FALMOUTH, CORNWALL.—*Bob Newbon* Life-boat.—The full-rigged ship *Vondel*, of Amsterdam, bound from Liverpool for Port Adelaide with a cargo of superphosphates, stranded on the rocks near St. Mawes Castle Point, in an extremely dangerous position, having dragged her anchor while lying in the roadstead, in a N.W. gale and heavy sea. She showed signals of distress, and at 7.45 A.M. the Life-boat put off to render assistance to her. The mate in charge of the vessel in the absence of the master gladly availed himself of the services of the Life-boatmen, who passed hawsers to steam-tugs and assisted in steering the vessel which was got afloat shortly before high water and was taken to moorings in Plymouth Docks.—Property salvage case.

March 2.—MOELFRE, ANGLESEY.—*Star of Hope* Life-boat.—About 10 o'clock in the morning, while a strong breeze was blowing from S.E. accompanied by a rough sea, signals of distress were shown by the schooner *County of Cork*, of Amlwch, bound from Liverpool for Abersoch, with coal and manure. The Life-boat went to her assistance and found her about half-a-mile from Moelfre Island, dragging her anchors and in great danger of stranding. Her crew consisting of two men got into the Life-boat and were landed, being subsequently taken back to the vessel by a fishing-boat when the weather had moderated.—Expense of service, 17l. 8s.

March 2.—JOHNHAVEN, KINCARDINESHIRE.—*Sarah Ann Holden* Life-boat.—The Life-boat was launched at 11 A.M.

and went to the assistance of the fishing-boat *Success* which was in danger while making for the harbour in a S.E. breeze and a rough sea. The Life-boat remained afloat until the fishermen were in safety.—Expense of service, the Life-boatmen accepting a reduced rate of payment, those assisted being fellow-fishermen, 4*l.* 13*s.* 9*d.*

March 7.—NEW BRIGHTON, CHESHIRE, and FORMBY, LANCASHIRE.—*Queen* steam Life-boat and *John and Henrietta* Life-boat.—Messages by telephone were received at these Life-boat stations stating that a steamer had stranded and was in need of assistance. At 6.17 the New Brighton Steam Life-boat left her moorings and at 7.30 p.m. reached the s.s. *Dominion*, of Liverpool, a vessel of 4,251 nett tonnage, bound from Liverpool for Portland, Maine, and having two hundred and seventy persons on board. About ten minutes later the Formby Life-boat arrived, and both Life-boats stood by the vessel until 8.30, when she fortunately floated off the bar and was out of danger. The boats then returned to their respective stations, the Steam Life-boat towing the other as far as the Crosby Light-Vessel.—Expense of service, 42*l.* 17*s.*

COMMITTEE MEETING, 14th March, 1901.

Voted 543*l.* 14*s.* 6*d.* to pay for launches, etc., by the following Life-boats with the view of assisting vessels which appeared to require help:—Aber-soch, Caister No. 1, Clovelly, Gorleston No. 1, Hasborough, Hilbre Island, Hoylake, New Brighton (Steam Life-boat), Palling No. 2, Point of Ayre, Polpear, Shoreham, Winchelsea, Winterton No. 2, Withernsea and Worthing.

Voted a gratuity to Mr. J. STEPHEN on his retirement from the post of Coxswain of the Montrose No. 2 Life-boat.

Also 5*l.* to a man who was injured while on service with the Winchelsea Life-boat on the 15th February.

March 17.—PALLING, NORFOLK.—*Hearts of Oak* Life-boat.—The Life-boat was launched at 12.7 p.m., signal guns having been heard in the direction of the Hasborough Sands apparently fired from the Would Light-Vessel. A dense fog prevailed at the time, the sea was smooth,

and a light wind was blowing from N.N.W. The s.s. *Ardleithen*, of Aberdeen, bound from the Tyne for an Argentine port, with a cargo of coal and coke, was found aground on the sands and, at the request of the master, the Life-boat remained in attendance until the vessel was again afloat.—Expense of service, 62*l.* 13*s.* 6*d.*

March 18.—WHITBY, YORKSHIRE.—*Robert and Mary Ellis* Life-boat.—Several fishing cobles were returning home in the morning when the sea rapidly rose and rendered it highly dangerous for the boats to cross the bar. Two of them had very narrow escapes of broaching-to and being swamped by the heavy seas. At 11.30 the Life-boat was taken out and remained in attendance on the other cobles until they succeeded in getting safely into the harbour.—Expense of service, 16*l.* 13*s.*

March 21.—MARGATE, KENT.—*Eliza Harriet* Life-boat.—About 4.40 p.m. a telegram was received from Lloyd's agent at Whitstable stating that a brigantine had stranded on the Red Sand and that her crew were apparently in jeopardy. A strong gale was blowing from N.E. and the sea was rough. The crew of the Life-boat were summoned and in ten minutes from the receipt of the telegram the boat was launched and was on her way to the scene of the casualty. On reaching the West Last a vessel was observed about N. by W., and thinking she was the one reported to be in distress the boat made for her, but found she was a brig riding at anchor. As darkness had now set in, the Life-boatmen boarded her to ascertain if her crew could give any information respecting the stranded vessel. They were informed that a sunken vessel had been seen in a S.W. direction about a mile and a half distant, but no men had been observed either on the vessel or on her masts. Proceeding in the direction indicated, the Life-boat searched until 9.30 when the strong tide rendered it prudent to put into Whitstable for a time. About 4 a.m., having received fresh directions, she again put off, resumed the search, and at daylight found she was close to the vessel sunk between the Red and Middle Sands; her foreyard was just under

water and, on running in nearer to her, men were seen in the top. The Life-boat, having sailed to windward of the wreck, lowered her foremast and with the help of oars got alongside with her head right under the vessel's foretop, this being the only way of getting the men off, as they were utterly helpless. They numbered three: the survivors of a crew of seven. Having taken the men, one of whom was almost lifeless, on board, the boat was with some difficulty got clear of the wreck and at once sailed for Whitstable. The tide being low when she arrived, a dinghy was procured by means of which the rescued men were landed, and they then received proper attention. At high water the Life-boat left for her station, arriving home about 4.30 P.M. The wrecked vessel was the brigantine *Rose*, of Whitstable, laden with coal.—Expense of service, 50*l.* 6*s.*

March 22.—CLACTON-ON-SEA, ESSEX.—*Albert Edvard* Life-boat.—In response to messages by telephone, and signal guns fired from the Swin Middle Light-Vessel, the Life-boat was launched at 8.50 A.M. and found the brig *Comforter*, of Tönsberg, laden with firewood, from Fredrikstad for Rochester, stranded on the Middle Barrow Sand. A moderate E. gale was blowing and the sea was rough. At the master's request the Life-boat stood by the vessel, but when the tide receded she broke her back and when the tide again flowed her crew of seven men decided to leave her and got into the Life-boat. The wind and tide being against her, the boat hung on to the wreck for a time, but, the spars, etc., beginning to fall, she was compelled to cast off and anchored until high water, when she was able to proceed on her homeward journey. At daylight she fell in with the s.s. *Spero*, of Newcastle, which kindly towed her as far as the S.W. Gunfleet buoy, then crossing the Sands Clacton was reached at noon, all on board the boat being greatly exhausted.—Expense of service, 48*l.* 14*s.* 6*d.*

March 25.—WEXFORD.—*James Stevens No. 15* Life-boat.—A sudden gale sprung up from the E.N.E., accompanied by snow-showers and a heavy sea, and the schooner *Perseverance*, of

Wexford, homeward bound in ballast from Dublin, stranded on Raven Point. The Life-boat put off at 9 A.M. and stood by her until she floated and succeeded in getting into the harbour.—Expense of service, 14*l.* 8*s.* 6*d.*

March 25.—SOUTHEND-ON-SEA, ESSEX.—*James Stevens No. 9* Life-boat.—In the morning a strong breeze was blowing from N.E., the sea was moderate and the weather thick, with snow squalls. About 10 o'clock the coxswain of the Life-boat received a message by telephone from the pierhead to the effect that a barque was aground on the Nore Sand and in a dangerous position. He at once summoned the crew of the Life-boat and proceeded to the rescue. The vessel proved to be the *Grethe*, of Kragerö, homeward bound from London, in ballast, and manned by a crew of nine men. At the master's request the Life-boat remained by the barque until she floated at about 3 P.M.—Expense of service, 12*l.* 3*s.*

March 25.—CLACTON-ON-SEA, ESSEX.—*Albert Edward* Life-boat.—While a strong breeze was blowing from N.E., accompanied by a rough sea and snow squalls, the Coastguard reported a vessel on the Buxey Sand showing a signal of distress. At 10.30 A.M. the Life-boat was launched and found the fishing smack *William and Eliza*, of Tollesbury, stranded on the N.E. part of the sand and bumping heavily. The master asked the Life-boatmen to remain by him; his request was acceded to, and when the tide rose the smack floated and was able to resume her journey, having received no apparent injury.—Expense of service, 15*l.* 15*s.*

March 26.—PEEL, ISLE OF MAN.—*Mayhero Medwin* Life-boat.—The lugger *Maria Jane*, of Peel, left the harbour at about 4 P.M., for mackerel fishing off the coast of Ireland. A strong breeze was then blowing from N.N.W. and the sea was rough. She sailed out of the bay and when she arrived behind the breakwater her fore mast suddenly snapped, falling overboard with the sails, and had to be cut adrift. Finding themselves close under the sharp rocks at Peel Castle her crew let go an anchor, which fortunately held, but although for the time the lugger was

safe she was liable at any moment to certain destruction should her anchor drag or the cable part. Her position being seen from the shore, the signal was fired and in ten minutes the Life-boat was on her way to the vessel. The wind had by that time increased to a gale and the sea had become very heavy. Finding that the anchor was still holding, some of the Life-boatmen boarded the lugger, assisted to rig a jury mast and to improvise sails, after which the anchor was slipped and the vessel was taken back into a place of safety.—Expense of service, 11*l.* 11*s.*

March 29.—PENZANCE, CORNWALL.—*Elizabeth and Blanche* Life-boat.—The wind suddenly shifting from N.E. to W.S.W., in the morning, the barque *Antarctic*, of Swansea, homeward bound from London, in ballast, and lying wind-bound in Mount's Bay, became embayed and was in a dangerous situation. The wind increased in force during the day, until at nightfall it attained the force of a strong gale, a heavy sea set into the bay and the barometer was falling rapidly and there was every indication of the weather becoming worse; it was therefore considered advisable that the Life-boat should proceed to the vessel's assistance. The boat was launched at 10 P.M., and on reaching the barque the master being warned of his danger decided to leave the vessel with his crew of eight men. They were taken into the Life-boat and were landed at 11.45 P.M. The vessel was then riding very heavily; her windlass being damaged prevented her anchors from being got up, and it was feared that if a steam-tug were procured and the anchors were slipped she would probably be driven ashore.—Expense of service, 30*l.* 7*s.* 6*d.*

March 30.—FERRYSIDE, CARMARTHEN BAY.—*City of Manchester* Life-boat.—A telegram having been received from Tenby in the morning intimating that a vessel was showing signals of distress, the Life-boat was launched at 8.35 and proceeded to the vessel which was found to be the ship *Australia*, of Christiania, laden with coal and bound from Cardiff for Rio de Janeiro. She had grounded on Carmarthen Bar in a whole gale. On account of the very

heavy breaking seas the Life-boatmen experienced great difficulty in getting alongside the vessel, which was then under water, but after several attempts they were successful and rescued fifteen men who had lashed themselves in the rigging. One of them, the master, had a broken arm. The crew originally consisted of seventeen men, but two of them had unfortunately lost their lives before the Life-boat arrived. In effecting the rescue the assistant coxswain of the Life-boat was washed out of the boat by a heavy sea, but was picked up uninjured.

His Majesty the King of Norway and Sweden graciously presented the Medal for Saving Life, second class, to Mr. DAVID JONES, coxswain of the Life-boat, and £1 to each of the fourteen men who formed the crew of the boat on the occasion in question, in recognition of their meritorious conduct. Their services were also specially recognised by the Institution, an extra reward being granted to each of the men.—Expense of service, 19*l.*

March 30.—HARWICH, ESSEX.—*City of Glasgow* steam Life-boat.—While a gale was blowing from the S., accompanied by a heavy sea, a telephone message was received from Felixstowe stating that a schooner was aground on the St. Andrew's Bank and that she had signals of distress flying. The steam Life-boat left her moorings at 9.10 A.M. and found the stranded vessel was the *Rose*, of and for Ipswich, laden with granite from Guernsey. It was seen that she would inevitably become a total wreck, and her crew of four men were therefore taken into the Life-boat and safely landed at about 11.45.—Expense of service, 6*l.* 3*s.* 9*d.*

April 2.—DOUGLAS, ISLE OF MAN.—*Civil Service No. 6* Life-boat.—While a strong breeze was blowing from the S., the schooner *Mersey*, of Dublin, bound from Waterford, in ballast, for Point of Ayre, anchored near the rocks outside Conister. She was then in a dangerous position, a very heavy sea was running, and when her anchors commenced to drag she was in a very critical situation. She signalled for assistance and in response the Life-boat was launched and rescued, her crew consisting of three men.—Expense of service, 16*l.* 4*s.*

April 6.—DUNGENESS, KENT.—*R.A.O.B. Life-boat*.—The Coastguard watchman having informed the coxswain of the Life-boat that a large steamer had stranded on the Newcome Sand, he at once summoned the crew and at 6.15 P.M. the boat was launched. A strong S.W. breeze was blowing, the sea was moderate, and a thick fog prevailed. The Life-boat stood by the vessel—the *Aleinous*, of Liverpool, on a voyage from China to Amsterdam—until she floated and was out of danger. The boat returned to her station at about 10 o'clock.—Expense of service, 27*l.* 8*s.*

April 9.—MARGATE, KENT.—*Civil Service No. 1 Life-boat*.—At about 1 A.M. the Coastguard reported that rockets were being fired from the Tongue Light-Vessel; the crew of the Life-boat were thereupon summoned and the boat was as soon as possible launched. The weather was squally, the wind blowing with the force of a moderate gale, and there was a moderate sea. On speaking the Tongue Lightship it was ascertained that she was answering signals made by the Princes Channel Light-Vessel and that a flare had been seen bearing W.N.W., apparently shown by a vessel on the Shingles. The boat then proceeded to the Princes Channel Lightship and was informed that a brigantine had been aground on the Shingles, but had floated soon after one o'clock and proceeded towards the North Foreland. The Life-boat went in search of the vessel, found her lying at anchor, and asked the master whether any assistance was required. He replied that he had desisted from pumping in order to ascertain to what extent the vessel was leaking, and he asked that the Life-boat might remain by. In about half-an-hour's time the pumps were tried and it was found that the water was gaining at the rate of about four inches an hour. He then engaged the Life-boatmen to take the vessel into harbour. Some of them boarded her, pumped her dry, got up her remaining anchor, the other having been lost when she stranded, and made sail for Faversham, for which port she was bound, arriving there at about 6.30 P.M. The Life-boat had meanwhile returned to her station, where

she arrived at 9 A.M. The vessel was the *Mary Johns*, of Fowey, coal laden, from Swansea, and manned by a crew of seven men.—Property Salvage Case.

April 12.—RUNSWICK, YORKSHIRE.—*Cape of Good Hope Life-boat*.—The fishing cobsles belonging to Runswick were aloft when a heavy sea sprung up imperilling their safety. It became evidently a case for the Life-boat, but unfortunately the men who usually form her crew were now actually those in danger in the fishing boats. The Life-boat was, however, got ready, and by that time one of the cobsles was driven safely ashore. Her crew were joined by other men who volunteered their services for the Life-boat, and ultimately a scratch crew of twelve men was obtained. The launch of the Life-boat was successfully effected by women, who bravely waded into the water to get her off. She stood by four of the cobsles, each containing a crew of three men, until they had safely landed. The Life-boat was launched at 12.45 P.M. and returned at 2.30, the women, who, of course, were thoroughly drenched by wading into the water, not leaving the beach until all the fishermen were out of danger.—Expense of service, 8*l.* 12*s.* 6*d.*

COMMITTEE MEETING, 18th April, 1901.

Voted 54*l.* 5*s.* 9*d.* to pay for assemblies of the crews, watching or launches by the following Life-boats, with the view of assisting those on board vessels apparently in distress:—Arbroath, Bude, Cadgwith, Caister No. 1, Clacton, Cromer, Dunbar, Filey, Gorleston No. 1, Hauxley, Holyhead (Steam Life-boat), Hoylake, Lowestoft No. 2, Margate Nos. 1 and 2, New Romney, Padstow, Palling No. 2, Port Erroll, Southend (Cantyre), Southend (Essex), Tenby, Weston-super-Mare, Weymouth, Whit-horn, and Winterton No. 2.

The crew of the St. Ives Life-boat also assembled, ready to put off if necessary, but made no charge, those in danger being fellow-fishermen.

Voted 16*l.* 2*s.* to men injured while engaged in the Life-boat service at Kingsdowne, Rye and Winterton.

Awarded a certificate and a pension to Mr. DAVID JONES, on his retirement from the office of Coxswain of the Life-boat at Llanaelhaiarn.

Also pensions to Mr. WILLIAM MAYNARD, Mr. R. RANDALL and Mr. OWEN EVANS, retiring Signalmen at Bude, Morthoe and Llanaelhaiarn.

May 2. — GORLESTON, SUFFOLK. — *Mark Lane* Life-boat.—At 2.45 P.M. the Cross Sand Lightship fired signals, which were repeated by the St. Nicholas Lightship, and in response the Life-boat was launched and was towed by the steam-tug *Meteor* to the East Cross Sand, where the s.s. *Ossian*, of Leith, homeward bound from Bordeaux, with a general cargo, and having on board a crew of sixteen persons and one passenger, was found to be in a very precarious position. With the help of steam-tugs and the Life-boatmen, she was got clear of the sand, brought up in the roads, and subsequently taken into harbour.—Property salvage case.

COMMITTEE MEETING, 9th May, 1901.

Voted 52*l.* 8*s.* for the expenses of the launch of the Giles' Quay and Palling No. 2 Life-boats and assemblies of the crews at Atherfield and Porth Rhuffydd, with the view of assisting vessels in distress.

The Ramsgate Life-boat was taken out but her services were not ultimately called into requisition.

Voted pensions to Mr. CHRISTIAN DIPPE and Mr. WILLIAM MARSHALL on their retirement from the office of Coxswain and Assistant-Coxswain respectively of the Penarth and Bude Life-boats.

Also a pension to Mr. JOSEPH WOOD, ex-Coxswain at Berwick-on-Tweed.

Also 3*l.* 7*s.* to two men injured while engaged in the Life-boat service at Weston-super-Mare and Llandudno.

A pecuniary grant was made to the widow of the late bowman of the Berwick-on-Tweed Life-boat.

May 17.—HARWICH, ESSEX.—*City of Glasgow* steam Life-boat.—In reply to

signals from the Cork Light-ship denoting that a vessel was on the Sands, the steam Life-boat left her moorings at 7.5 P.M., and proceeded through a moderate sea to the assistance of the vessel, which proved to be the schooner *Harriet*, of Goole, laden with rice from London for Great Yarmouth. About five minutes before the Life-boat reached the spot, a beach boat from Woodbridge Haven had arrived and her crew had been engaged to render assistance. The Life-boat stood by until the schooner floated and no further help was required.

This was the first service rendered by the new steam Life-boat, and her behaviour and speed gave great satisfaction.—Expense of service, 8*l.* 5*s.*

May 18.—STAITHES, YORKSHIRE.—*Jonathan Stott* Life-boat.—The Life-boat was launched at 6.30 A.M., and remained in attendance until several cobbles, which had been overtaken by a heavy sea, had safely reached the shore.—Expense of service, 9*l.* 5*s.*

June 11.—HOLYHEAD, ANGLESEY.—*Joseph Whitworth* Life-boat.—A telephone message having been received from the Breakwater Lighthouse stating that a boat, containing one man, was drifting across Church Bay and was evidently in need of assistance, the coxswain of the Life-boat went to the coastguard station, and, with the aid of a telescope, saw the boat drifting helplessly. A strong breeze was blowing from N.W., and the sea was rough. He at once summoned the crew, and at 3.10 A.M. the Life-boat was launched, and was fortunately successful in taking the man and his boat safely back to the shore.—Expense of service, 14*l.* 10*s.*

COMMITTEE MEETING, 13th June, 1901.

Voted the Silver Medal of the Institution, with a copy of the vote inscribed on vellum and framed, to Mr. RICHARD OWEN, assistant-coxswain of the Moelfre Life-boat, in recognition of his excellent services and conspicuous courage displayed on many occasions, especially in November last, when he jumped overboard, although unable to swim, to disentangle a net which had fouled the boat's rudder. He was appointed

assistant-coxswain in 1887, and since then the Life-boat has been launched for service on twenty-one occasions and has saved fifty-seven lives.

Voted a pension to Mr. F. JOSE on his retirement from the office of coxswain of the Falmouth Life-boat. The services of Mr. SAMUEL SOUTHERDEN, late assistant-coxswain of the Life-boat at Rye, were also specially recognised.

Voted 169*l.* 19*s.* to pay for watching, assemblies of crews or launches of Life-boats, with the view of assisting those on board vessels in distress, at the following stations:—Ackergill, Aranmore, Cemaes, Huna, Lowestoft No. 2, Palling No. 2, Whitby No. 2, and Winterton No. 2.

The Caister No. 1 and Winterton No. 1 Life-boats were also launched, but their services were not needed.

Voted 13*l.* 0*s.* 6*d.* to two men injured on the occasion of an exercise of the St. Ives Life-boat.

June 17.—NEWQUAY, CORNWALL.—*James Stevens No. 5 Life-boat.*—At about 5.10 P.M. the Coastguard reported that a vessel about four miles N. of Towan Head was in need of assistance. A strong breeze from N. was then blowing, the sea was moderate and the weather cloudy. The Life-boat was launched and proceeded towards the vessel; a fishing lugger, which happened to be in the bay, also bore down on her, and found that her mainmast had broken at the hounds; both boats took her in tow and succeeded in getting her safely into the harbour. She was the ketch *Annie*, of Bideford, bound from Sydney for St. Agnes, with a cargo of coal.—Expense of service, 14*l.* 16*s.* 6*d.*

June 22.—ST. AGNES, ISLES OF SCILLY.—*James and Caroline Life-boat.*—A large four-masted barque, the *Falkland*, of Liverpool, laden with wheat from Tacoma, Puget Sound, for Falmouth, in endeavouring to weather the islands in a moderate gale from S.S.W., a heavy sea and thick weather, in the evening missed stays, and was driven on to the Bishop Rock. One of her boats was lowered, and into this twenty-seven persons were taken, amongst them being the captain's wife and baby, but

the captain and five of the crew unfortunately lost their lives, the vessel suddenly foundering about ten minutes after she struck the rock. The Life-boat put off to the scene of the casualty as soon as possible; took the ship's boat in tow, and her occupants landed at St. Mary's, where they were well cared for, several of them being in an exhausted condition.—Expense of service, 19*l.* 12*s.*

July 6.—WALMER, KENT.—*Civil Service No. 4 Life-boat.*—The s.s. *Cid*, of and for Barcelona, laden with coal from the Tyne, stranded on the Goodwin Sands in a dense fog. Signals were fired by the South Sand Head Light-vessel, in response to which the Life-boat was launched at 3.30 A.M. and proceeded to the Sands, but the fog was so thick that it was utterly impossible to discern anything and the boat therefore anchored until about 7 o'clock when two musket shots were heard, fired close to her and the position of the vessel was revealed. She had one of her boats out and the crew therefore declined any help thinking they would be able to lay out a kedge anchor, but, encountering heavy seas, their boat was nearly capsized and had to return to the steamer. The services of the Life-boatmen were then engaged; they laid out a large anchor with about a hundred fathoms of wire hawser and ultimately the vessel, which was at one time in dangerous proximity to the wreck of another steamer which had for some time been lying on the sands, was got off and was taken to the Downs where she was safely anchored.—Property salvage case.

COMMITTEE MEETING, 11th July, 1901.

Voted certificates of service and a pension to Messrs. JOHN GLOVER and THOMAS MARTIN, on retirement from the office of Coxswain respectively of the Weston-super-Mare and Portrush Life-boats.

Voted a pension to Mr. WILLIAM JENKINS and a gratuity to Mr. WILLIAM BROWN, retiring Assistant-Coxswains at Cardigan and Porthcawl. The services of Mr. W. MANN, ex-bowman at Portrush, were specially recognised.

Voted 147*l.* 10*s.* to pay for watching,

assemblies of crews or launches at the following Life-boat stations with the view of rendering help to those on board distressed vessels:—Aranmore, Caister No. 1, Gorleston No. 1, Hope Cove, Margate No. 1, Newquay (Cardiganshire), Salcombe and St. Mary's.

The Committee expressed their deep sympathy with the families of Messrs. JOHN OWEN and THOMAS OWEN, firemen, who lost their lives by an explosion on board the steam Life-boat *Duke of Northumberland* on the 26th June. Inquests were held on the bodies of the two men, the juries returning a verdict of accidental death. A grant of 1000*l.* was made to the widows and families of the men, and the funeral and other expenses were defrayed by the Institution.

The Committee ordered that their approval of the manner in which he discharged his duties on a very trying occasion be conveyed to Mr. BASIL HALL, late Lieutenant R.N., District Inspector of Life-boats, who was on board the steamer at the time of the unfortunate occurrence.

The sum of 2*l.* 17*s.* 6*d.* was granted to two men slightly injured while on service at Criccieth and Flamborough.

July 16.—YOUGHAL, CO. CORK.—*Mary Luckombe* Life-boat.—The barque *Pax*, of Liverpool, outward bound with a general cargo, stranded about half a mile north of Knockadoon Head, having lost some of her sails, while a moderate gale was blowing from S.S.W., accompanied by a rough sea. Information of the casualty having been received by the Honorary Secretary, the Life-boat was very promptly launched at 10.30 A.M., reached the vessel and stood by her for some time. She was rolling and bumping heavily but fortunately, the ground being of a sandy nature, she received no material damage and, an anchor having been laid out, she swung to it as the tide rose and eventually got out of danger.—Expense of service, 8*l.* 7*s.*

July 25.—PETERHEAD.—*George Pickard* Life-boat.—At about 4.0 P.M. information was received that a fishing boat was stranded at Scotston Head. A moderate breeze was blowing from N.E., there was a heavy swell and the

weather was very thick. The Life-boat was launched and being towed by the steam-tug *Flying Scud*, belonging to the Harbour Commissioners, reached the stranded boat, the *Advance*, of Pittenweem. She had just managed to get afloat and was taken in tow by the tug, but the fishermen who were working at the pumps were unable to keep the water under; some of the Life-boatmen therefore went on board to assist in pumping and both boats were towed to the harbour, arriving about 6.30 P.M.—Expense of service, 9*l.* 16*s.*

Aug. 1.—HOLYHEAD, ANGLESEY.—*Joseph Whitworth* Life-boat.—While a moderate breeze was blowing from S.W., accompanied by a smooth sea and fine weather, a message by wireless telegraphy was received about 5 P.M., stating that a steam trawler was stranded at Carmel Point. The Life-boat was launched, and found the stranded vessel was the *Goeland*, of Liverpool. The master asked the Life-boatmen to stay by him until he could ascertain whether it would be safe for him to proceed on his journey when the vessel floated. His request was complied with, the Life-boat remaining by the trawler until she reached the West Mouse, when no further help was needed.—Expense of service, 23*l.* 2*s.* 6*d.*

COMMITTEE MEETING, 1st August, 1901.

Voted a certificate of service and a pension to Mr. NOBLE RUDDOCK, ex-Coxswain, also a pension to Mr. JOHN O'BRIEN, Bowman, of the Courtmacsherry Life-boat, on their resignation.

A gratuity was awarded to Mr. JOHN HALL, injured while employed on board the steam Life-boat *Duke of Northumberland*, on the 26th June.

Voted the silver medal and a pecuniary grant to Mr. JETHRO PETTIT, ex-Coxswain of the Broadstairs Life-boat, in recognition of his good services in the boat during the period in which he held office.

Voted 16*l.* 15*s.* to a man who was injured while engaged on service with the Winchelsea Life-boat.

Aug. 25.—**MOELFRE, ANGLESEY.**—Temporary Life-boat.—The schooner *Edith*, of Newry, bound from Liverpool for Drogheda, co. Louth, with coal, was lying in the outer roads while a whole gale was blowing from N.N.W., accompanied by a very heavy sea and thick weather, on the 25th August. She was riding heavily at her anchors and her crew feared that her cables would part and that she would be dashed on the rocks at Llandona, in which event there would be but little hope of the vessel or those on board being saved. They therefore showed signals of distress, and at 12.35 p.m. the Life-boat placed here during the absence of the Life-boat belonging to the station for repair, was launched and took the four men safely ashore. Fortunately the anchors held and the schooner safely rode out the gale.—Expense of service, 8*l.* 11*s.*

Aug. 26.—**HOLYHEAD, ANGLESEY.**—*Duke of Northumberland* steam Life-boat.—A message by telephone was received from the South Stack Lighthouse, reporting that a schooner about six miles distant was signalling for assistance. The Life-boat left her moorings at 12.20 p.m., and proceeded through a very heavy sea, a strong gale blowing from N.W., to the vessel, which was found to be the *Mabel*, of and from Bideford, laden with clay for Runcorn. She however succeeded in getting into the harbour without any help. The Life-boat then went to the s.s. *Barbadian*, of Liverpool, homeward bound, in ballast, from Cape Town. Her engines had broken down and she had anchored about half a mile from the end of the breakwater in a very dangerous position. Two tugs were in attendance, and at the request of the master the Life-boat stood by and rendered assistance in taking lines to the tugs, in order to get the hawsers on board, and in other ways, not leaving the vessel until she was taken safely into the harbour.—Property salvage case.

Aug. 26.—**REDCAR, YORKSHIRE.**—*Brothers* Life-boat.—One of the pilots went out in his boat, the *Try Again*, to bring back another pilot who was taking out a steamer. The wind, which was blowing from N.N.E., increased to a strong gale and a heavy sea sprung up, placing the boat in

considerable danger and rendering it absolutely impossible for her to return to the shore. At 3.30 p.m. the Life-boat was launched and sailed to the pilot boat, which was found riding at anchor off Marske and showing a signal for assistance. The man was taken into the Life-boat and his boat soon afterwards capsized.—Expense of service, 11*l.* 7*s.* 9*d.*

Aug. 26.—**PIEL (BARROW), LANCA-SHIRE.**—*Thomas Fielden* Life-boat.—In the evening, while a moderate gale was blowing from N.N.W. accompanied by a very rough sea, the Life-boat was launched, several women going into the water up to their waists to assist in effecting the launch, and proceeded to the yacht *Dorcas*, of Millom, which became water-logged and stranded in Morecambe Bay. The crew of two men were taken into the Life-boat, together with a fisherman who gallantly swam to the aid of one of the men and supported him until the Life-boat arrived.—Expense of service, 24*l.* 7*s.* 6*d.*

Sept. 8.—**DOUGLAS, ISLE OF MAN.**—*Civil Service No. 6* Life-boat.—At 7 a.m. the s.s. *Yarrow*, of Glasgow, bound from Silloth for Dublin and calling at Douglas on her way, with a general cargo and about fifty passengers on board, parted her bow ropes in attempting to moor alongside the Victoria Pier and drifted on the rocks between the Victoria and Red Piers, about fifty feet from the former. A moderate gale was blowing from S.S.E., there was a heavy swell and the weather was thick. As the vessel was in a dangerous position the Life-boat was launched at 7.10, reached the vessel in about a quarter of an hour and remained by her until she was towed clear of the rocks by the s.s. *Mona's Queen*, of Douglas. The passengers were afterwards landed and the *Yarrow* resumed her journey.—Expense of service, 8*l.* 19*s.*

COMMITTEE MEETING, 12th Sept., 1901.

Voted 285*l.* 8*s.* 6*d.* to pay the expenses of watching, assemblies of crews or launches, etc., at the following Life-boat stations, with the view of assisting distressed vessels:—

Aberystwyth, Aranmore, Berwick-on-

Tweed, Bull Bay, Cemaes, Cemlyn, Clovelly, Exmouth, Fraserburgh, Harwich and Holyhead (Steam Life-boats), Llandudno, Margate No. 1, Newquay (Cardiganshire), Salthurn, Scarborough, Uppang, Whitby No. 2 and Winterton No. 1.

Voted the silver medal of the Institution, a copy of the vote inscribed on vellum, and a pension to Mr. DAVID REES, on his retirement from the office of Coxswain of the Cardigan Life-boat, in recognition of his long and gallant services in saving life from shipwreck; and especially on the occasion of the rescue of the crew of the schooner *Mouse*, of Cardigan, on the 7th November, 1900.

Voted a certificate of service and a pension to Mr. ABRAM HICKS, also to Mr. JOHN H. LUCOCK, retiring Coxswains of the St. Agnes and Plymouth Life-boats.

Also pensions to Messrs. STEPHEN HICKS, senior, and STEPHEN HICKS, junior, retiring Signalmen at the St. Agnes and St. Mary's Life-boat stations.

Sept. 17.—NORTH DEAL, KENT.—*Mary Somerville* Life-boat.—A strong gale blew from S.W., the sea was very heavy, the weather was thick and rain was falling. At about 2 P.M. a vessel was sighted on the south part of the N.W. Goodwin Sands, the crew of the Life-boat were summoned and the boat launched. On nearing the sands, the anchor was let go and the Life-boat veered down to the vessel, which was found to be the barque *Maria*, of Venice, bound from Marseilles for Carlscrona, with a cargo of linseed cake. The mainmast had fallen, the wreckage was lying alongside the barque and the heavy seas rendered it very difficult to approach her, and the boat had her rudder considerably damaged by being dashed against the wreck. The crew of ten men were, however, got safely into the Life-boat, which then set sail and made for the Gull stream, where she fell in with the steam-tug *Cambria*, which kindly took her in tow back to her station. Three of the rescued men had been injured and were conveyed to the hospital. The vessel became full of water and was a total wreck.—Expense of service, 10*l.* 3*s.*

Sept. 17.—WEXFORD, CO. WEXFORD.—*James Stevens* No. 15 Life-boat.—At about 4 P.M. the Life-boat signalman observed a fishing boat with signals of distress flying close to the Blackwater Bank. He at once reported the circumstance, the crew of the Life-boat were summoned and the boat was launched. The vessel proved to be the yawl *Gannet*, of Wexford, returning home, in ballast, from the fishery grounds. She had been partially disabled by loss of gear, and as she was unable to fetch the bar the Life-boat passed a rope to her, assisted her into a position from which she could cross the bar and remained by her until she got into the harbour. A moderate gale was blowing from N.W. to N.N.W., with squalls, the sea was rough and the weather cold and showery.—Expense of service, 7*l.* 13*s.*

Sept. 17.—DUNGARVAN BAY.—*James Stevens* No. 16 Life-boat.—A report having been received that a fishing boat was in distress off Bonmahon Head, while a strong gale was blowing from N.N.W., with squalls, and a heavy sea running, the Life-boat was launched at 6.20 P.M. The Life-boat burnt a bright light and hoisted a lantern on her mast, but no response was received, and it was not until 1 A.M. that the vessel was found, and it was then ascertained that although the fishermen had seen the lights of the Life-boat, they had no light or other means by which they could make their position known. Her sails having been blown away, the Life-boatmen obtained some from another fishing boat and took them to her; the wind fortunately dropped to a calm and the boat, which was the smack *St. Nicholas*, of Dungarvan, was then able to make her way home.—Expense of service, 17*l.* 8*s.*

Sept. 17—18.—WHITBY AND UPPANG, YORKSHIRE.—*John Fielden* and *Uppang* Life-boats.—While thirty or forty open cobs were at the fishing ground, about three miles N. of Whitby, a strong gale suddenly sprung up from W.N.W., afterwards changing to N.W., and the sea became rough. About fifteen of the boats succeeded in returning to the harbour and the others were compelled to take shelter under Sandsend Ness, two miles W.N.W. from Whitby, but the wind and sea

increased and great anxiety was felt for the safety of the boats and their crews, their lights being eagerly watched by a large number of people who had assembled. Two boats in endeavouring to reach the harbour were driven behind the east pier and narrowly escaped being wrecked, but with assistance rendered by men on the pier they were hauled into the harbour full of water. At 10.30 the Whitby Life-boat was launched and remained in attendance on the boats until they were all in safety, the last one entering the harbour at 5.30 A.M.—Expense of service, 18*l.* 9*s.* 6*d.*

At 3.30 A.M., on the 18th September, the Uppang Life-boat was launched and also rendered assistance to several of the boats.—Expense of service, 22*l.* 4*s.* 6*d.*

Oct. 10.—CAISTER, NORFOLK.—*Beauchamp* Life-boat.—The Coxswain of the Life-boat observed signals of distress in the direction of Caister Shoal, on the night of the 10th October. A moderate wind was blowing from W.S.W., there was a heavy sea, and the weather was thick. The Life-boat was launched at 10.50, and found the flares had been shown from the dandy *Orient*, of Lowestoft, which had stranded on the shoal. Heavy seas were breaking over the vessel, and her boat had been washed away. In approaching her the Life-boat struck the ground several times, but the Life-boatmen succeeded in boarding her and were engaged by the master to assist in getting her off the sand. This was accomplished at 3.30 A.M., and the *Orient* was able to resume her journey home, the Coxswain of the Life-boat accompanying her, and the Life-boat returned to her station in charge of the assistant coxswain.—Property salvage case.

COMMITTEE MEETING, 10th Oct., 1901.

Voted 159*l.* 3*s.* to pay the expenses of assemblies of crews, watching or launches at the following Life-boat stations, with the view of assisting those on board vessels in distress:—Campbeltown, Douglas, Kingstown, North Sunderland, Palling No. 2, Port Erin, Ramsgate, Salcombe and Winchelsea.

Also a pension to Mr. PRIDEAUX

IMRIE retiring bowman at Berwick-on-Tweed, and to Mr. DAVID WISEMAN, ex-signalman at Lossiemouth.

The services of Mr. ROBERT WHITAKER, late Coxswain of the Donna Nook Life-boat, and Mr. JOHN THIRLWALE, formerly Coxswain at Middlesbrough, were also specially recognized.

Also voted 1*l.* 15*s.* to a man who was injured while on service with the Piel (Barrow) Life-boat on the 26th August.

Oct. 10.—GORLESTON, SUFFOLK.—*Leicester* Life-boat.—Flares having been reported as seen from a vessel in distress, the Life-boat was launched at 11.15 P.M. and found the steam-drifter *Dora*, of Sunderland, stranded on the North Bank. A moderate breeze was blowing, the sea was rough and the weather was thick. The Life-boat stood by the vessel and assisted to get her off the sands.—Property salvage case.

Oct. 19.—BLYTH, NORTHUMBERLAND.—*Dalmer* Life-boat.—The s.s. *Sainte Adresse*, of Rouen, in ballast, from Dieppe for Blyth, stranded on the Seaton Sea Rocks in a strong S.E. breeze, a heavy sea and slightly thick weather. She fired signals of distress and in response to them the Life-boat was launched, and being taken in tow by the steam-tug *Earl of Beaconsfield* proceeded to the stranded steamer. At the request of the master the Life-boat took two ropes to steam-tugs, but it was found that the vessel was nearly full of water and the captain therefore asked the Life-boatmen to stand by him until daylight. This was done, but he then refused to leave the vessel or to allow his crew to do so; they all, however, subsequently landed in their own boats, as there was but little doubt of the steamer becoming a total wreck. Whilst lying by the vessel the Life-boat was caught by a heavy sea and was carried under the quarter of the steamer which rolled over and struck the boat, seriously damaging her stem and the top of her port air-case.—Expense of service, 24*l.* 12*s.*

Oct. 21.—TYNEMOUTH, NORTHUMBERLAND.—*Forester* Life-boat.—The s.s. *Elsmore*, of Newcastle, in entering the Tyne in a dense fog proceeded too far

northwards and grounded close to the Black Midden rocks. The Life-boat put off to her assistance about 1.15 A.M. and stood by her until she floated and was out of danger.—Expense of service, 28*l.* 16*s.*

Oct. 21.—**SENNEN COVE, CORNWALL.**—*Ann Newbon* Life-boat.—A very heavy sea sprung up at nightfall, and some anxiety was felt respecting three fishing-boats which were at sea. At 8.30 one of them arrived and brought to at her moorings about a mile off the shore. Her crew signalled for assistance and in response the Life-boat was launched and brought the two men safely to land.—Expense of service, 26*l.* 5*s.*

At 10 o'clock another boat arrived and signalled for help. The Life-boat was again launched and landed the crew consisting of three men. The Life-boatmen remained on duty ready to assist the third boat should she come in. She put in an appearance about midnight, but the sea fortunately had subsided, and her crew in response to signals stated that they were not in need of any assistance.—Expense of service, 26*l.* 5*s.*

Nov. 2.—**GROOMSPORT, Co. DOWN.**—*Chapman* Life-boat.—The schooner *Wilhelmine*, of Idafehn, stranded on the outer Briggs Reef in a moderate S.E. breeze, a heavy ground swell and hazy weather. The Life-boat went to her assistance and remained by her until she floated with the rising tide. She was laden with stone from Portland for Belfast.—Expense of service, 29*l.* 19*s.*

Nov. 7.—**HOYLAKE, CHESHIRE.**—*Coard William Squarey* Life-boat.—Two steamers came into collision, and one of them, the *Feadon*, of Penzance, bound from Garston for Putreath with coal, stranded on the East Hoyle Bank. The Life-boat went to her assistance and assisted to get her afloat.—Expense of service, 31*l.* 16*s.*

Nov. 7.—**PORTHCRAWL, GLAMORGANSHIRE.**—*Speedwell* Life-boat.—In the morning information was received that a large vessel had stranded near Dunraven, a very dangerous part of the coast, in a thick fog. At 11 o'clock the Life-boat was launched, and on reaching the vessel found she was the full-rigged ship *Elfi*, of Mandal, laden with wheat from Australia for Bristol. The Life-boat stood by the

vessel, laid out an anchor and helped to get her afloat, and on the arrival of a steam-tug she was taken in tow, one of the Life-boatmen going with her to pilot her.—Property salvage case.

Nov. 12.—**DOVER, KENT.**—*Mary Hamer Hoyle* Life-boat.—The Life-boat was launched at 10.30 A.M., in a strong gale from S.S.W. and a very heavy sea, to the assistance of the barge *Jasper*, which had parted her tow-rope and stranded. The Life-boat stood by the vessel until the crew were out of danger.—Expense of service, 23*l.* 12*s.* 6*d.*

Nov. 12.—**DOVER and WALMER, KENT.**—*Mary Hamer Hoyle* Life-boat and *Civil Service No. 4* Life-boat.—In the evening the Dover Life-boat was again called out, and proceeded to the s.s. *Stelvio*, of Shields, which was at anchor in the bay in a disabled condition. Her crew of twenty-one men were rescued by the Life-boat which then had to run for Ramsgate. The boat's rudder having been damaged, she anchored off Deal and burnt flares for assistance, in response to which the Walmer Life-boat went out and supplied her with steering gear. She reached Ramsgate at 10.15 P.M., and safely landed the rescued men, who were housed at the Sailors' Home.—Expenses of services, Dover, 30*l.* 9*s.*; Walmer, 29*l.* 4*s.*

Nov. 12.—**TENBY, PEMBROKESHIRE.**—*Anne Collin* Life-boat.—The schooner *Janette Anne Jane*, of Carnarvon, bound from Porthcawl for Portmadoc with coal, was riding heavily in the roadstead, with two anchors down, while a strong S.W. gale was blowing and in a heavy sea. About 1 P.M. one of her cables parted, and as she commenced to drag the other anchor, she signalled for assistance. The Life-boat proceeded to her, rescued her crew of four men, and safely landed them at Tenby.—Expense of service, 21*l.* 6*s.* 6*d.*

Nov. 12.—**CAMBOIS, NORTHUMBERLAND.**—Temporary Life-boat.—In the afternoon, the barque *Habet*, of Svelvik, bound from Sunderland for Christiania, with a cargo of coal and coke, struck the rocks, and eventually went aground on the beach in a whole gale from E. and a very heavy sea. The Blyth Life-saving Company fired a rocket across the vessel, but the crew did not avail themselves of

the line. The Cambois Life-boat was launched, but was driven back to the shore. A second launch was effected, and with the help of the rocket apparatus line, the boat was got alongside the vessel, which was rapidly going to pieces. The work of taking off the crew was at once commenced, but unfortunately one of the men was swept away by the heavy seas. Another man had been lost before the Life-boat was launched. The seven survivors were rescued by the Life-boat, and as the last of them was being taken off, the vessel completely broke up. An additional reward was granted to the crew of the Life-boat in recognition of their excellent services performed under very trying circumstances, and with a good deal of risk.—Expense of service, 35*l.* 17*s.*

Nov. 12.—LITTLEHAMPTON, SUSSEX.—*James Mercer and Elizabeth* Life-boat.—The Coastguard having reported a vessel burning a flare-up light about a mile E. of the harbour, the Life-boat was launched at 6.20 P.M. A whole gale was blowing from S.W., the sea was heavy and the weather thick. The signal proved to have been shown by the stranded brigantine *Amy*, of Plymouth, bound from Sunderland for Exeter, with a cargo of coal. Her crew of six men were rescued by the Life-boat, and landed about two miles E. of Littlehampton, the tide preventing the boat from returning direct to her station.—Expense of service, 35*l.* 5*s.*

Nov. 12.—NEWBIGGIN, NORTHUMBERLAND.—*Robert and Susan* Life-boat.—While a whole gale was blowing from the E., accompanied by a very heavy sea and thick weather, the ketch *Samuel and Ann*, of Hull, bound from Rochester for Perth, stranded in the Bay and became a total wreck. The Life-boat was launched at 11 P.M., and with great difficulty and danger succeeded, after several futile attempts, in reaching the vessel and saving her crew, consisting of four men, who were greatly exhausted. The ketch broke up soon after the men had been taken off.

An extra reward was granted to the crew of the Life-boat in recognition of their specially good services on

this occasion.—Expenses of service, 43*l.* 1*s.* 3*d.*

Nov. 13.—SCARBOROUGH, YORKSHIRE.—*Temporary* Life-boat.—A whole gale blew from E.N.E. accompanied by a very heavy sea, and as some vessels were observed to be making for the harbour the Life-boat was launched at 6.45 A.M. A Scotch fishing boat was the first to arrive and entered safely at about 7.15. A ketch was following, but a very heavy sea struck her and she foundered immediately about three-quarters of a mile S.E. of the pier head with the loss of the whole of her crew. At about 9.30 the brigantine *Boxer*, of Whitstable, laden with chalk from Gravesend for Hartlepool, attempted to enter the harbour, but all the canvas she had set was blown to pieces, and she drove on the beach about a quarter of a mile S. of the pier head. The Life-boat proceeded to her and rescued her crew, consisting of eight men.—Expense of service, 28*l.* 17*s.* 6*d.*

Nov. 13.—FLEETWOOD, LANCASHIRE.—*Maude Pickup* Life-boat.—In response to signals of distress shown by the barquentine *Pollux*, of Windau, the Life-boat was launched at 10 A.M. and proceeded to the vessel, which had dragged her anchor and drifted on the North Wharf Bank, on the S. side of Lune Deep. A gale was blowing from N.E., there was a heavy cross sea, and the vessel was in a dangerous position, her fore and main masts having gone by the board. The Life-boat remained by her until a steam-tug arrived and towed her out of danger.—Expense of service, 11*l.* 13*s.*

Nov. 13.—REDCAR, YORKSHIRE.—*Brothers* Life-boat.—While a whole gale was blowing from E.N.E. accompanied by a very heavy sea the galliot *Gebruder*, of Barssel, bound from London for Leith, stranded opposite Redcar. She had been seen drifting shorewards with a signal of distress flying, and as she approached the Saltscar Rocks a huge wave lifted her clean over them and she drifted ashore opposite the Life-boat house. The Life-boat was launched at 4.30 P.M. and rescued the crew, consisting of four men.—Expense of service, 29*l.* 15*s.*

COMMITTEE MEETING, 14th Nov., 1901.

Voted 119*l.* 17*s.* to pay for assemblies of the crews, watching, or launches by the following Life-boats, with the view of assisting those on board vessels apparently in distress:—Broadstairs, Gorleston, Ilfracombe, Palling No. 1, St. Andrews and Walton-on-the-Naze.

The Ramsgate Life-boat was launched in response to signals from the East Goodwin Lightship, but her services were not required.

Voted a certificate of service and a pension to Mr. GEORGE HORN and a certificate to Mr. P. PARKINSON, Coxswains of the Sidmouth and Withernsea Life-boats respectively, on their retirement from office.

Also pensions to Mr. EDWIN CAREY and Mr. WILLIAM ROSS, retiring Assistant Coxswains of the Donna Nook and Dornoch Life-boats.

Also a pension to Mr. JOHN JAMIESON, ex-signalman at Kildonan.

Also 1*l.* 5*s.* to a man injured on the occasion of an exercise of the Groomsport Life-boat.

The services of a man who was formerly one of the crew of the Wells Life-boat were specially recognized.

Voted 10*l.* to a man injured on board the Institution's steam-tug *Helen Peele*, stationed at Padstow, Cornwall.

Nov. 14.—GORLESTON, SUFFOLK.—*Mark Lane* Life-boat.—While a whole gale from N.N.E. was blowing, accompanied by a very heavy sea and thick weather, the steamer *Hugo*, of Gothenburg, was seen at daybreak drifting into the broken water outside the North Sand. The Life-boat proceeded to her assistance in tow of the steam-tug *United Service*; some of the Life-boatmen boarded her, a wire hawser was taken from her to the tug and she was taken safely into the harbour. She had a crew of nine men.—Property salvage case.

At 10.15 A.M. the ketch *Clarence*, of Bridgwater, bound for Whitstable with coal, was seen by the coastguards dragging her anchors in the north part of Corton Roadstead and in danger of colliding with another vessel anchored astern of her. She was showing signals of distress. The Life-boat proceeded to

her and took her and her crew of four men into Lowestoft Harbour.—Property salvage case.

Nov. 14.—COURTOWN, CO. WEXFORD.—*Three Sisters* Life-boat.—The ketch *Excel* having been observed in a disabled condition about three miles E.N.E. of the harbour, while a strong breeze was blowing, the Life-boat went to her assistance. The vessel was found to be abandoned, and with the aid of a steam-tug was ultimately taken to Wexford.—Property salvage case.

Nov. 14.—WELLS, NORFOLK.—*Baltic* Life-boat.—At 10 P.M. a fisherman having informed the Coxswain that he had seen a light bearing about North of the Life-boat house, the crew and launchers of the Life-boat were summoned and a good look-out was kept, but no further lights were seen. A strong N. gale was blowing, there was a very heavy sea, and rain and snow were falling. At 7 A.M. the men dispersed, and an hour later a vessel was reported in distress off Burnham Overy. The crew and launchers were again summoned, and at 9 o'clock a message was received from the coastguard station confirming the report. The Life-boat was at once launched, proceeded under sail to the vessel and rescued her crew of two men. The captain, unfortunately, had been washed overboard. The vessel was the ketch *Lily*, of Grimsby, bound from London for Kingston-on-Humber with a cargo of broken glass.—Expense of service, 32*l.* 8*s.* 9*d.*

Nov. 14.—HARTLEPOOL, DURHAM.—*Cyclist* Life-boat.—While a moderate gale was blowing from N.E., with a heavy sea, the galliot *Cathrine*, of Oldenburg, bound from Teignmouth for Leith with a cargo of clay, missed the harbour, struck and sunk. The Life-boat went to her assistance and found her decks totally submerged and the crew of four men clinging to the deck-house, which was still above water. Every sea was breaking over her, and they were so heavy that the Life-boat had to make three attempts before she was able to rescue the men. The service was witnessed by a large concourse of people, and a hearty reception was accorded to the Life-boatmen and those whom they had rescued.—Expense of service, 9*l.* 19*s.* 6*d.*

Nov. 16. — REDCAR, YORKSHIRE. — *Brothers* Life-boat. — The steam-trlawler *Umtali*, of Grimsby, ran aground on the beach in a moderate breeze, a rough sea and thick weather. The Life-boat was launched at 5.30 A.M. and safely landed the vessel's crew of nine men. — Expense of service, 26*l.* 10*s.* 6*d.*

Nov. 18. — SENNEN COVE, CORNWALL. — *Ann Newbon* Life-boat. — About 4.15 P.M. the Life-boat was launched in a heavy sea, a strong gale blowing from N.W., and proceeded to the assistance of the schooner *Mary James*, of Penzance, bound from Newlyn for Swansea, with copper ore and stone. Her masts and sails were lying over her side, her bulwarks had been carried away and her decks were nearly awash. A steamer was near her, but, as the schooner was gradually drifting towards a dangerous lee shore, it was impracticable for her to render help. With considerable difficulty, the crew of six men were taken into the Life-boat and safely landed. — Expense of service, 29*l.* 14*s.*

Nov. 19. — NORTH BERWICK, HADDINGTONSHIRE. — *Fergus Ferguson* Life-boat. — In reply to a signal of distress, shown while a whole gale was blowing from W., the Life-boat was launched at 10.30 A.M. in a rough sea, and proceeded towards the brigantine *Adonis*, of Svendborg. Her crew of six men were taken off by a passing steamer, which hove to and transferred them to the Life-boat. — Expense of service, 13*l.* 7*s.*

Nov. 19. — WHITBY, YORKSHIRE. — *John Fielden* Life-boat. — While a moderate gale was blowing from W.N.W., accompanied by a moderate sea and thick weather, a message was received from the coastguard stating that a steamer passing Robin Hood's Bay was making but little headway and was showing a blue light. At about 11 P.M. she was seen approaching from the S. still showing the light. She was watched and was seen to alter her course and steer for Whitby harbour. There was not sufficient water to enable her to enter safely, and signals were made to warn her. She thereupon anchored, and as the blue light was kept burning and she was dangerously near Whitby Rock, the Life-boat was launched at midnight and proceeded to her. She was found

to be the ss. *Cygnnet*, of London, bound for the Tyne in ballast, and had run short of coal. The Life-boat returned to the shore and, in conjunction with a large cable, took off a supply of coal, and the steamer was able to resume her voyage at ten o'clock on the following morning. — Property salvage case.

Nov. 28. — RAMSGATE, KENT. — *Bradford* Life-boat. — A message by telephone being received from the North Goodwin light vessel, reporting that the crew of a fishing vessel had taken refuge there, the Life-boat proceeded, in tow of the harbour steam-tug *Aid*, at 4 A.M., and took ashore the eight fishermen, also towing their boat into the harbour. During the day the Life-boat and tug again went out to see if it were possible to save the vessel. She was found to have stranded on the N. end of the sand — the highest part; but fortunately there being an abnormally high tide, she floated, and was towed into the harbour. She was the P.F. 33, No. 275, of Gravelines. — Payment arranged by the Board of Trade.

Nov. 30. — WALTON-ON-THE-NAZE, ESSEX. — *James Stevens* No. 14 Life-boat. — While a moderate breeze was blowing from W.N.W., the sea smooth and weather fine but hazy, a message by telephone was received from the Gunfleet light house that a barque appeared to be aground on the upper part of the sand. The Life-boat proceeded out at 7.55 A.M., and found the vessel was the barque *Halden*, of Fredrikshald, homeward bound, with a cargo of coke. Her back was broken, and her crew had all their effects ready to leave her. Twelve of them, with the ship's cat, were taken into the Life-boat and safely landed, two men being left on board to superintend the salvage of stores, etc., by other boats which were in attendance. These men were afterwards landed by the Life-boat *True to the Core*, belonging to Walton-on-the-Naze. — Expense of service, 13*l.* 13*s.*

Dec. 6. — IRVINE, Ayrshire. — *Jane Anne* Life-boat. — The s.s. *Barrow Castle* stranded about sixty yards N. of the harbour, in a strong W.S.W. breeze and a heavy sea, and fired signals for assistance. At 8 A.M. the Life-boat proceeded to her in tow of a steam-tug, and by their

combined efforts the vessel was got afloat and proceeded to Troon to be docked.—Property salvage case.

Dec. 7.—**LOOE, CORNWALL.**—*Boys' Own No. 1* Life-boat.—The Life-boat was launched at 6.45 P.M., in response to signals from Dowderry, and proceeding under sail and oars found the full-rigged ship *Gipsy*, of Nantes, hard and fast on the rocks nearly abreast the Dowderry Coastguard Station. The Life-boat remained by her, but all efforts to pump the water out of her were ineffectual and it became necessary to abandon her. Fourteen of her crew got into the Life-boat, which then took in tow the ship's Life-boat containing the remaining five men. The wind rapidly increasing and the sea rising, slow progress was made and, a steam-tug being observed, signals were made for assistance, which was kindly rendered, and the boats arrived at Looe at 1.30 A.M.—Expense of service, 30*l.* 16*s.*

A letter, of which the following is a translation, was received by Captain HUGHES, the Institution's representative at Looe:—

“Plymouth, 10th Dec., 1901.

“To the Honorary Secretary of the Royal National Life-boat Institution at Looe.

“DEAR SIR,—It is for me a duty and a pleasure to thank you on behalf of the crew of the *Gipsy* and myself for the great zeal and promptitude displayed by the Life-boat in coming to the assistance of my ship at Dowderry during the night of the 7th–8th December. It gives me great pleasure to testify that the crew of the Life-boat could not have behaved better and that they showed great self-sacrifice in coming to the rescue of foreign sailors wrecked on the English coast.

“I beg to assure you, Monsieur le Secrétaire, of my deep respect,

(Signed) “E. WARNECK,
“Captain of the ship *Gipsy*.”

Dec. 8.—**RHOSCOLYN, ANGLESEY.**—*Ramon Cabrera* Life-boat.—Intelligence reached this Life-boat station on the 8th December that a vessel was in distress in the offing. The Life-boat was quickly got ready and launched and the following report subsequently fur-

nished by the Coxswain and verified by the letter appended to it, which was afterwards handed to the Life-boatmen by the master and crew of the wrecked vessel, shows what an admirable and timely rescue was effected by the Life-boat. The Coxswain said:—

“The Life-boat left her moorings at 4 P.M. on Sunday, 8th Dec., 1901, blowing a whole gale from N.W. by W., proceeded to the schooner *J. W. Wearing*, of Lancaster, in distress about six miles S.W. of Rhoscolyn Point. On arrival at vessel made three attempts to get a line on board, then a very heavy sea struck the Life-boat, put her on her beam ends, she filled, but righted at once and cleared herself of water. On our fourth attempt got a line on board schooner, but it parted. Ultimately we got a line on board and made fast, then we got a second line on board as life-line, and pulled two of the crew through the sea to Life-boat; this line then parted. The vessel was now within a cable's length of the Porth Saint Rocks, so I pulled the Life-boat up under her stern and the remainder of the crew (three men) jumped on board; I then got the sails up, and only cleared the Porth Saint Rocks by a boat's length. The vessel was driven on the rocks and broken into matchwood ten minutes after we got the three men off. Some of the crew got knocked about under the vessel's stern, we lost five oars, and got a hole in the side of the Life-boat.”

The following is the letter addressed by the shipwrecked men to the Coxswain of the Life-boat:—

“We feel that we cannot leave Holyhead, perhaps never to meet again, without attesting and expressing our heartfelt and sincere thanks for the bravery of you and your crew in saving our lives from a watery grave on the evening of Sunday, the 8th inst., during the heavy gale and terrible sea and exposure, and also to testify to your splendid seamanship in handling your boat in the broken water and in the teeth of those terrible rocks, and unquestionably your courage and seamanship not only saved our lives but those of your crew after coming into the boat. Therefore please accept our heartfelt

thanks, and convey the same to your brave crew, and may God bless all of you, and may you be spared to render similar service to our fellow-seamen."

The Committee of the ROYAL NATIONAL LIFE-BOAT INSTITUTION awarded the Silver Medal of the Institution and a copy of the Vote inscribed on vellum and framed, to the Rhoscolyn Coxswain, HUGH HUGHES, in acknowledgment of his general gallant services in saving life from shipwreck, especially on the above-mentioned occasion, besides allowing the crew double pay.—Expense of service, 41*l.* 15*s.*

Dec. 9.—MOELFRE, ANGLESEY.—*Star of Hope* Life-boat.—A message by telephone was received from Point Lynas, and in response the Life-boat was launched at 8 A.M. A strong N.W. gale was then blowing and there was a heavy sea. The ketch *John Parry*, of Bangor, was found on the Dulas Rock and the Life-boat rescued the crew of two men, who had scrambled on to the rocks from the bowsprit of the vessel, which became a total wreck before the Life-boat left her.—Expense of service, 11*l.* 11*s.* 9*d.*

Dec. 10.—BROADSTAIRS, KENT.—*Francis Forbes Barton* Life-boat.—In response to signals, the Life-boat was launched at 6.5 P.M., and found the schooner *Grace*, of Salcombe. Having lost her anchor and sixty fathoms of chain near the Girdler Light Vessel, she had run for shelter under the lee of the North Foreland. A steam-tug afterwards arrived and took her in tow for London.—Expense of service, 25*l.* 16*s.*

Dec. 11.—GREENCASTLE, DONEGAL.—*Mary Beckwith* Life-boat.—The *Neritea*, a new large vessel, while being towed from Londonderry to Newcastle-on-Tyne, to have her machinery put in, encountered a strong E. breeze and a rough sea, causing her to roll very much. She broke adrift from the tug and stranded on the rocks at the Warren Light in Lough Foyle. The Life-boat put off to her assistance at 6.30 P.M., and the ten men on board were rescued, together with two others who were in the ship's boat, and unable to regain the vessel. The Master, at his request, was put on board the tug, great difficulty being

experienced in doing so.—Expense of service, 28*l.* 17*s.*

COMMITTEE MEETING, 12th Dec., 1901.

Voted 1,044*l.* 17*s.* 2*d.* to pay for assemblies of the crews, watching or launches by the following Life-boats, with the view of assisting those on board vessels apparently in distress:—Arklow, Ballywalter, Boulmer, Cambois, Clacton-on-Sea, Cloughy, Courtown, Cromer, Cullercoats, Douglas, Dungeness Nos. 1 and 2, Gorleston No. 1, Groomsport, Hartlepool No. 1, Hartlepool No. 2, Hartlepool No. 3, Holyhead No. 1, Hythe, Kingstown No. 2, Lowestoft No. 1, New Romney, Palling, Porth Rhuffydd, Rhoscolyn, Robin Hood's Bay, Seaton Carew, Selsey, Southwold No. 1, Sunderland, Tynemouth, West Hartlepool, Weymouth, Whitburn, Whitehaven, Winchelsea and Winterton.

The Committee specially recognised the good services of ROBERT LEES, Esq., Honorary Secretary of the Wicklow Branch of the Institution. Also the services of Mr. JOHN JAMES DAVIES, while serving as coxswain of the Cromer Life-boat for eight years, having previously acted as Second Coxswain for eighteen years.

They also made a special grant to some of the crew of the Ballywalter Life-boat, whose fishing-boats were cast upon the shore and smashed while they were on Life-boat service during the gale of the 12th November.

Voted 3*l.* 10*s.* to men injured on service at the new Romney and Groomsport Life-boat stations.

The Committee considered reports of the sad accident to the Caister No. 2 Life-boat, early on the morning of the 14th November, when she was capsized while on service, and nine of her crew lost their lives. The particulars of this calamity were detailed in the February number of the *Life-boat Journal*.

The sum of 2,000*l.* was granted towards the fund being raised locally for the relief of the widows and other dependents of the men who lost their lives on the occasion, and the funeral and other expenses were defrayed by the Institution. Compensation was awarded

to the survivors, double pay was granted to the whole of the Life-boat men, and rewards were granted to several men who rendered assistance on the occasion.

The Committee awarded the Gold Medal of the Institution, a copy of the vote inscribed on vellum and framed and the sum of 25 guineas, to Mr. JAMES HAYLETT, senr., in recognition of his great gallantry and of the remarkable endurance he displayed at his advanced age, seventy-eight years, in remaining on the beach for twelve hours, wet through and without food, this being the veteran's crowning act of half a century's life-saving in connection with the Institution's Life-boats, resulting in the saving of hundreds of lives. The thanks of the Institution, inscribed on vellum, and 5*l.* were also accorded to Mr. FREDERICK H. HAYLETT, and the valuable co-operation afforded by Captain A. F. CLOWES and Dr. CASE, honorary secretaries of the Great Yarmouth and Caister Branches, and by Commander THOMAS HOLMES, R.N., District Inspector of Life-boats, was specially recognised.

His Majesty the King, the Patron of the Institution, did James Haylett and the Institution the high honour of presenting to him at Sandringham the rewards granted him by the Institution.

His Royal Highness the Prince of Wales, as President of the Royal National Life-boat Institution, was present, as well as Dr. W. Case, hon. secretary to the Caister Station. Major-General Sir Stanley Clarke and Commander Sir Charles Cust, R.N., were in attendance.

The Board of Trade held an inquiry into the circumstances of the case. The Court found that the Life-boat was of a suitable type, was properly equipped and managed, and that the accident was probably caused by her missing stays, through losing her way or coming up to the wind, and being struck on the bow by the heavy sea running at the time. The sea slightly canted her, her bow took the ground, a second heavy sea struck her under the quarter and turned her completely over.

A letter was received by the Institu-

tion from the President and Council of the French Life-boat Society tendering their sympathy. The communication was at once gratefully acknowledged.

Dec. 12.—FALMOUTH, CORNWALL.—*Bob Newbon* Life-boat.—The ketch *Louise Ernst*, of St. Malo, which had left Falmouth on the previous day bound for Nantes with a cargo of clay from Par, encountered a strong gale from S.W. to S., a heavy sea and thick weather, and after getting as far as the Lizard was compelled to return. In consequence of the darkness she mistook her position in endeavouring to enter the harbour and stranded on the rocks at St. Mawes Point. On receipt of intelligence of the casualty the Life-boat put off at 2.45 A.M. and rescued her crew of five men. The gale continued during the day and the ketch became a total wreck.—Expense of service, 27*l.* 7*s.* 6*d.*

Dec. 12.—SCARBOROUGH, YORKSHIRE.—Temporary Life-boat.—Two cobbles, the *Friends* and the *Star of Bethlehem*, were overtaken by a gale from E.S.E. and a rough sea and ran for the harbour. The Life-boat put off to their assistance, supplied life-belts, and in other ways helped them to safely get into port.—Expense of service, 21*l.* 16*s.* 3*d.*

Dec. 13.—HARTLEPOOL, DURHAM.—*Charles Ingleby* Life-boat.—While a strong gale was blowing from the E. with a heavy sea, the brigantine *Florence*, of Newport, was totally wrecked about two cables' lengths S.E. of the bar. She was bound from London for the Tyne with a cargo of burnt ore, and on entering Hartlepool Bay for shelter, was struck by a heavy sea which carried away her wheel and steering gear. Observing that she was unmanageable, the Life-boat put off to her assistance at 10.30 A.M., succeeded in getting alongside the vessel, which was then broadside to the sea, and saved her crew of seven men. They were in a greatly exhausted condition.—Expense of service, 11*l.* 9*s.* 6*d.*

Dec. 14.—SCARBOROUGH, YORKSHIRE.—Temporary Life-boat.—At 5.30 A.M. a vessel showing a large flare was seen about a mile E. of the pier making for the harbour, but she failed to reach it

and drove on the beach about a quarter of a mile S. of the pier end. The Life-boat was launched at 5.45 and after a very heavy pull reached the vessel and took off her crew of eight men. She was the three-masted schooner *Satellite*, of Dover, bound thence for Hartlepool in ballast. A whole gale was blowing from E.N.E. and there was a very heavy sea.—Expense of service, 31l. 8s.

Dec. 14.—JOHNSHAVEN, KINCARDINESHIRE.—*Sarah Ann Holden* Life-boat.—The Life-boat was launched at 8.30 A.M., to assist a fishing-boat which was in danger in a heavy sea. It being impossible to tow her into the harbour, her crew of four men were taken into the Life-boat, their boat being left at anchor and was afterwards saved, slightly damaged.—Expense of service, 6l. 6s.

Dec. 14.—SEATON CAREW, DURHAM.—*John Lawson* Life-boat.—The s.s. *Trefusis*, of St. Ives, in ballast, from Rotterdam for South Shields, stranded on the beach at Seaton Carew, in a whole gale from E.N.E. and a very heavy sea. The Life-boat was launched at noon and succeeded in rescuing twenty men who were on board the vessel. Two others were rescued by the life-saving apparatus. The Life-boatmen had a hard and dangerous pull and one of her crew was washed out of the boat by a heavy sea. Fortunately, however, he was rescued by his comrades.—Expense of service, 21l. 4s. 6d.

Dec. 14—17.—PADSTOW, CORNWALL.—*Edmund Harvey* Life-boat and *Helen Peele* steam-tug.—In response to a message received from Newquay the Life-boat and Steam-tug proceeded out at 6.30 P.M. on the 14th December, in a strong N.E. gale, a rough sea and squally weather, to the assistance of the s.s. *Auguste Legembre*, of Algiers, in ballast, from Barrow for Port Talbot, with about thirty persons on board. Her steering gear having broken down she struck on the Hats and Barrels, near the Cardigan Bay Light-vessel, and was in a sinking condition when the Life-boat and tug reached her. With the help of other steam-tugs the vessel was taken to Cardiff, arriving at noon on Dec. 16, and the Life-boat and steam-tug returned to their station on the following day.—Property salvage case.

Dec. 14.—BRIDLINGTON, YORKSHIRE.—*George and Jane Walker* Life-boat.—In reply to signals shown by the ketch *Oward*, of and from Montrose, bound for Portsmouth with a cargo of potatoes, the Life-boat was launched at 7.30 P.M. in a heavy E. by N. gale and a very heavy sea. The crew of four men were rescued by the Life-boat, the vessel becoming a total wreck.—Expense of service, 29l. 17s.

Dec. 14.—MARGATE, KENT.—*Eliza Harriet* Life-boat.—The Life-boat was launched at 8.45 P.M., in a whole gale from N.N.E. and a very heavy sea, and proceeded to the brigantine *John Walters*, of Exeter, coal-laden from Hull for Guernsey, which had shown signals of distress. She was lying about a mile from the shore with two anchors down, and the sea was breaking completely over her. After three ineffectual attempts the Life-boat succeeded in getting alongside and saved her crew, consisting of six men.—Expense of service, 25l. 15s.

Dec. 18.—WALMER, KENT.—*Civil Service No. 4* Life-boat.—In response to signals fired by the light-vessels the Life-boat was launched at 1.20 A.M. in a heavy sea, the wind blowing a strong breeze from S.S.W., and found the schooner *Albion*, of Poole, stranded on the N.W. spit of the Goodwin Sands. She was laden with cement and oil-cake, bound from London for Bridport, and had a crew of five men. She knocked off the sand, and the Life-boatmen then anchored her and manned the pumps as she was leaking badly. A steam-tug afterwards arrived, and the schooner was taken to Ramsgate.—Property salvage case.

Dec. 18.—HOLY ISLAND, NORTHUMBRLAND.—*Grace Darling* Life-boat.—The ketch *Design*, of Montrose, homeward bound from the Tyne, was seen in distress in a strong N. gale and a very heavy sea. The Life-boat was launched at 10 A.M. and with difficulty approached the vessel. Communication was obtained by means of a line, and when the boat was near enough the captain jumped into her, but in doing so slipped and was hurt. The crew of five men were then taken on board and landed at North Sunderland in a terrific snowstorm. The vessel became a total wreck soon

after the men had left her.—Expense of service, 19*l.* 6*s.* 6*d.*

Dec. 18.—NORTH BERWICK, HADDINGTONSHIRE.—*Fergus Ferguson* Life-boat.—The Life-boat was launched at 11.55 A.M. in a strong N. gale and a heavy sea and proceeded to the steamer *Porpoise*, of Glasgow, bound from Grangemouth for Montrose, in ballast, which was in distress about four miles E. of North Berwick. When the Life-boat was about three hundred yards distant from the steamer, one of the crew of the latter was washed overboard and was rescued in an exhausted condition by the Life-boat, which then went to the vessel and took off the remainder of her crew, three in number.—Expense of service, 14*l.* 2*s.*

Dec. 18.—NEWBIGGIN, NORTHUMBERLAND.—*Robert and Susan* Life-boat.—The s.s. *Christiania*, of Haugesund, laden with grain from Königsberg for the Tyne, stranded on the Beacon Rocks in a snow-storm. The Life-boat was launched at about 6.45 P.M., and with considerable difficulty—occasioned by the position in which the vessel was lying on the rocks, and the state of the sea—rescued the crew, consisting of eleven men.—Expense of service, 32*l.* 17*s.*

Dec. 23.—PENZANCE, CORNWALL.—*Elizabeth and Blanche* Life-boat.—While a strong gale was blowing from S.W., the French brigantine *St. Joseph*, bound from Cardiff for Bordeaux with coal, and having a crew of six men, was seen running for Newlyn Harbour under bare poles, with a flag in her rigging. The Life-boat was taken to Newlyn, was launched at 2.45 P.M., and proceeded to the vessel, which meanwhile had anchored. She was, however, in a dangerous position and the coxswain of the Life-boat advised the master to heave up the anchor and proceed to the harbour. Some of the Life-boatmen boarded the vessel, and with their assistance she was with considerable difficulty taken into the harbour.—Expense of service, 28*l.* 11*s.* 6*d.*

Dec. 23.—BUCKHAVEN, FIFESHIRE.—*Isabella* Life-boat.—Four fishing boats being in danger in a fresh S. gale and a rough sea, the Life-boat put off to their assistance at 4.45 P.M., and stood by them until the tide had flowed sufficiently to enable them to enter the

harbour.—Expense of service, the Life-boatmen accepting reduced payment, the service having been rendered to fellow-fishermen, 12*l.* 15*s.* 9*d.*

Dec. 23.—RHOSCOLYN, ANGLESEY.—*Ramon Cabrera* Life-boat. A vessel having been reported in distress in Cymeran Bay while a moderate gale was blowing from W.S.W., and a heavy sea was running, the Life-boat proceeded out at 7 P.M., and reached her just as she stranded on the sands. The crew of four men were taken into the Life-boat, and were landed at Cymeran, it being impossible for the boat to pull back to her station against the heavy surf. The boat returned to Rhoscolyn on the following day.—Expense of service, 54*l.* 6*s.*

Dec. 24.—MONTROSE, FORFARSHIRE.—*Sarak Jane Turner* Life-boat.—A message by telephone was received, stating that a schooner was in the offing making for the harbour, and that as there was a very heavy sea on the bar, there was a probability of the services of the Life-boat being needed. About 9.30 A.M. two rockets were fired from Scurdy Ness, and in response the Life-boat proceeded out. The vessel, which was the *Gleaner*, of Montrose, fortunately got a comparatively smooth sea when crossing the bar; had she been struck by one of the heavy seas which were occasionally breaking right across the bar, she would in all probability have been cast upon the Annat Bank. The Life-boat stood by her until she was in safety.

Dec. 24.—NEW BRIGHTON, CHESHIRE.—*Queen Steam* Life-boat.—In response to a telephone message, the Life-boat put off at 10.5 A.M., and proceeded to the schooner *Lizzie*, of Chester, bound from Plymouth for Runcorn, which had stranded on Formby beach. Her crew of four men, who had been for some time in the rigging, were taken into the Life-boat and safely landed at New Brighton.—Expense of service, 6*l.* 17*s.*

Dec. 24.—WEXFORD, Co. WEXFORD.—*James Stevens No. 15* Life-boat.—A message being received from the pilot-station that a vessel was aground on the Dogger Bank and showing signals of distress, the Life-boat proceeded out at 5.15 P.M. and found the s.s. *Wharfinger*,

of Glasgow, stranded on the S. end of the sand. The Life-boatmen hailed the vessel but could not get any reply, and on getting alongside found she was abandoned. Bright lights were burned, but no response was obtained, and the Life-boat therefore sailed in the direction of the wind and tide and found the ship's boat, containing the crew of six men, about two miles distant, going away from the land, without a light and with no means of baling the boat, which was leaking, excepting their boots. They were taken into the Life-boat and safely landed. The two engine-room men, who were very cold, having on only the clothes they had been working in, were supplied with oilskins by the Life-boatmen. —Expense of service, 22*l.* 15*s.*

When the weather had moderated and the sea had somewhat subsided, the Life-boat again went out, taking the steamers' crew, threw overboard some of the vessel's cargo, and succeeded in getting her off the sands, bringing her into Wexford on the following morning. —Property salvage case.

Dec. 27-28.—WALMER AND KINGSDOWNE, KENT.—*Civil Service No. 4* and *Charles Hargrave* Life-boats.—On the 27th and 28th December a heavy south-westerly gale prevailed in the Channel. The four-masted iron ship *Mersey*, of Grimstad, was driven on to the Goodwin Sands, and in a very short time was engulfed. Happily, the crew of fourteen hands were rescued by the Walmer and Kingsdowne Life-boatmen. The *Mersey*, which had been converted from a steamer into a sailing vessel, was on a voyage from the River Plate to Goole, with a cargo of 1,400 tons of timber, used for dyeing purposes. In crossing the Atlantic she encountered severe weather, which strained the vessel a great deal. She drifted on to the Goodwin Sands and shortly afterwards, as the vessel commenced to break up, the boats were lowered, but owing to the violence of the seas the crew were unable to take to them. Two tugs arrived, one from Dover and the Ramsgate Harbour tug *Aid*, but neither could get near enough to the doomed ship to take off the crew. In the meantime the

Life-boats from Walmer and Kingsdowne had been launched, and after an arduous pull reached the wreck and took off the crew. The *Mersey's* masts and rigging had fallen before the crew left her, and the men had some miraculous escapes from injury. The Walmer boat landed her freight at Deal, whilst the remainder of the crew were put ashore at Kingsdowne.

Dec. 31.—MONTROSE, FORFARSHIRE.—*Sarah Jane Turner* Life-boat.—While a moderate gale was blowing, accompanied by a rough sea, an open boat was reported to have been seen about four miles S.E. of Scurdy Ness, with a signal of distress flying. The Life-boat was launched at 11 A.M., and, proceeding under sail, reached the boat, which was then about two and a half miles S. of Johnshaven, and found she contained the crews of the Arbroath Harbour steam-tug *Alexandra*, and the ketch *Village Belle*, of Arbroath, eight men in all. The men were taken into the Life-boat and their boat was taken in tow. Some of the men being terribly exhausted, it was decided to make for Johnshaven and land them there. This was accordingly done, and the Life-boat was afterwards towed back to her station by the steam-tug *Rapid*.

Dec. 31.—The Committee voted 62*l.* 14*s.* 9*d.*, to pay the expenses of assemblies, watching and launches with the view of assisting the crews of distressed vessels by the following Life-boats:—Berwick-on-Tweed, Irvine, Wicklow, Bridlington, Grimsby, Eastbourne, Scarborough, Whitby No. 2, Uppang, Poole, Saltburn, Hayle, Hartlepool No. 2, Newquay (Cornwall), Hunstanton, Gorleston No. 1, Mablethorpe, Redcar, Harwich, Southend (Essex), Arklow, Holyhead, Porth Rhuffydd, Withernsea, Point of Ayr, Kirkcudbright, Whithorn, New Brighton, Hilbre Island, Ilfracombe, Fishguard No. 2, North Deal, Caister No. 1, Rhosneigr, Ballywalter, Formby, Hoylake and West Hartlepool.

Also 10*l.* 10*s.* to a man injured at an exercise of the Groomsport Life-boat.

SHORE-BOAT SERVICES REWARDED BY THE ROYAL NATIONAL LIFE-BOAT INSTITUTION IN 1901.

Jan. 10.—Voted an aneroid barometer to Mr. G. H. WARD, master of the Trinity pilot cutter *Alpha*, and 10s. each to three of the crew for putting off in a boat from the cutter and rescuing ten of the crew of H.M. yawl *Hind*, which had stranded on the Shipwash Sand on the 27th November.

Also 4l. to the crew of the fishing-yawl *Violet*, of St. Abb's, for saving the crew of five men from the boat of the s.s. *Woodbine*, of Newcastle, the vessel having been abandoned in a sinking condition in the Firth of Forth while a moderate W. gale was blowing, accompanied by a very rough sea, on the 18th December.

Also 3l. to three men for rescuing the crew of five men from the steam trawler *Hut or Miss*, of Aberdeen, which sunk off Keith Inch, Peterhead, in a strong S. breeze, a rough sea and thick weather, on the 3rd December. The salvors were engaged in fishing, and on observing the master of the trawler wave his hand, went alongside and rescued the crew, incurring considerable risk, their small boat being then over-loaded.

Also 14s. to three men for rescuing, by means of lines from the quay wall, the crew of four men from the fishing boat *Mary*, of Fleetwood, which had become unmanageable while entering the harbour at Whitehaven, Cumberland, in a whole gale from S.W. and a heavy sea, on the 20th December.

Jan. 13.—Seven fishermen put off in a boat and rescued five of the crew of the steam trawler *Active*, of Peterhead, which stranded on Cairnbulg Briggs, Aberdeenshire, in a strong S. breeze and a moderate sea.—Reward, 2l. 12s. 6d.

Jan. 15.—Five men rendered service to the crew, ten in number, of the s.s. *Broughshane*, of Londonderry, which stranded in Doon Bay, Rathlin Island, co. Antrim, in a strong S.S.E. gale, a heavy sea and thick weather. The crew took to their boats and were assisted by the five men, who, by means of lanterns, directed them where to land, and, with the aid of lines thrown from the boats, helped them to reach the shore.—Reward, 2l. 10s.

Feb. 16.—Fourteen men put off in boats and rescued eight men from the schooner *Comet*, of Hartlepool, which sunk off Bridlington, Yorkshire, in a moderate gale from N.N.E.—Reward, 7l.

Feb. 22.—Two men saved one of the crew of a fishing boat of Deerness, which had sunk about a quarter of a mile W. of Wart Holm, Copinsay, Orkney, in a fresh breeze from N. to N.N.E., and a rough choppy sea. The salvors, who were in another boat, pulled and sailed to the scene of the casualty and succeeded in rescuing one of the men, but unfortunately the other was drowned. Reward, 15s.

March 14.—Voted the thanks of the Institution, inscribed on vellum and framed, an

aneroid barometer and the sum of 1l. to Mr. JAMES MACKINNON, master of the fishing-boat *Reaper*, of Castlebay, Inverness-shire, for putting off in the punt from that vessel three times and, at considerable risk, rescuing two of the crew of the fishing-boat *Daisy*, of Broadford, which had been swamped by a heavy sea in Loch Slapin, Isle of Skye, on the night of the 12th November. 1l. was awarded to the crew of four men who attended the rope by which the punt was attached to the fishing-boat.

April 14.—Mr. THOMAS VEALE, Ferry-boat Proprietor, of Dungarvan, co. Waterford, put off in a boat and rescued a boy from a boat which was drifting out to sea, without oars, and was in a sinking condition, off Dungarvan, in a moderate W.N.W. gale and a rough sea.—Reward, 1l.

April 20.—Seven fishermen saved the crew of three men from the boat *Hawk* which had been capsized by one of her occupants climbing the mast, when about three miles distant from Arbroath, Forfarshire, in a smooth sea and fine weather.—Reward, 1l. 15s.

April 26.—Six coastguard men and a fisherman put off in the station whale-boat at Howth, co. Dublin, and saved the crew of two men from the yawl *Lizzie*, of Howth, which was capsized off the East Pier, Howth, in a strong N.E. breeze and a very heavy sea.—Reward, 2l. 12s. 6d.

May 22.—Seven men put off in a Coast-guard-boat at Cloughey, co. Down, and landed the crew of four men from the ketch *Ravinello*, of Bridgwater, which was in danger of becoming a total wreck.—Reward, 1l. 15s.

The sum of 2s. each was awarded to nine men who assisted to launch the boat and to a messenger employed on the occasion.

June 19.—Five men put off in a boat and saved a fisherman whose boat was sinking off Newquay, Cardiganshire, in a strong S. gale.—Reward, 1l. 5s.

June 23.—Seven men put off in a boat from Withernsea, Yorkshire, to the assistance of a boat, with four boys on board, which had been carried out to sea in a moderate S.W. gale. The boys, who had been picked up by a steam trawler, were landed and their boat was towed back to the shore.—Reward, 2l. 12s. 6d.

July 13.—Two fishermen put off in a boat from Whithorn, Wigtonshire, and took into the harbour a boat, containing four persons, which was being carried out to sea by the current off Burrow Head, in fine weather.—Reward, 6s.

Aug. 7.—Six men put off in a boat and saved two persons from the sailing boat *Queen Bee*, of Aberystwyth, which sunk off the Castle Rocks, Aberystwyth, in a strong W.S.W. wind and a rough sea. There were five other occupants of the sailing boat, but they unfortunately lost their lives.—Reward, 3l.

Aug. 17.—Four men put off in a boat and saved three persons from an open boat which had been carried out to sea off Workington, Cumberland, in half a gale from S.W., and a rough, choppy sea.—Reward, 4l.

Aug. 22.—Three men put off in a small boat and saved two men whose boat, the *Little Bertha*, had foundered about half a mile W.S.W. of the Breakwater light at Newhaven, in a strong S.S.E. breeze and a choppy sea.—Reward, 1l. 10s.

Aug. 22.—Two men put off in a boat and landed the crew of two men from the ketch *Caerleon*, of Bridgwater, which was dragging her anchor off Ilfracombe, in a strong E.N.E. breeze and a heavy sea.—Reward, 15s.

Sept. 4.—Six Coastguards put off in the whaleboat at Exmouth and saved a boat, containing two lads, which was in danger of being capsized in the breakers, in a strong E.N.E. breeze and a very heavy sea.—Reward, 6l.

Sept. 7.—Three fishermen put off in a boat from Port Erin, Isle of Man, and saved the two occupants of a small boat which was in danger of being carried out to sea off Bradda Head, in a strong S.E. breeze, a moderate sea, and hazy weather.—Reward, 15s.

A letter of thanks was also forwarded to Mr. HERBERT H. BROWNLOW, of Manchester, a visitor to Port Erin, who accompanied the fishermen on this occasion and assisted in effecting the rescue.

Sept. 7.—Two fishermen put off in a boat and rescued a boat, containing two persons, which had been blown away from the land off Bradda Head, in a strong S.E. breeze, a rough sea, and hazy weather.—Reward, 8s.

Sept. 12.—Voted the Silver Medal of the Institution, with a copy of the vote inscribed on vellum and framed, to Mr. JAMES WOOD, boatswain of the steam trawler *Marrs*, for plunging from that vessel into the sea, and rescuing, at the imminent risk of his own life, a man who had been washed overboard from the small yacht *Dorcas*, of Millom, which was in a waterlogged condition in Morecambe Bay while a moderate gale was blowing from N.N.W., accompanied by a very rough sea, on the 26th August. Wood supported the man until both were picked up by the Piel (Barrow) Life-boat.

Oct. 5.—Five fishermen rescued the crew of four men from the fishing-boat *Sarah*, of Kilkeel, co. Down, which had been capsized 4 miles south of Derryogue Point, in squally weather.—Reward, 2l. 10s.

Oct. 10.—Voted a binocular glass, bearing a suitable inscription, to Mr. THOMAS BLANKLEY, of the s.s. *Drumcruil*, of Liverpool, for jumping overboard from the steamer with a

line secured round him and attempting to save one of the crew of a pilot-boat which had been capsized off Hartland Point, Bristol Channel, on the 13th August.

Oct. 16.—DOUGALD MUIR, a fisherman about 70 years of age, and a farm servant named EDWARD MCTAGGAET, put off in a boat and, with considerable difficulty and risk, rescued the crew of five men from the fishing boat *Red Ribbon*, which sunk on Smerby Rocks, Argyllshire, in squally weather.—Reward, 3l. 10s.

Nov. 12.—Two men waded into the surf up to their armpits and rescued, at considerable risk owing to floating wreckage, one of the crew of the schooner *Cambois*, of Folkestone, which went ashore near Whitburn, Durham, in a strong gale and very heavy sea.—Reward, 1l.

Nov. 12.—Five men put off in a boat from Campbeltown and saved the crew of two men from the smack *Vampire*, of Larne, which stranded on the coast of Kintyre in a gale with fierce squalls, accompanied by a heavy sea.—Reward, 1l. 17s. 6d.

Nov. 13.—Four of the crew of the Palling Life-boat, by special exertions, saved three of the crew of the wrecked schooner *Ellen Smeed*.—Reward, 4l.

Nov. 13.—Mrs. STARK and two men pulled up the cliff at Bridlington one of the crew of the ketch *Hazard* and his rescuer Mr. RICHARD SOUTHWICK. The latter was rewarded by the Board of Trade.—Reward, 1l.

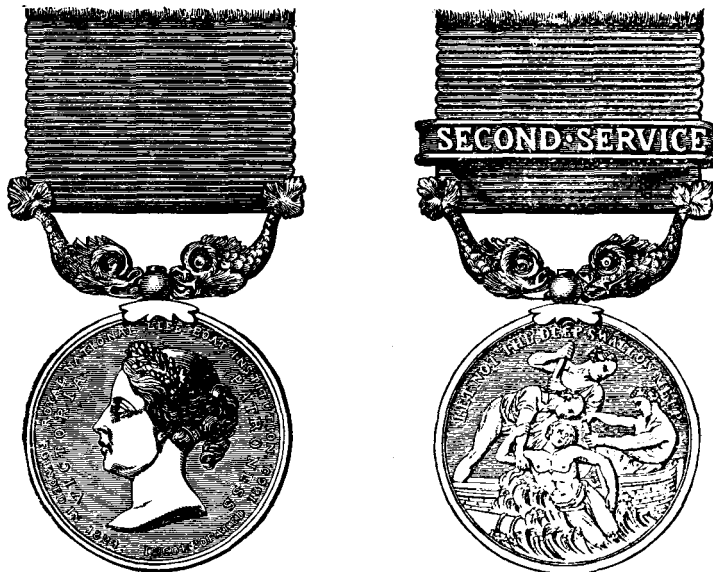

Nov. 13.—Six men went out on the rocks at the foot of the cliff in Robin Hood's Bay, Yorkshire, on the occasion of the stranding of the s.s. *Zanetta* in a gale, and rendered assistance to the shipwrecked men as they neared the shore.—Reward, 1l. 15s.

Nov. 14.—Voted the thanks of the Institution, inscribed on vellum and framed, and 1l. each to HUGH BLACK MCGREGOR and ALEXANDER MCGREGOR, for putting off in a small boat from a steam-tug and, with much difficulty and considerable risk, saving the crew of four men from the German schooner *Catherine*, which had stranded on the Iron-craig Rock, of West Inchkeith, in a strong W.S.W. breeze, on the night of the 17th September.

Also a letter of thanks to Lieut. F. NOLAN BAKER, R.A., for his prompt action in causing the tug to proceed to the rescue.

Dec. 12.—Decided that a letter of thanks be sent to G. WATERS BECK, Esq., Honorary Secretary of the Winterton Branch, and 10s. to a beachman for assisting to rescue the mate of the ketch *Alarm*, wrecked on the 13th November; also 7s. to a man who reported the wreck.

THE
MEDAL OF THE ROYAL NATIONAL LIFE-BOAT INSTITUTION,
 FOR THE PRESERVATION OF LIFE FROM SHIPWRECK.

Obverse.—Bust of Her late Majesty Queen Victoria; beneath, in minute letters, “L. C. WYON.” Double legend, “Royal National Life-boat Institution. Founded in 1824. Incorporated 1860. Victoria, Patroness.”

Reverse.—Three sailors in a Life-boat,—one of whom is in the act of rescuing an exhausted mariner from the waves on a fragment of the wreck. “W. Wyon, Mint.” Inscription, “Let not the deep swallow me up.”

THE beautiful obverse of this medal, executed by the late L. C. WYON, Esq., represents the bust of the late QUEEN VICTORIA, Her Majesty's locks gracefully waving and gathered in a knot behind, from which issues a wreath of oak clustering over the forehead. This life-like portrait of the QUEEN, in high relief, conveys a truly pleasing and faithful likeness of HER MAJESTY at that period (1862), combining the dignity of aspect and benevolence which always characterised the Queen throughout her long and prosperous reign.

The reverse, representing the Life-boat, in which there are three Seamen, rescuing a fourth from the sea, is a work of great merit. Two of the men are steadying the boat, while the other, stooping, draws in the Shipwrecked Sailor, whose figure is given so as to show the form in the most natural manner; and the expression thrown into his countenance looking up to his preserver is supplicating in the extreme, while the easy flowing lines of this sailor are finely contrasted by those of his companions: the whole displaying a perfect knowledge of the human frame, and a command of the graver to embody what he had shadowed out to himself.

But there is another pleasing motive for admiration of this beautiful Medal, as the figure who is so humanely extending his relief to the drowning Mariner is a portrait of the Artist, the late WILLIAM WYON, Esq., R.A.

The colour of the ribbon (which is corded silk) attached to the medal is blue.

The following is a LIST of the GOLD and SILVER MEDALS which have been voted by the Committee of the Institution from its establishment in 1824 to the 31st Dec., 1901, to persons whose humane and intrepid exertions in saving Life from Shipwreck on our Coasts, etc., have been deemed sufficiently conspicuous to merit that honourable distinction. The Cases will be found recorded in detail in the several Annual Reports of the Institution.

The total number of Medals and Clasps granted by the Institution is 1,295, 99 of which are in Gold, and 1,196 in Silver.

Note.—The asterisk (*) after the name denotes the reception of a Gold Medal or Clasp. The figure after the name signifies the number of honorary distinctions received from the Institution. Abbreviations.—C.G.—Coast Guard. R.C.—Revenue Cruiser. M.M.—Master Mariner.

THE LIFE-BELT USED BY THE CREWS OF THE LIFE-BOATS OF THE ROYAL NATIONAL LIFE-BOAT INSTITUTION.

The requisite qualities of a Life-boat man's life-belt are—

1. Sufficient extra buoyancy, 22 lbs., to support a man heavily clothed, with his head and shoulders above the water, or to enable him to support another person besides himself.
2. Perfect flexibility, so as to readily conform to the shape of the wearer.
3. A division into two zones, an upper and lower, so that between the two it may be secured tightly round the waist; for in no other manner can it be confined sufficiently close and secure round the body without such pressure over the chest and ribs as to materially affect the free action of the lungs, impede the muscular movement of the chest and arms, and thereby diminish the power of endurance of fatigue, which, in rowing-boats, is a matter of vital importance.
4. Strength, durability and non-liability to injury.

THE LIFE-BOAT STATION.

THE following brief description and diagrams illustrative of a complete Life-boat Establishment, including the House for the protection of the boat, will serve to convey an idea of the general character of one of the 288 Life-boat Stations of the ROYAL NATIONAL LIFE-BOAT INSTITUTION.

It will be seen that it is a work of a costly nature, and that not only in the first instance, but that a large permanent expense is entailed in keeping the whole machinery in an efficient state, in the re-supply of any part of it which may be destroyed or worn out, in the exercise of the boats' crews, in launching and working the boats, and in remunerating them for their services in saving their fellow-creatures. Yet, looking to the vast importance of the result effected, and the responsibility of calling on men to risk their lives in effecting the same, it is felt that few if any persons will be found who will consider that expense to be incurred in vain.

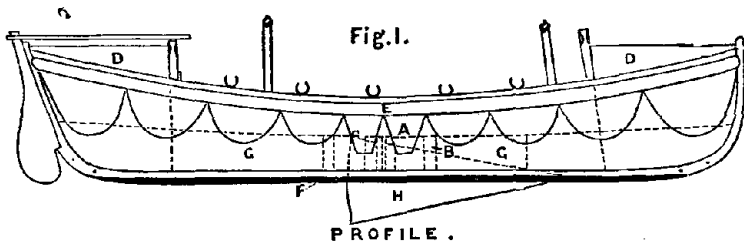

THE LIFE-BOAT.

(See Diagrams on following pages.)

The following drawings show the general outline and principal fittings of the different types of Life-boats used in the Institution's service. Figure 1 gives the profile or broadside view. Fig. 2 the "plan" or deck view. Fig. 3 the "body plan," showing the form of transverse vertical sections at regular intervals in the length; and Fig. 4 the "midship section." The festooned lines on the Fig. 1 profile views represent outside lifelines for men in the water to catch hold. The blackened portion of the keel indicates "iron keel" ballast in distinction from "water ballast" carried in "tanks" or compartments provided in the hold for the purpose, and admitting of being taken in or pumped out at pleasure; both "iron" and "water ballast" are variable and optional in the several boats according to the special circumstances of the different stations and wishes of the coxswains and

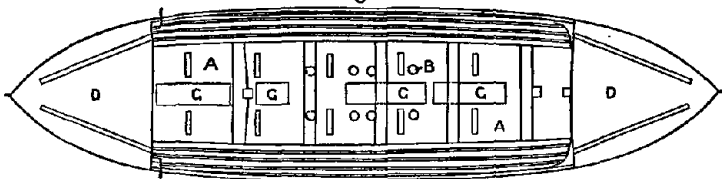

crews. Water shipped on deck by seas breaking over the boat and otherwise is automatically freed through the holes in the deck and bottom of boat, connected by large pipes called "relieving tubes" having valves called "relieving valves" fitted at the deck, which pass water downwards but not upwards. Some boats, such as the "Norfolk and Suffolk" type, have also freeing scuppers in the sides of boat above deck for the same purpose. Enclosed compartments are automatically ventilated by specially designed valves and pipes. Most of the boats have "centre boards" or "drop-keels" of variable size and weight, which can be used at pleasure and materially add to their weather qualities.

**THE LIFE-BOAT TRANSPORTING-CARRIAGE.**

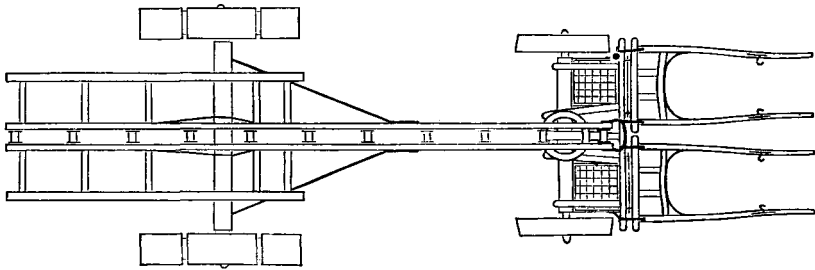

The Life-boat transporting-carriage is a very important auxiliary to the boat. Nearly every Life-boat, except a few of the larger sizes, is provided with a carriage, on which she is kept in the boat-house ready for immediate transportation to the most favourable position for launching to a wreck. A Life-boat is thus made available for a greater extent of coast than she otherwise would be. In addition to its ordinary use, a carriage is of immense service in launching a boat from a flat beach; while "Tipping's plates," with which the main wheels are sometimes clad, greatly facilitate the transport of the boat over the long stretches of soft sand which have to be traversed before deep enough water is reached to float the boat.

The carriage consists of a fore and main body. The latter is formed of a keelway, and of bilgeways attached to it, and resting on the main axle, the boat's weight being entirely on the rollers of the keelway. Its leading characteristics are that while for launching it forms an inclined plane, down which the boat can be launched off the rear end, it can also be used for replacing the boat, the inclined plane being reversed by removing the fore-carriage.

A very full equipment of stores is supplied to the Life-boats of the Institution—such as cork life-belts, anchors and cables, grapnels and lines, life-buoys, lanterns, rockets, and many other articles, together with portable or launching-skids.

## THE LIFE-BOAT HOUSE.

The boats of the NATIONAL LIFE-BOAT INSTITUTION, and all belonging to them, are kept in roomy and substantial boat-houses, under lock and key, in charge of paid coxswains, under the general superintendence of local honorary committees of residents in the several localities. Each boat has its appointed coxswain at a salary of 8*l.*, and an assistant at 2*l.* a year, with further allowances under special circumstances. The crew consists, in addition, of a bowman, who is paid 30*s.* a year, and as many boatmen as the boat pulls oars. A signalman is also appointed who receives a retaining fee of 1*l.* per annum, and payment as a helper each time he is on duty. The members of the volunteer crews are registered and, wherever practicable, at least double the number of men required are entered on the register. Such men are mostly resident boatmen, fishermen or Coastguardmen. On every occasion of going afloat to save life, the coxswains and each of the crew receive alike from the funds of the Institution (whether successful or not) 10*s.*, if by day, and 1*l.*, if by night; and usually 4*s.* each for every time of going afloat for exercise. These payments are increased by *one half* during the six months of each year beginning the 1st October, and ending the 31st March. The Institution also grants retiring allowances to Coxswains, Bowmen and Signalmen of good behaviour and long service. It should be specially noted that the Life-boat crews, excepting when remunerated by the owners of vessels for property salvage service, are paid by the Institution for their efforts, *whether successful or not*, in saving life.

A reward of 7*s.* is given to the man who first brings intelligence of a wreck in such a position as not to be in sight of a Coastguard man on duty or other responsible look-out man.

On boarding wrecks, the preservation of life is the sole consideration. Should any goods or merchandise be brought into the Life-boat, contrary to the coxswain's remonstrance, he is authorised to throw them overboard.

The formation of a Life-boat Station costs considerably more than 1,000*l.*, and the Annual Expense of maintaining it is about 125*l.*—in many instances much more.

Such is a brief summary of the more important Regulations under which the Life-boats are worked. How faithfully and with what result they are carried out let the journals of each Life-boat Station and the annals of the Institution tell.

The ROYAL NATIONAL LIFE-BOAT INSTITUTION has now 288 Life-boats under its charge. Nearly all of these have been specially presented to it, and they save every year hundreds of shipwrecked sailors. Altogether, the Institution has granted rewards for the saving of 43,197 lives, either by its Life-boats or by other means.

Despite, however, this fleet of 288 Life-boats, and of 16 others locally provided or otherwise supported, and despite the numerous rocket apparatus stations on our coast, there remains the melancholy fact that about 500 lives are lost annually on or near the coasts of the United Kingdom alone, as shown by the Board of Trade Returns, proclaiming solemnly, though silently, that for humanity's sake and for the national credit, no exertions should be spared in providing every possible means for the conveyance of succour to the shipwrecked.

The Institution needs an annual income of at least 80,000*l.* to maintain its great Life-saving Fleet; and the Committee feel assured that it will never lack it so long as it maintains its boats in the state of thorough efficiency that they are in at the present time, and manned as they are on every emergency by as fearless and noble a class of men as ever Nelson or Collingwood led to battle to uphold our country's honour and glory.

# ANNUAL SUBSCRIPTIONS AND DONATIONS.

1st JANUARY TO 31st DECEMBER, 1901.

FORMS OF BEQUEST.

I give and bequeath to the ROYAL NATIONAL LIFE-BOAT INSTITUTION for the Preservation of Life from Shipwreck, London, Incorporated by Royal Charter, the sum of £ \_\_\_\_\_ for the use of the said Institution, and I declare that the said Legacy shall be paid free from Legacy Duty, and that the receipt of the Treasurer of the said Institution shall be a sufficient discharge for the same.

[Under the new Mortmain Act all descriptions of Property may now be left by Will to Charities, and the following form may therefore be useful in cases where it is intended to make Real or Leasehold Property the subject of the Bequest.]

I give unto the ROYAL NATIONAL LIFE-BOAT INSTITUTION for the Preservation of Life from Shipwreck, London, Incorporated by Royal Charter, all those Lands, Houses and Premises known as [*Strike out any unnecessary words and describe the Property by reference to its situation, boundaries, extent and occupation as nearly as possible*] for the use of the said Institution.

## INDEX TO THE BRANCHES.
